The Septuagint as Christian Scripture Martin Hengel, 2002 The Struggle to Understand Isaiah as Christian Scripture Brevard S. Childs, 2015-09 A key emphasis of Brevard Childs's distinguished career has been to show not only that the canon of Scripture comprises both Old and New Testaments but also that the concept of canon includes the way the Christian church continues to wrestle in every age with the meaning of its sacred texts In this new volume Childs uses the book of Isaiah as a case study of the church's endeavor throughout history to understand its Scriptures In each chapter Childs focuses on a different Christian age using the work of key figures to illustrate the church's changing views of Isaiah After looking at the Septuagint translation Childs examines commentaries and tractates from the patristic Reformation and modern periods His review shows that despite an enormous diversity in time culture nationality and audience these works nevertheless display a family resemblance in their theological understandings of this central Old Testament text Childs also reveals how the church struggled to adapt to changing social and historical conditions often by correcting or refining traditional methodologies while at the same time maintaining a theological stance measured by faithfulness to Jesus Christ In an important final chapter Childs draws out some implications of his work for modern debates over the role of Scripture in the life of the church Of great value to scholars ministers and students this book will also draw general readers into the exciting theological debate currently raging in the Christian church about the faithful interpretation of Scripture

The Septuagint as Christian scripture : its prehistory and the problem of the canon Martin Hengel, 2002 *Israel's Restoration* Ashley Crane, 2008-11-30 Commentators traditionally use a textual critical methodology in examining Hebrew and Greek manuscripts to establish an original reading frequently attributing other variants to scribal error This book proposes a complementary textual comparative methodology that treats each Hebrew and or Greek manuscript with equal value listening to each voice as a possible interpretive trajectory This methodology is applied to the restoration of Israel in Ezekiel 36-39 initially on a micro level examining each verse for intra linguistic and trans linguistic variants frequently finding exegetical reasons for variants The macro application compares Papyrus 967 with extant manuscripts finding the different chapter order and pericope minus 36:23c-38 due to theological reasons This comparative methodology can be used with any study dealing with different manuscripts and versions

Worshipping a Crucified Man Jeremy Hudson, 2021-08-26 By the mid second century Christian writers were engaging in debates with

educated audiences from non Jewish Graeco Roman cultural backgrounds A remarkable feature of some of the texts from this period is how extensively they refer to the Jewish scriptures even though those scriptures were unfamiliar to non Jewish Graeco Romans In *Worshipping a Crucified Man* Jeremy Hudson explores for the first time why this should have been so by examining three works by Christian converts originally educated in Graeco Roman traditions Justin Martyr s *First Apology* Tatian s *Oratio* and Theophilus of Antioch s *Ad Autolyicum* Hudson considers their literary strategies their use of quotations and allusions and how they present the Jewish scriptures all against the background of the Graeco Roman literary culture familiar to both authors and audiences The scriptures are presented as a critically defining feature of Christianity instrumental in shaping the way the new religion presented itself as it strove to engage with and challenge the cultural traditions of the Graeco Roman world

Abiding Words Alicia D. Myers, Bruce G. Schuchard, 2015-04-01 A collection of essays by experts from around the world Like the other New Testament Gospels the Gospel of John repeatedly appeals to Scripture Old Testament Preferring allusions and echoes alongside more explicit quotations however the Gospel of John weaves Scripture as an authoritative source concerning its story of Jesus Yet this is the same Gospel that is often regarded as antagonistic toward the Jews especially the Jewish religious leaders depicted within it Features Introduces and updates readers on the question of John s employment of Scripture Showcases useful approaches to more general studies on the New Testament s use of Scripture sociological and rhetorical analyses and memory theory Explores the possible implications surrounding Scripture usage for the Gospel audiences both ancient and contemporary

A New Perspective on the Use of Paul in the Gospel of Mark Cameron Evan Ferguson, 2021-03-01 This volume presents a detailed case for the plausible literary dependence of the Gospel of Mark on select letters of the apostle Paul The book argues that Mark and Paul share a gospel narrative that tells the story of the life death resurrection and second coming of Jesus Christ in accordance with the scriptures and it suggests that Mark presumed Paul and his mission to be constitutive episodes of that story It contends that Mark self consciously sought to anticipate the person teachings and mission of Paul by constructing narrative precursors concordant with the eventual teachings of the itinerant apostle a process Ferguson labels Mark s etiological hermeneutic The book focuses in particular on the various re presentations of Christ s death that Paul believed occurred within his communities Christ s death performed in ritual prefigured in scripture and embodied within Paul s person and it argues that these are all seeded within and anticipated by Mark s narrative Through careful argument and detailed analysis *A New Perspective on the Use of Paul in the Gospel of Mark* makes a substantial contribution to the ongoing debate about the dependence of Mark on Paul It is key reading for any scholar engaged in that debate and the insights it provides will be of interest to anyone studying the Synoptic Gospels or the epistles of Paul more generally

demonstrates the extent to which rabbinic Babylonia was part of the Mediterranean world of late antiquity and part of the emerging but never fully realized cultural unity forming during this period in Palestine Syria Mesopotamia and western Persia Kalmin recognizes that the Bavli contains remarkable diversity incorporating motifs derived from the cultures of contemporaneous religious and social groups Looking closely at the intimate relationship between narratives of the Bavli and of the Christian Roman Empire Migrating Tales brings the history of Judaism and Jewish culture into the ambit of the ancient world as a whole *The T&T Clark Companion to Augustine and Modern Theology* C.C.
