Reading between Designs Piers D. Britton, Simon J. Barker, 2010-01-01 From the alien worlds of Star Trek to the realistic operating room of ER the design of sets and costumes contributes not only to the look and mood of television shows but even more importantly to the creation of memorable characters Yet until now this crucial aspect of television creativity has received little critical attention despite the ongoing interest in production design within the closely allied discipline of film studies In this book Piers Britton and Simon Barker offer a first analytical study of scenic and costume design for television drama series They focus on three enduringly popular series of the 1960s The Avengers The Prisoner and Doctor Who and discuss such topics as the sartorial image of Steed in The Avengers the juxtaposition of picturesque and fascistic architecture in The Prisoner and the evolution of the high tech interior of Doctor Who's TARDIS Interviews with the series original designers and reproductions of their original drawings complement the authors analysis which sheds new light on a variety of issues from the discourse of fashion to that of the heritage industry notions of Pop and retro and the cultural preoccupation with realism and virtual reality

Lubin, 2025-08-12 For readers of Sam Wasson and Glenn Frankel a cultural history about the making and lasting significance of *Sunset Boulevard* whose piercing and in many ways prophetic critiques of fame continue to resonate today Great films are born of great collaborations and *Sunset Boulevard* represents one of the most extraordinary confluences of cinematic talent in film history but its production was surprisingly fraught filled with unexpected twists Why was William Holden who had never caught fire as a leading man hired to play Joe Gillis after the fastest rising star in the business dropped out at the last minute After Mae West and Mary Pickford turned down the now iconic role of Norma Desmond how did Billy Wilder convince Gloria Swanson who had long been absent from Hollywood at this point to leave her low paying job as a TV talk show host to join the cast From the writers room during Billy Wilder and Charles Brackett's final collaboration to the moment when the film won three Academy Awards scholar and former Rolling Stone staffer David M Lubin takes readers on a fascinating journey through film history that proves once and for all why *Sunset Boulevard* is one of the most iconic films in cinematic history Just in time for the film's 75th anniversary *Ready for My Closeup* breathes life into a beloved masterpiece of American cinema **Screen Interiors** Pat Kirkham, Sarah A.
