Discipleship is a universal experience all human beings share. In our lifetime, each of us has had a mentor, tutor, teacher, or role model, someone we admired, respected, and followed. As the central character in the Bible, the world's best-selling book, Jesus is known and revered the world over. What would it be like to be mentored by such an individual? Of course, we can follow the accounts of the historical Jesus and his disciples in the gospels, but what would it mean to be discipled by a contemporary twenty-first-century Jesus? While people across the world claim to follow Jesus, what would it mean to live in the modern world guided by a modern Jesus? On religious issues such as faith, God, and scripture, and on social issues such as poverty, healthcare, social justice, political reform, and caring for the environment. A good place to begin is with compassion for Christianity, and compassion are largely linked. To be apprenticed to Jesus is to follow one whose profound love for the hungry, sick, and dying inspired more compassion than any single person, movement, or force in history. Addressing discipleship as a priority in our lives, *Radical Discipleship* illustrates its subject with stories and accounts of ordinary Christians living out their discipleship in authentic and inspiring ways. Useful for individual or group study, this volume serves as a resource for people seeking tools necessary to fulfill Jesus' vision for a more vibrant and equitable world, one in which every human being can thrive. **Soul to Soul**
