A Conductor's Guide to Choral-Orchestral Works Jonathan D. Green, 2003 Now in paperback This innovative survey of large choral orchestral works written between 1900 and 1972 and containing some English text examines eighty nine works from Elgar's *Dream of Gerontius* to Bernstein's *Mass* For each work the author provides a biography of the composer complete instrumentation text sources editions availability of performing materials performance issues discography and bibliographies of the composer and the work Based upon direct score study each work has been evaluated in terms of potential performance problems rehearsal issues and level of difficulty for both choir and orchestra When present solo roles are described The forty nine composers represented include Samuel Barber Arthur Bliss Benjamin Britten Henry Cowell Frederick Delius R Nathaniel Dett Gerald Finzi Howard Hanson Roy Harris Paul Hindemith Ulysses Kay Constant Lambert Peter Mennin Gunther Schuller William Schumann Michael Tippett Ralph Vaughan Williams William Walton and Healey Willan Written as a field guide for conductors and anyone else involved in programming concerts for choir and orchestra this text should prove a useful source of new repertoire ideas and an invaluable aid to rehearsal preparation Cloth edition first published in 1994

The Intertextuality and Intermediality of the Anglophone Popular Song Michael Ingham, 2022-09-07 Popular song is a liminal hybrid form of cultural production As a manifestation of adaptation studies it has lacked visibility by comparison with more dominant adaptation practices especially those for the screen This book serves to fill this gap It investigates what songwriters read and write before they start singing showing that they need either to adapt material from existing sources or write their own lyrics drawn from a wide range of source texts and personal experiences They are subject to myriad influences and among these are other song lyrics poems novels plays films and hybrid cultural forms This deep structure intertextuality is embedded in the cultural flux of language and operates at both conscious and subconscious levels This book thus explores the complex and multifarious intertextual connections between popular songs of various genres styles and eras and literary works including but by no means limited to the Bible and Shakespeare As such it offers a valuable resource by exploring the deep intertextual significance of literary source material for the intellectual and emotional diversity that can be found in the popular song form the inverse reciprocal relationship while much less common is also considered in the study

Song Carol Kimball, 2006-12-01 Carol Kimball's comprehensive survey of art song literature has been the principal one volume American source on the topic Now back in print after an absence of several years this newly revised edition includes biographies and discussions of the work of

The Dickinson Songs of Aaron Copland Larry Starr, 2002 Commentary on the original version for soprano and piano is supplemented by information on Copland's later orchestrations of selected songs a discussion of performance and interpretation and an annotated discography
