Serving Gay And Lesbian Youths The Role Of Child Welfare Agencies

Jama Shelton, Gerald P. Mallon

Serving Gay And Lesbian Youths The Role Of Child Welfare Agencies:

Serving Gay & Lesbian Youths Child Welfare League of America, 1991 Child welfare agencies and their staff members have often been handicapped in their ability to properly meet the needs of this client group In this report you ll find a review of research a discussion of the barriers to providing quality services issues agencies may encounter and recommendations for advancing administrative policy practice and advocacy

Child Welfare for the Twenty-first Century Gerald P. Mallon, Peg McCartt Hess, 2014-02-18 The Adoption and Safe Families Act ASFA which became law in 1997 elicited a major shift in federal policy and thinking toward child welfare emphasizing children s safety permanency and well being over preserving their biological ties at all costs The first edition of this volume was the earliest major social work textbook to map the field of child welfare after ASFA s passage detailing the practices policies programs and research affected by the legislation s new attitude toward care This second edition highlights the continuously changing child welfare climate in the U S including content on the Fostering Connections Act of 2008 Gerald P Mallon and Peg McCartt Hess have updated the text throughout drawing from real world case examples using data obtained from the national Child and Family Services Reviews and emerging empirically based practices They have also added chapters addressing child welfare workforce issues supervision and research and evaluation Divided into four sections child and adolescent well being child and adolescent safety permanency for children and adolescents and systemic issues within services policies and programs this newly edited volume provides a current understanding of family support and child protective services risk assessment substance and sexual abuse issues domestic violence issues guardianship reunification kinship and foster family care adoption and transitional living programs Recognized scholars practitioners and policy makers also discuss meaningful engagement with families particularly Latino families health care for children and youth including mental health care effective practices with LGBT youth and their families placement stability foster parent recruitment and retention and the challenges of working with immigrant children youth and families

Helping Gay and Lesbian Youth Teresa Decrescenzo, 2014-01-02 This pioneering book brings together for the first time the most up to date information and thought on gay and lesbian youth in America Gay adolescents need much more attention than they have been getting from social service providers and social workers have an ethical obligation to try to meet the service needs of this population Helping Gay and Lesbian Youth is rich with insight into how gay and lesbian adolescents develop and learn to cope with the problems attendant on growing up different Shedding new light on this previously underdefined and underserved population the book addresses social policy issues as well as practical hands on counseling issues and presents a state of the art look at the literature to date As gay and lesbian youth come out at younger and younger ages it will be necessary for agencies to do more long range planning as to how best to meet these adolescents different needs Helping Gay and Lesbian Youth alerts agencies that not only are these youth among their target population but they require special services Throughout this book readers can see the importance

of long range planning to meet the service delivery needs of gay adolescents and also the merits of recruiting more gay and lesbian staff to help in policy development and program design Specific topics related to gay and lesbian adolescents that the book addresses are legal issues analyzes the feasibility of minor youth to become empowered through the court and legal systems suicide challenges previously held beliefs about the suicidality of this group and calls for funding for major research in this area social policy traces the history of policies typically guiding actions on behalf of gay and lesbian youth and offers guidelines for significant changes in the policy arena development traces the developmental stages of gay and lesbian youth to navigate adulthood successfully service organizations lays out models for developing programs throughout the country HIV assesses levels of risk of HIV infection for this population and describes ways to avoid it Readership should be widespread and varied and include parents trying to understand their gay child counselors who work with families children or adolescents youth workers and child care staff foster parents individuals working in group homes residential treatment centers and psychiatric hospitals and instructors and students in counseling social work psychology child development and law

Lesbians, Gays, and the Empowerment Perspective Carol T. Tully, 2000-07-03 The most comprehensive resource to date on the methods of empowerment with lesbian and gay clients this book explores the history and politics of gay identity and explains the basis and development of the empowerment approach in social work practice in the United States After analyzing the different types of homophobia individual institutional and internalized and how these are manifested in real life situations Tully addresses the special needs and issues particular to three age groups gay and lesbian youth adults and older clients The author offers practical applications for the social worker and client at the micro mezzo and macro levels from helping a teenage client to discover a personal sexual orientation micro to organizing a social event for lesbians and gays mezzo to building a community coalition macro Eye opening case studies are provided for each age group and cover everything from defining problems identifying the underlying issues causing them understanding the role of homophobia and the application of the empowerment perspective

