## **Seven Churches Not In The Of Revelation:**

**The 7 Churches Not in the Book of Revelation** Gene Mims, John Perry, 2001 A book to help leaders understand their church culture and adjust their leadership style for the body they serve

**The Seven Churches of the Apocalypse: A Look at the Seven Churches in the Book of Revelation** Daniel H. Kiser, 2021-02-09 While in exile on the Island of Patmos the Apostle John received this instruction from Jesus Write what you see into a book Send it to the seven churches Ephesus Smyrna Pergamum Thyatira Sardis Philadelphia and Laodicea Revelation 1 11 The Message Bible Jesus then proceeds to dictate to the apostle personal messages to each of the seven churches The content of these messages does not contain the opinions or instructions of a pastor deacon elder or governing church council These messages were sent directly from Jesus and reveal his assessment of each church This in itself should be sufficient reason for taking the time and exerting the energy to do an exhaustive study of the seven churches But there are additional reasons as well which are dealt with extensively in this book The messages reveal what is acceptable and unacceptable to Jesus in the life of a church They also reflect seven periods of church history In addition the messages explain a Christian s relationship to the group of believers with which they are associated Furthermore they stress the responsibility of every Christian to protect the spiritual welfare of the local church Finally these messages provide the proper perspective of what Jesus values most in a church At the end of each message Jesus makes this statement Anyone with ears to hear must listen to the Spirit and understand what he is saying to the churches Revelation 2 7 New Living Translation The messages to the seven churches of the Apocalypse are as relevant today as they were when John received them They are intended for anyone who has ears to hear what the Spirit says to the churches

**Secrets of the Seven Churches** Will Clark, 2015-06-30 Do you want to really understand the warnings in John s letters to the Seven Churches in the Book of Revelation If so then you must read this book John s letters to the seven churches warn all to pay attention to events and to listen to what the Spirit tells them The admonishment He that hath an ear pay attention to what s happening was repeated in each of the seven letters This admonishment was not addressed to the seven churches It was addressed seven times to all churches especially today s churches At this time and to those ancient churches what are our greatest warnings from God in the Book of Revelation to watch and to understand what s happening around us Three things were emphasized over and over First to hold fast to our faith in Christ Second to be aware of that Jezebel who will lead many astray Third to avoid sexual immorality and fornication These three were emphasized over and over to all churches Christ s words introduced us to that woman Jezebel as being in the church at Thyatira but He didn t say who she was and He didn t say she was not in other churches Later in Chapter 17 He showed us exactly who that Jezebel religion is It s clearly the Islamic religion drunken with the blood of the saints and with the blood of the martyrs of Jesus That description could not be more clear and definitive This woman this religion didn t exist until seven hundred years after the letters were written to the seven churches There would have been no way for those in the seven churches at that time to

