**Intercultural Discipleship (Encountering Mission)** W. Jay Moon, 2017-12-05 This addition to an acclaimed series brings cutting-edge research to bear on a topic of perennial interest: making disciples. The book looks at disciple-making from multiple cultures to help readers discover contextual approaches that are culturally relevant and biblically faithful. It emphasizes methods that are especially effective with contemporary converts and includes practical examples from around the world. Each chapter includes sidebars, discussion questions, an activity for discipling, and a case study. An appendix contains further suggestions and exercises for instructors.

**Creative Bible Lessons on the Prophets** Crystal Kirgiss, 2009-08-30 12 insightful sessions on the prophets for youth workers, small group leaders, and Sunday school teachers. These 12 insightful sessions delve into the lives and missions of Old Testament prophets in ways that will pique kids' interest and imagination. Students will learn about ordinary individuals with evergreen, extraordinary messages about faithfulness, idolatry, self-centeredness, integrity, passionate faith, knowledge of God, a just society, and God's mighty hand in the history of all humankind. The prophets offer 2 indispensable gifts to teenagers: a window into the heart and mind of God and a recurring reminder that human beings matter immeasurably to God. The prophets talk to God and to people. But best of all, God responds. He speaks to people and to teenagers today.

**Creative Bible Lessons in Revelation** Randy Southern, 2009-08-08 Was the book of Revelation penned by the crazy uncle in the family of Bible writers? You try to convince yourself that the apostle John is just another New Testament writer: kindly, gentle, loving. You know, normal. But he's just so weird. Most of the time you have no idea what John is talking about in his revelation. When you must interact with his wild, otherworldly book, you escape as soon as you can to familiar, saner Bible texts. Like Matthew's Gospel or one of Paul's letters, after all, they straight up tell you what Jesus did and what you should do. Yet *Creative Bible Lessons in Revelation* will quickly convince you and your students that St. John wasn't so much a crazy guy as he was a visionary, inspirational, and worshipful guy. And you don't have to subscribe to any pre- or post-eschatology theory in order to learn all sorts of good stuff from the apostle. So while these 12 sessions complete and ready to teach won't help your students identify who the antichrist is or give them the coordinates of Armageddon's opening salvos, they will, however, acquaint your youth group with the mysterious nature of Revelation, then demonstrate how these apocalyptic principles actually provide practical application for us today. Here's what's inside every session: Detailed overviews for clear, convenient prepping; Intriguing activities and games with a

point that introduce that session's topic Hardcore Bible studies and provocative questions that trigger dialogue in both large and small groups Application exercises that translate John's visions into practical attainable actions and attitudes for students' daily lives Plus you'll get these bonuses Let's Get Theological lite intros to the various interpretations of the reactions to the events Revelation predicts More More More helpful supplements to activities and discussions Worthy of Worship top drawer suggestions for turning ordinary youth meetings into extraordinary times of praising God Questions about the future lurk in everyone's minds especially in the minds of teenagers Now is your chance to explore the book of Revelation with your students to glimpse at the never ending worship to come to grab hold of God's promises and his mercy and to bring some ease to troubled hearts