The Child Welfare Challenge , 2017-07-28 This newly revised and updated edition of a widely adopted text continues to address a broad array of issues in supporting children and strengthening families It includes key information about federal legislation as well as policy related outcomes research in child welfare The first edition of The Child Welfare Challenge was hailed by Social Work as an excellent source from which to gain an in depth understanding of the practice and policy dimensions of child maltreatment foster care and adoption and by the Journal of Sociology and Social Welfare as essential reading for anyone interested in knowing more about child welfare practice in social work Within a historical and contemporary context this book examines major policy practice and research issues as they jointly shape current child welfare practice and possible future directions In addition to describing the major challenges facing the child welfare field the book highlights some of the service innovations that have been developed as these could be used to help address some of these challenges In child welfare the focus is on families and children whose

primary recourse to services has been through publicly funded agencies The contributors consider historical areas of service foster care and adoptions in home family centered services child protective services and residential services in which social work has a legitimate long standing and important mission This is a comprehensive book but one that appreciates the fact that many areas such as daycare and early intervention invite exploration It is unique in that each chapter describes how policy initiatives and research can or should influence program design and implementation **Colorado's Children** ,1982

The Challenge of Permanency Planning in a Multicultural Society Gary R. Anderson,Bogart R. Leashore,1997 Explains to child welfare workers supervisors trainers and program managers the importance of cultural knowledge sensitivity and skill for putting permanency and stability into the lives of at risk children Considers the role of culture in a family s life and how to use that understanding to prevent unnecessary out of home placements judge when the time is right to reunify parents and children and determine when adoption is the best choice Paper edition 0302 3 19 95 Also published as the Journal of Multicultural Social Work v 5 nos 1 2 3 4 1997 Annotation copyrighted by Book News Inc Portland OR **Benefitting by Design** Arlene E. Edwards,Chemba Raghavan,Kim Marie Vaz,2009-01-14 The presence of women of color within the practical applications of social science research findings is severely limited since spaces where and when women of color enter the arenas of research methodology research question and intervention design and knowledge generation is often that of the other Benefitting by Design addresses this limitation It does so by locating the experience and knowledge of women of color as its central theme with sections of the text referring to emerging trends that attend to the need for greater representation of women of color in research and academic settings A key theme is the dislodging of currently accepted positions for the experience of women of color as marginalized and subsumed under normative modes of examination to central positions in areas of social science research and clinical practice This is in response to the typical assumption of the need to fix women of color be it based on their immigration status sexual orientation race culture class or spiritual practice Benefitting By Design attends to the salient contexts of the lives of women of color from an emic perspective by providing models for addressing the limitations that result from exclusion and strategies for centering the experiential knowledge of women of color in social science research and practice that is designed for their benefit *Evaluation in Child and Family Services* Tiziano Vecchiato,Anthony N. Maluccio,Cinzia Canali, As child and family interventions assume greater international application it will be helpful to examine the various ways in which service innovations are being evaluated As demonstrated in the seminar from which these chapters resulted only by sharing our specific professional interests our too frequent problems in measurement our despair in implementing complicated studies and our successes can we advance the evaluation of human services and their outcomes This volume considers a variety of programs and issues in the field of child and family services While different perspectives are evident among the authors in terms of their focus and or emphasis there is common concern about the value of examining each program or service so as to maximize its impact as well as its potential for

dissemination Intervention research should spur and motivate cross national efforts not only among researchers but also among social workers and other practitioners from diverse professions engaged in the delivery of human services Such collaboration would contribute to the ultimate goals of achieving greater clarity about the specifics of best practices in child and family services protocols for assessing outcomes and ways of improving service delivery How then can researchers and policymakers in diverse settings within diverse countries improve practice and service delivery on behalf of children and families What particular program findings can be generalized to improve services How can we share and implement new solutions The contributions to this volume address such questions from varying international perspectives Contributors provide answers and generate discussion points for consideration by practitioners as well as researchers The book is a must for social work parishioners in areas involving the delivery of goods as well as services Tiziano Vecchiato is scientific director of the Fondazione Emanuela Zancan Padua Italy Anthony N Maluccio is professor of social work at Boston College Graduate School of Social Work Chestnut Hill Massachusetts Cinzia Canali is research associate at the Fondazione Emanuela Zancan Padua Italy Social Work Practice with Transgender and Gender Expansive Youth Jama Shelton, Gerald P.