interpret what the letters mean today The letters were warnings of future events that would occur We were warned not to be seduced by that prophetess Those who fall into her trap or blindly turn aside and accept her ways will be denied their salvation with God That s why the Seven Spirits of God are within us for power to defeat that great Beast led by Satan And we were warned to refrain from sexual immorality and fornication In this warning He spoke to individuals churches and nations as shown in Leviticus 18 24 Defile not ye yourselves in any of these things for in all these the nations are defiled which I cast out before you This book also answers many other questions and mysteries in those seven letters For example the source of the words Nicolaitanes Balaam and Balac are identified and explained and how they apply to today s events The children of Israel suffered God s wrath for many generations when He cast them out of their land when they turned against his Word Should we in the United States or any other part of the world consider ourselves safe from His wrath and His promises just because we are more important more worldly and more sophisticated than were the ancient Jews     *The Seven Letters to the Seven Churches* Chuck Missler,2023-01-25 The Book of Acts covers about 30 years Chapters 2 and 3 of the Book of Revelation cover the next 2 000 This study will explore the seven letters by Jesus Christ to actual historical churches and the church ages they represent These letters describe with amazing precision the unfolding of all church history in advance This chronicle fills the gap between the 69th and 70th Week of Daniel We will also find many insightful personal applications as we apply each letter to ourselves     **Last Days Madness: Obsession of the Modern Church** Gary DeMar,1999-08 Last Days Madness explains the most difficult prophetic passages clearly and concisely Gary DeMar sheds the light on Daniel 7 13 14 9 24 27 Matthew 16 27 28 2 Thessalonians 2 2 Peter 3 3 13 and dozens more He identifies the Beast the Antichrist and the Man of Lawlessness and clears the haze regarding Armageddon the rebuilding of the temple the meaning of 666 and much more This ground breaking book is guaranteed to make you think and is your survival guide and spiritual compass to insure you escape the paralysis of last days madness     *Priesthood and Temple in John s Apocalypse* Timothy B. Tse,2024-12-12 Timothy B Tse argues that while John uses language drawn from the Hebrew Bible s descriptions of YHWH s dwelling place scholarship has overlooked the importance of his spatial transformation of that language Tse thus uses theories relating to Relevance Resistance Theory Critical Space Theory and Conceptual Metaphor to demonstrate that a significant part of John s apocalyptic strategy of resistance is to re present his vision to his audience spatially so that they can experience a divinely ordained alternative to the world in which they live Tse first demonstrates John s attempts to relegate his audience s experience of space to his own revelation John s description of the visionary world creates the metaphors the earth is a Sanctuary and the Saints are its priests Tse argues that under this view life on earth must be evaluated according to the concerns of the Sanctuary which by definition requires the removal of everything impure and the Saints namely all Christians in both the historic and visionary worlds must take priestly responsibility for the earth John therefore portrays the Saints joining in the removal of all impurity upon the earth by fighting as priests in God and the

Lamb's war against Satan Babylon and all her impurities Tse concludes that overall John means to realign the church's experience of space so that they understand themselves as priests of the Sanctuary and live according to that reality **The End Times Controversy** Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future **Revelations of the End** Dr. Robert "Andy" Gowins, 2025-02-05 Revelations of the End A Fresh Look at an Ancient Eschatology is not a traditional chapter and verse breakdown of the major themes of the New Testament book of Revelation It is however an eschatological commentary that utilizes the framework of the book of Revelation to revisit the traditional and orthodox end time teachings of the church for most of its history The book attempts to address the eschatological expectations of the early first century church for whom this apocalyptic and prophetic letter was originally written It seeks to explain the Old Testament eschatological expectations through the structure of New Testament eschatological revelations as expressed through the letter of Revelation This eschatological commentary is an attempt to revisit the biblical historical and orthodox teachings of the church concerning matters of the last days Hidden In Plain Sight: A Study of the Revelation to John Uchenna Mezue, 2015-10-03 The Revelation to John has been with us for about 2000 years and has been the subject of diverse attempts at interpretation The Revelation as given is a vision of the end time work of the Son of Man and the sole purpose is to prepare humanity for that mission and offer them the chance to recognise the last Envoy of God when He does come It is only with this understanding in view that the Revelation can be appreciated All the promised messages for the end time are now available to us and I believe we are in a better position to understand the message of The Revelation Indeed I believe that we urgently need to understand its message The urge and pressure amongst all striving human spirits to unravel the mysteries of The Revelation represents this need This study is not a substitute for The Revelation but may be regarded as a call for a deeper study and hopefully an awakening to the need to experience the times in a more alert manner The work is offered in the recognition that the Revelation is being fulfilled in this epoch and as such is a must read for all striving human spirits The Conclusion of the New Testament (4) Witness Lee, In the Lord's recovery during the past five hundred years the church's knowledge of the Lord and His truth has been continually progressing This monumental and classical work by Brother Witness Lee builds upon and is a further development of all that the Lord has revealed to His church in the past centuries It is filled with the revelation concerning the processed Triune God the living Christ the life giving Spirit the experience of life and the definition and practice of the church In this set Brother Lee has kept three basic principles that should rule and govern every believer in their interpretation development and expounding of the truths contained in the Scriptures The first principle is that of the Triune God dispensing Himself into His chosen and redeemed people the second principle is that we should interpret develop and expound the truths contained in the Bible with Christ for the church and the third governing principle is Christ the Spirit
