Setting The Lawn On Fire:

Setting the Lawn on Fire Mack Friedman, 2005-10-26 Setting the Lawn on Fire the first novel by critically acclaimed writer Mack Friedman trails its narrator through his obsessions with sex drugs art and poison Ivan a young Jewish boy from Milwaukee embarks on a journey of sexual discovery that leads him from Wisconsin to Alaska Philadelphia and Mexico through stints as a fishery worker artist and finally a hustler who learns to provide the blank canvas for other people's dreams The result is a new kind of coming of age story that sees passion from every angle because its protagonist is every kind of lover the seducer and the seduced the pornographer and the model the hunter and the prey the trick and the john In the end Setting the Lawn on Fire is also something rare a fully realized contemporary romance that illuminates the power of desire and the rituals of the body the brain and the heart that attempt to contain our passions *A Rhinestone Button* Gail Anderson-Dargatz, 2011-11-02 Gail Anderson Dargatz the acclaimed and bestselling author of *The Cure for Death by Lightning* and *A Recipe for Bees* brings readers once again into the heart of rural Canada with *A Rhinestone Button* As funny as it is tender it is a novel full of true to life characters natural wonder and sweet surprises Despite growing up in the small farming town of Godsfinger Alberta Job Sunstrum was always a bit of an outsider A thin young man with blond curly hair he loved baking and cooking and certainly did not fit in with the rough and tumble farm boys around town Even when Job takes over the farm after his father's death and his brother's departure to train as a pastor his community remains his animals and perhaps the church women with whom he shares his baking on Sundays Lonely beyond belief overwhelmed by religious guilt and taut with fear at the thought of what life might have in store for him Job can only turn to God and hope that someday things will turn around Only his synesthesia his ability to see sounds as colours and feel vibrations as solid forms provides him with passing moments of solace but it also reaffirms for him that he experiences the world in a way the other people of Godsfinger could not possibly understand Then one year Job's tightly coiled life begins to fall apart and even the small sureties that got him through the days are torn away from him The colours even disappear from sounds Faced with change on every level and not knowing how to live outside the world he was brought up in Job allows himself to be caught up in the Pentecostal drive of a preacher named Jack Divine in hopes that clinging to his beliefs proving his faith and doing what others expect of him will make everything all right But when his new found religious fervour only accelerates his despair and his world continues to crumble Job is surprised to find that true faith can be found in earthly experiences and come from the most unlikely of sources That a world without the familiar colours and shapes of sound is not half heard as he feared but freed to break out in song Like Anderson Dargatz's previous novels *A Rhinestone Button* is a loving and magical portrait of small town life that makes us question what we believe is real and true **Set the Night on Fire** Mike Davis, Jon Wiener, 2021-04-13 Los Angeles Times Bestseller This riveting tour through 1960s Los Angeles is a history from below in the very best sense as it celebrates the grassroots heroes and struggles of the social movements of the era Barbara Ehrenreich

author of *Natural Causes* Authoritative and impressive Los Angeles Times Monumental Guardian Los Angeles in the sixties was a hotbed of political and social upheaval The city was a launchpad for Black Power where Malcolm X and Angela Davis first came to prominence and the Watts uprising shook the nation The city was home to the Chicano Blowouts and Chicano Moratorium as well as being the birthplace of Asian American as a political identity It was a locus of the antiwar movement gay liberation movement and women s movement and of course the capital of California counterculture Mike Davis and Jon Wiener provide the first comprehensive movement history of L A in the sixties drawing on extensive archival research and dozens of interviews with principal figures as well as the authors storied personal histories as activists Following on from Davis s award winning L A history *City of Quartz Set the Night on Fire* is a historical tour de force delivered in scintillating and fiercely beautiful prose
