Sergeant Lamb Of The Ninth:

Sergeant Lamb of the Ninth Robert Graves,1940 **Sergeant Lamb of the Ninth** Robert Graves,1999 The life of Sergeant Roger Lamb a young Dubliner who had served the Royal Welsh Fusiliers during the American War of Independence was the subject of a novelistic enterprise originally published in two parts because of war time paper shortages The final result is a pair of picaresque novels concerned with the passions and frustrations of a distant war which mirrored many of Graves own feelings for World War II which was happening around him As an account of the struggle for independence the horrors and excitements of war the two novels were well reviewed and popular when published in the early 1940s This chance to have both parts of what Graves considered to be a single project in one volume offers the opportunity of access to a literary and historical creation which both opens up the world of the American War of Independence and the creative life and mind of a great writer of the 20th century **Sergeant Lamb of the Ninth** Robert Graves,Fred H. and Jeannette Higginson Robert Graves Collection,1961

Sergeant Lamb's America Robert Graves,2014-03-06 The author of *I Claudius* recounts in faithful and nicely atmospheric detail the story of a British soldier during the American Revolution The Philadelphia Inquirer The first in a two book series *Sergeant Lamb's America* tells the story of Sgt Roger Lamb an Irish soldier who served on the British side during the American War of Independence Based on real historical events and people Sergeant Lamb recounts the British defeat and the capture of his unit at the Battle of Saratoga in a voice that is both funny insightful and wise This fictionalized account is based on the journals of the historical Sergeant Roger Lamb and is largely faithful to the true eyewitness account of the American Revolution told from the loser's perspective With his engaging personable voice and basic decency of character Sergeant Lamb reminds us that regardless of how history casts the British side there were good men on both sides of this important conflict It is a historical novel for which one has a very real respect The New York Times

Women, Families and the British Army 1700-1880 Jennine Hurl-Eamon,Lynn MacKay,2020-03-10 This series concentrates on women and the soldiers in the ranks whose lives they shared assembling a wide body of evidence of their romantic entanglements and domestic concerns The new military history of recent decades has demanded a broadening of the source base beyond elite accounts or those that concentrate solely on battlefield experiences Armies did not operate in isolation and men's family ties influenced the course of events in a variety of ways Campfollowing women and children occupied a liminal space in campaign life Those who travelled on the strength of the army received rations in return for providing services such as laundry and nursing but they could also be grouped with prostitutes and condemned as a burden by officers Parents wives and offspring left behind at home remained in soldiers thoughts despite an army culture aimed at replacing kin with regimental ties Soldiers families suffering both on the march and back in Britain attracted public attention at key points in this period as well This series provides for the first time in one place a wide body of texts relating to common soldiers personal lives the women with whom they became involved their children and the families who cared for them It

brings hitherto unpublished material into print for the first time and resurrects accounts that have not been in wide circulation since the nineteenth century The collection combines the observations of officers government officials and others with memoirs and letters from men in the ranks and from the women themselves It draws extensively on press accounts especially in the nineteenth century It also demonstrates the value of using literary depictions alongside the letters diaries memoirs and war office papers that form the traditional source base of military historians This first volume covers the period up to the outbreak of war with revolutionary France

Irish Literature Mary Ketsin, 2004 Irish literature's roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett

