The commentary and the sublime poetry that inspired them form what is presented here as the complete *Spiritual Canticle*. **The history of West street Episcopal chapel, London; with sermons and sketches of sermons preached therein** Robert William Dibdin, 1862 **Hasidism, Suffering, and Renewal** Don Seeman, Daniel Reiser, Ariel Evan Mayse, 2021-06-01 Kalonymus Kalman Shapira 1889-1943 was a remarkable Hasidic mystic leader and educator. He confronted the secularization and dislocation of Polish Jews after World War I, the failure of the traditional educational system and the devastation of the Holocaust in which he lost all his close family and eventually his own life. Thanks to a new critical edition of his Warsaw Ghetto sermons, scholars have begun to reassess the relationship between Shapira's literary and educational attainments, his prewar mysticism and his Holocaust experience and to reexamine the question of faith or its collapse in the Warsaw Ghetto. This interdisciplinary volume, the first such work devoted to a twentieth-century Hasidic leader, integrates social and intellectual history along with theological, literary and anthropological analyses of Shapira's legacy. It raises theoretical and methodological questions related to the study of Jewish thought and mysticism but also contributes to contemporary conversations about topics such as spiritual renewal and radical religious experience, the literature of suffering and perhaps most pressingly the question of faith and meaning or their rupture in the wake of genocide. **The Beauty and Glory of the Holy Spirit** Joel R.
