*Serving God and Country* Lyle W. Dorsett,2013-05-07 In World War II more than twelve thousand Protestant ministers Catholic priests and Jewish rabbis joined the Chaplain Corps They were men of faith under fire And they would charge straight into Hell to save the soul of a single soldier Representing America s three major religious traditions volunteers from across the country enlisted as noncombatant commissioned officers to provide spiritual strength and guidance for those fighting men who never knew if they were going to survive Armed only with Bibles Torahs and the tools of their holy trade these men of God went wherever the troops went They prayed over men about to go into combat on land at sea and in the air

And most important and difficult of all they guided fallen fighting men of every faith as they breathed their last and gave up their lives in the fight against tyranny These are the personal stories of some of the bravest and most selfless men who served with the armed forces Many lost their lives or suffered debilitating wounds as they strived to keep the military personnel spiritually awake morally fit and prepared to make the journey from this world to the next without fear or despair and with the trust of the Almighty in their hearts INCLUDES PHOTOGRAPHS **How To Build A Winning Team. Serve God, Save the Planet J. Matthew Sleeth,2007 J Matthew Sleeth was living the American dream as a medical chief of staff until the increasing number of chronic illnesses he was witnessing gave him a new environmental awareness In this book Sleeth shares his family's journey to simplicity stronger relationships and richer spiritual lives and relates a prescription for sustainable living Serving God Wholeheartedly Rev. Betty Prempeh Twimasi,2019-09-09 We are in a time and dispensation where we may be familiarized with the saying serve the Lord wholeheartedly But there is a lot of blessings hidden in the Lord should we serve Him with all that is in us That is the main aim of this book We are made to know how we could serve the Lord wholeheartedly and give ourselves the process to grow in the Lord Serving the Lord Wholeheartedly is a book worth reading and you would want to give yourself the treat of enlarging your scope on this less spoken of area of the church Not serving God wholeheartedly connotes unintelligence on our part and when we understand the word of God this becomes an easier task to pursue I have a role you have a role and quite interestingly God smiles when we obey Him in service **Serving God with Style** Ronald C. Williams,2002-05-01 Every church is driven by its faith in God and seeks to grow that faith by guiding its members toward fruitful ministry But in the face of accelerating change congregations often find themselves spinning their wheels exerting great amounts of energy to little effect the faith is willing but faced with uncertainties the results are weak How can faith be transformed into productive ministry Ron Williams a recognized expert in ministry organization and development has observed that as individuals better understand their own behavioral tendencies when dealing with uncertainties and exercising their faith styles the more intentional and thus more productive they will be To that end Williams has created the Servant Resource Faith Style Inventory that congregations can use as a tool in training ministry volunteers developing ministry teams educating ministry leaders developing Christ centered work ethic training

empowering Christians in the secular workplace and other ministry development interventions Deeply informed by evangelical faith yet useful in a broad variety of ministry settings and traditions the Inventory provides a useful instrument for congregations which have found that other self evaluation tools borrowed from secular sources do not meet the particular needs of Christian churches Dynamic and personal in tone and faith based in the deepest sense Serving God with Style will help every congregation enhance ministry effectiveness for the glory of God Am I Righteous Enough to Serve God?: Living in the Shadows of His Grace Dr. John L. Clinton, Jr.,2010-02-12 **Holman New Testament Commentary - Luke** Trent C. Butler,2000-05-01 One in a series of twelve New Testament verse by verse commentary books edited by Max Anders Includes discussion starters teaching plan and more Great for lay teachers and pastors alike *FREE to SERVE, God's Liberated Woman* Jennifer Wallace,2006 **Serve God with Gladness** David Philippart,1998-03 The author is a veteran server who began serving when he was in the fourth grade His expertise on church environment is reflected in clear discussions of the church building and of poking around in the nooks and crannies of the sacristy In true workbook style many pages have sections to fill in and activities to do Artwork photographs and diagrams illustrate actions and movement clearly Vocabulary words are indicated in bold type and their definitions can be found in the glossary in the back of the book Quantity pricing makes it possible for you to buy each server his or her own copy *A Brotherhood of Canons Serving God* David Lepine,1995 A study of the lives of cathedral clergy in the middle ages **Wisdom Heart to Serve God** JOYCE OHENE-AMOA,2012-05-30 This book emphasizes the fact that a true faith in God can be accompanied through good works and wisdom heart from above Let me point out that goods works do not prove a person s belief in God or relationship with Him but having faith and a wisdom heart always leads to good works Faith and a wisdom heart have to come first because when good works are done with wisdom heart from God God always gets the glory Every step in our lives is for the purpose of drawing us closer conforming us to the image of Christ Hardship is the tool which seems to best accomplish this goal We all might prefer that God would shape us through praise and blessings but we seem to respond best to hardship It all part of the processes to grow in the Lord It is hardship which reminds us of our dependence on God when we ve begun to trust in our own abilities and understanding It s hardship which brings us back to our knees in prayer after long seasons of silence Its hardship which develops the character of a mature believer remember James said Consider it pure joy my brothers whenever you face trials of many kinds because you know that the testing of your faith develops perseverance Perseverance must finish its work so that you may be mature and complete not lacking anything James 1 2 4 As difficult as this truth may be to accept and understand part of God s plan is for us to experience some hardship Not all hardship can be said to come from God but in our lost and fallen world where we come to God filled with pride and arrogance hardship is often the only way to humble our spirit and soften our heart Our Heavenly Father loves us enough to do whatever it takes to draw us closer to His side even when this means being strengthened by hardship Watch out for the Part II of this book MY GOD MY LIFE Coming out soon