Dowd, 2011 Children and youth become involved with the juvenile justice system at a significant rate While some children move just as quickly out of the system and go on to live productive lives as adults other children become enmeshed in the system developing deeper problems and or transferring into the adult criminal justice system Justice for Kids is a volume of work by leading academics and activists that focuses on ways to intervene at the earliest possible point to rehabilitate and redirect to keep kids out of the system rather than to punish and drive kids deeper Justice for Kids presents a compelling argument for rethinking and restructuring the juvenile justice system as we know it This unique collection explores the system's fault lines with respect to all children and focuses in particular on issues of race gender and sexual orientation that skew the system Most importantly it provides specific program initiatives that offer alternatives to our thinking about prevention and deterrence with an ultimate focus on keeping kids out of the system altogether **Youth in the Margins** Colleen Sullivan, 2001 *Violence Against LGBTQ+ Persons* Emily M. Lund, Claire Burgess, Andy J. Johnson, 2020-11-09 As violence against LGBTQ persons continues to be a pervasive and serious problem this book aims to inform mental health providers about the unique needs of LGBTQ survivors of interpersonal and structural violence Individual chapters analyze unique aspects of violence against specific subpopulations of LGBTQ persons in order to avoid ineffective and sometimes simplistic one size fits all treatment strategies Among the topics covered Macro Level Advocacy for Mental Health Professionals Promoting Social Justice for LGBTQ Survivors of Interpersonal Violence Intimate Partner Violence in Women's Same Sex Relationships Violence Against Asexual Persons Invisibility and Trauma in the Intersex Community Sexual and Gender Minority Refugees and Asylum Seekers An Arduous Journey Sexual and Gender Minority Marginalization in Military Contexts Navigating Potentially Traumatic Conservative Religious Environments as a Sexual Gender Minority Violence Against LGBTQ Persons prepares mental health professionals for addressing internalized forms of prejudice and oppression that exacerbate the trauma of the survivor in order to facilitate healing empowerment healthy relationships and resilience at the intersection of sexual orientation gender identity gender expression and diverse social locations This is a valuable reference for psychologists social workers counselors nurses mental health professionals and graduate students regardless of whether they are preparing for general practice treatment of LGBTQ clients or treatment of survivors and perpetrators of various forms of violence **Social Policy and Social Change** Jillian Jimenez, Eileen Mayers Pasztor, Ruth M. Chambers, Cheryl Pearlman Fujii, 2014-02-26 The Second Edition of Social Policy and Social Change is a timely examination of the field unique in its inclusion of both a historical analysis of problems and policy and an exploration of how capitalism and the market economy have contributed to them The New Edition of this seminal text examines issues of discrimination health care housing income and child welfare and considers the policies that strive to improve them With a focus on how domestic social policies can be transformed to promote social justice for all groups Jimenez et al consider the impact of globalization in the United States while addressing developing concerns now emerging in the global village **Social Services with**

Transgendered Youth Gerald P. Mallon, 2009-05-07 Through personal narratives and case studies this fully updated second edition explores the childhood and adolescent experiences of transgendered persons Addressing the differences between male to female MTF and female to male FTM individuals and identifying the specific challenges of transgender persons from diverse races cultures and religious backgrounds this compelling book offers suggestions that will help social workers and the youths families learn more about the reality of transgender persons lives Some of the areas discussed include individual practice group work practice family centered practice internal and external stress factors a new discussion of the legal issues that trans and gender variant youth face a new chapter on focusing on a recommendations for clinical treatment Containing invaluable information on a topic that is not widely discussed or written about the second edition of Social Work Practice with Transgender and Gender Variant Youth discredits negative stereotypes surrounding these youths and offers you insight into their experiences Additionally the chapters openly address questions that practitioners may have about gender identity as well as offer concrete and practical recommendations about competent and positive practice with this population It will interest academics and social service practitioners seeking to know more and work effectively with transgender and gender variant youth

Let's Get this Straight Gerald P. Mallon, 1999 Using an ecological perspective to highlight five principle areas of child welfare Mallon discusses each in terms of how they pertain to individuals and families whose lives are effected by issues of sexual orientation Let s Get This Straight uncovers and challenges the pervasive incidence of heterocentrism within the social work profession drawing upon case studies and in depth interviews to illustrate the degree to which myths and stereotypes about gay and lesbian youth detrimentally affect those most in need of assistance