Servilia and her Family Susan Treggiari, 2019-01-03 Servilia is often cited as one of the most influential women of the late Roman Republic Though she was a high born patrician her grandfather died disgraced and her controversial father was killed before he could stand for the consulship she herself married twice but both husbands were mediocre Nevertheless her position in the ruling class still afforded her significant social and political power and it is likely that she masterminded the distinguished marriages of her one son Brutus and her three daughters During her second marriage she began an affair with Iulius Caesar which probably lasted for the rest of his life and is further indicative of the force of her charm and her exceptional intelligence The patchiness of the sources means that a full biography is impossible though in suggesting connections between the available evidence and the speculative possibilities open to women of Servilia's status this volume aims to offer an insightful reconstruction of her life and position both as a member of the senatorial nobility and within her extended and nuclear family The best attested period of Servilia's life for which the chief source is Cicero's letters follows the murder of Caesar by her son and her son in law Cassius who were leaders among the crowd of conspirators in the Senate House on the Ides of March in 44 BC We find her energetically working to protect the assassins interests also defending her grandchildren by the Caesarian Lepidus when he was declared a public enemy and his property threatened with confiscation Exploring the role she played during these turbulent years of the late Republic reveals much about the ways in which Romans of both sexes exerted influence and sought to control outcomes as well as about the place of women in high society allowing us to conclude that Servilia wielded her social and political power effectively though with discretion and within conventional limits

Handbook of British Literature and Culture of the First World War Ralf Schneider, Jane Potter, 2021-09-20 The First World War has given rise to a multifaceted cultural production like no other historical event This handbook surveys British literature and film about the war from 1914 until today The continuing interest in World War I highlights the interdependence of war experience the imaginative re creation of that experience in writing and individual as well as

collective memory In the first part of the handbook the major genres of war writing and film are addressed including of course poetry and the novel but also the short story furthermore it is shown how our conception of the Great War is broadened when looked at from the perspective of gender studies and post colonial criticism The chapters in the second part present close readings of important contributions to the literary and filmic representation of World War I in Great Britain All in all the contributions demonstrate how the opposing forces of focusing and canon formation on the one hand and broadening and revision of the canon on the other have characterised British literature and culture of the First World War

On to Panama Stephen Kinnaman, 2010-03 It is the year before the Spanish Armada Prince Michael an English gentleman adventurer and his flotilla have been ignominiously smashed by the Spanish while attempting to seize the Panamanian treasure port of Nombre de Dios It s the most decisive naval defeat the English have ever suffered at the hands of the Spanish Even worse Michael is taken prisoner As a political pawn in the struggle between Elizabeth and Philip Protestant versus Catholic the consequences of his capture may prove catastrophic for England Enter Lionel Oakely Devon mariner and corsair Oakely is readying his ships for a raid on Spanish shipping Frustrated by problems financing his expedition and by his mistress desire to lead him to the altar Oakely s worries are suddenly dwarfed by an unexpected appeal A late night visit from Oakely s old friend at the Admiralty Lord Mansfield reveals the queen has demanded that Prince Michael be rescued And Oakely and his men poised and ready to sail are best placed to do the job Will Oakely go Knowing that Mansfield and England expect him to do his duty Oakely accepts the commission and with it staggering risks Oakely s ships promptly sail for the West Indies Now saddled with the queen s representative Admiral de Villiers Oakely senses something mysterious is dogging the voyage And once in the Caribbean de Villiers foolishness causes Oakely s fleet to be surprised by a Spanish squadron Oakely survives but only with his smallest ship and de Villiers after fleeing from the battle has apparently slunk back to England What treachery has de Villiers wrought And what should Oakely do now He chooses to press on to Panama and to fulfill his pledge to Mansfield and the queen And so Lionel Oakely s adventure begins Stephen Kinnaman is an offshore and marine technology professional with over thirtyfive years of experience He was born in 1950 and grew up in upstate New York and New Jersey He and his wife Maureen currently reside in Chappell Hill Texas In preparation for writing his books Stephen Kinnaman visited the principal locations touched by his characters and their stories His nautical background and pains taking historical research have given him the ability to craft a spirited story of the sea and the men who sailed to glory Cover Art The Author Cover Design Maureen Carroll Katherine Bolding *Catalogue of Copyright Entries* Library of Congress. Copyright Office, 1941 **The Penguin Modern Classics Book** Henry Eliot, 2021-11-18 The essential guide to twentieth century literature around the world For six decades the Penguin Modern Classics series has been an era defining ever evolving series of books encompassing works by modernist pioneers avant garde iconoclasts radical visionaries and timeless storytellers This reader s companion showcases every title published in the series so far with more than 1 800 books

