Seven Days To Petrograd:

Seven Days to Petrograd Vernon Tom Hyman, 1988 In 1917 the German Government plots to knock Russia out of the conflict They will arrange and finance the secret journey of a charismatic Bolshevik leader from exile in Zurich to revolution in Petrograd Harry Bauer an ex American intelligence agent is hired to stop him

Seven Days to Petrograd Tom Hyman, 1989 *The Bolsheviks Volume II* John D. Loscher, 2009-09 We must seek to build a Russia based on three sound principles Peace Land and Bread NOTHING ELSE William Donaldson newly promoted Charge d Affaires for the United States Embassy in Petrograd formerly Saint Petersburg Russia could only cringe at hearing Lenin s stirring proclamation announcing the primary goals for the Petrograd Soviet These ambitious words ran counter to the aims of his employer the American government As an American diplomat during the administration of President Woodrow Wilson William is obligated to support his country s self serving objectives But as the husband to Sonja Mastrova a Russian nation William is torn must he care out his duty or advocate a cause which he knows in his heart to be morally and ethically right Since he was a conscripted diplomat being named embassy charge d affaires should have been the crowning achievement for William Donaldson However as Russia spirals ever deeper into chaos and revolution his posting becomes a curse Caught up in a web of intrigue woven by America s inept luxury loving ambassadors William is a witness to the final overthrow of Russia s imperial family His dealings with the weak Russian provisional government will provide William with a textbook example chronicling the pitfalls of democracy As the faltering democratic provisional government splinters and becomes mired in gridlock the Russian people become truly desperate Knowing how desperate people will do desperate things the situation becomes ripe for Vladimir Lenin and his henchmen to finally implement their own vision for Russia s future without any annoying outside interference When that model is forcibly imposed William can only lament at what he sees as the consequence for the Russian people of being yoked to the science of communism Is Russia s exploited peasant population any better off than they were before