and 600 authors from Achebe and Adonis to Zamyatin and Zweig It is the essential guide to twentieth century literature around the world and the companion volume to The Penguin Classics Book Bursting with lively descriptions surprising reading lists key literary movements and over two thousand cover images The Penguin Modern Classics Book is an invitation to dive in and explore the greatest literature of the last hundred years Little, Brown Book of Anecdotes Clifton Fadiman,2009-10-31 Fadiman may do for the anecdote what Bartlett did for the quotation A thoroughly entertaining and useful reference source School Library Journal Along with an introduction an index of themes and a bibliography this A to Z collection includes anecdotes about over two thousand famous people from Alexander the Great to Muhammad Ali An enjoyable journey through history and popular culture it offers a blend of biographical tidbits with words of wisdom and just plain funny stories Tailor made for speech writers in search of the right story for a special occasion or for those who enjoy browsing among quotes from our brightest wordsmiths People

Robert Graves and the Classical Tradition Alisdair G. Gibson,2015 The poet Robert Graves use of material from classical sources has been contentious to scholars for many years with a number of classicists baulking at his interpretation of myth and his novelization of history and questioning its academic value This collection of essays provides the latest scholarship on Graves historical fiction for example in I Claudius and Count Belisarius and his use of mythical figures in his poetry as well as an examination of his controversial retelling of the Greek Myths The essays explore Graves unique perspective and expand our understanding of his works within their original context while at the same time considering their relevance in how we comprehend the ancient world *Books and Pamphlets, Including Serials and Contributions to Periodicals* Library of Congress. Proceed, Sergeant Lamb Robert Graves,2014-03-06 The author of Sergeant Lamb s America continues the fictionalized account of an Irish soldier fighting for

the British during the Revolutionary War This is the second in a two book series telling the story of Sgt Roger Lamb a non commissioned officer in the British Army who served in America during the American War of Independence Captured with Gen Johnny Burgoyne after the Battle of Saratoga he made a daring escape and later served under General Cornwallis Following closely to Sergeant Lamb s personal memoirs renowned poet classicist and novelist Robert Graves traces the sergeant s harrowing time in the service providing a compelling only barely fictionalized eyewitness account of a crucial point in American history

Fadó Rónán Gearóid Ó Domhnaill,2013-11-01 With Fad long forgotten about episodes from Irish history are presented in easy to follow short chapters Who was Crom Cruach and what are Holy Wells Who were the priest catchers and why were corpses stolen How did a Cork woman become a feared pirate of the Caribbean and why is William Melville not loved by all in his native county For such a small island Ireland has history and archaeology in abundance and much of this is often only known to people in the locality The author has travelled the island extensively and researched long forgotten characters and events some of whom are stranger than fiction Irish men and women of all hues and generations are examined here as the reader is guided through a land of heroes and villains saints and scholars pestilence and prosperity Fad is a book that can be read with ease and the author s passion for his subject is infectious It is a must read for anyone interested in Irish history

The Greek Myths Robert Graves,2012-04-24 Robert Graves classicist poet and unorthodox critic retells the Greek legends of gods and heroes for a modern audience And in the two volumes of The Greek Myths he demonstrates with a dazzling display of relevant knowledge that Greek Mythology is no more mysterious in content than are modern election cartoons His work covers in nearly two hundred sections the creation myths the legends of the births and lives of the great Olympians the Theseus Oedipus and Heracles cycles the Argonaut voyage the tale of Troy and much more All the scattered elements of each myth have been assembled into a harmonious narrative and many variants are recorded which may help to determine its ritual or historical meaning Full references to the classical sources and copious indexes make the book as valuable to the scholar as to the general reader and a full commentary on each myth explains and interprets the classical version in the light of today s archaeological and anthropological knowledge
