Seven Dialogues On Goodness:

Seven Dialogues on Goodness Joseph Norio Uemura,1986 **Amyntas and Philetus: or, Christian conversation, 7 dialogues** Titus Knight,1770 A Dialogue on Giving, for Sunday School anniversaries. Arranged for three boys DIALOGUE.,1869 The British Protestant youth's instructor, 7 dialogues Samuel Browne (of Tadley.),1819 **Universal Justice** Albert A. Anderson,2021-11-29 The modern era was dominated by conflicts between claims to certainty about justice and denials that certainty is warranted The purpose of this book is to develop a postmodern alternative to both philosophies one which is universal without being absolutist The approach is dialectical in Plato s sense of that term Dialectic is both necessary and sufficient for the theoretical and the practical aspects of living The primary symbol in this book is the Athenian Socrates who spent his days in the Agora and his evenings in the houses of his friends the active professionals of the world s first democracy His questions were unabashedly philosophical concerned with the most urgent matters What is worth living for What is worth dying for Who is best suited to rule in the state How should young people be educated The nature of justice is closely connected with other questions of value so the discussion freely moves from that central focus to related matters with the primary goal of developing a dialectical philosophy that is both applicable to life and open to all Universal Justice is concerned with how to think about justice rather than what to think about justice Reflections on the Mind of Plato Joseph Norio Uemura,Plato,2010-07-03 Joseph Uemura guides us through six dialogues in an effort to promote a dialectical quest rather than a final resting place Good and Evil Raimond Gaita,2004-03-01 Raimond Gaita s Good and Evil is one of the most important original and provocative books on the nature of morality to have been published in recent years It is essential reading for anyone interested in what it means to talk about good and evil Gaita argues that questions about morality are inseparable from the preciousness of each human being an issue we can only address if we place the idea of remorse at the centre of moral life Drawing on an astonishing range of thinkers and writers including Plato Wittgenstein George Orwell and Primo Levi Gaita also reflects on the place of reason and truth in morality and ultimately how questions about good and evil are connected to the meaning of our lives This revised edition of Good and Evil includes a substantial new preface and afterword by the author Ancient Evenings Adrian Kuzminski,2025-01-20 Ancient Evenings is a study of consciousness presented as a series of fictional philosophical dialogues set at the height of the Roman Empire These dialogues on good and evil truth and falsehood life and death are historical re enactments of what persons representing the major Hellenistic schools of philosophy might actually have said to one another in informal but serious discussion and debate The inclusion of the Buddhist like arguments of ancient Pyrrhonian sceptics which challenge the dogmatic Stoics Epicureans and Academic nihilists results in a powerful unique view of the secular Hellenistic schools of antiquity and of their continued importance to modern secular thinking about how to live in a world without divine intervention Ancient Evenings is in the spirit of great dialogues from Plato to Cicero and Berkeley to Hume It brings back to life the neglected literary form of the philosophical

dialogue as a potent and unique instrument of philosophical inquiry The Symposium and the Phaedrus Plato,1993-01-01

The Symposium and the Phaedrus are combined here because of their shared theme a reflection on the nature of erotic love the love that begins with sexual desire but can transcend that origin and reach even the heights of religious ecstasy This reflection is carried out explicitly in the speeches and conversations in the dialogues and implicitly in the dramatic depiction of actions and characters Thus the two dialogues deal with a theme of enduring interest and are interesting for both their literary and their philosophical character In addition to the introduction the book contains substantial commentaries and thorough endnotes Key Greek terms are discussed for readers who are unfamiliar with the language A special feature is a discussion on the importance of the dramatic and literary aspects of the dialogues for interpreting their philosophical content The introductions deal with the nature of the dialogues themselves as philosophical texts and with Plato s philosophical assumptions and key concepts as well as with the necessary background of Athenian society The endnotes clarify any ambiguities and obscurities in the original text identifying all references to people places gods et cetera The commentaries are designed to open up the dialogues for the reader showing the issues that have been debated by commentators and considering some of the responses to them They are designed to stimulate further reflection **Aristotle's Dialogue with Socrates** Ronna Burger,2009-07-01 What is the good life for a human being Aristotle s exploration of this question in the Nicomachean Ethics has established it as a founding work of Western philosophy though its teachings have long puzzled readers and provoked spirited discussion Adopting a radically new point of view Ronna Burger deciphers some of the most perplexing conundrums of this influential treatise by approaching it as Aristotle s dialogue with the Platonic Socrates Tracing the argument of the Ethics as it emerges through that approach Burger s careful reading shows how Aristotle represents ethical virtue from the perspective of those devoted to it while standing back to examine its assumptions and implications This is the best book I have read on Aristotle s Nicomachean Ethics It is so well crafted that reading it is like reading the Ethics itself in that it provides an education in ethical matters that does justice to all sides of the issues Mary P Nichols Baylor University **Young Folks' Recitations, No. 2** L. J. Rook,1888 Young Folks' Recitations, No. 2 ,1888 Best Things from Best Authors Jacob W. Shoemaker,1883 **Choice Dialect for Reading and Recitation** Charles Chalmers Shoemaker,1887 **Child's Own Speaker** Emma Cecilia Rook,Elizabeth Jane Rook,1887 **Grown Up Conversations** June Doyle,2020-06-19 Most of us feel insecure sometimes but to feel insecure most of the time is a serious problem that needs to be addressed Loneliness and negative beliefs about oneself bring about a feeling of insecurity Life is full of disappointments and the struggles are real God never promised a life free of pain but if you trust Him He will turn your lemons into lemonade God saw you at your worst and He still believes in you June Doyle is a wife and mother of four adult daughters She was born and raised in Trinidad and Tobago and has resided in Toronto Ontario Canada for three decades She grew up in a large family with a God fearing mother who she credits for her love and fear for God She is an active online

blogger and enjoys motivating others with her daily inspirations June enjoys reading scriptures and applying them to real life situations making solutions She has been a feature speaker at local and international conferences and events Her role as counselor adviser and mentor has brought her fulfillment as she loves working with women She has been a convener of a boys and girls club working with at risk children Her writings have inspired and encouraged many readers which prompted her to publish her first book **Iris Murdoch and the Search for Human Goodness** Maria Antonaccio, William Schweiker, 1996-12 A HISTORY AND CRITIQUE OF THE WRITINGS OF IRIS MURDOCH *Prophetic Dialogue: Reflections on Christian Mission Today* Stephen B. Bevans and Roger P. Schroeder, 2011 In this volume Fathers Bevans and Schroeder address a primary challenge faced by Christians missionaries today How can they bring the Christian tradition to interact respectfully and effectively with members of other cultures and traditions from around the globe and still be prophetic Publisher website **Discourse in Dialogue** Pat F. Rossi, 2014-07-24 Discourse in Dialogue Reflections in Fundamental Philosophical Theology is a project which considers fundamental theological and philosophical perspectives in Catholic Christian theology This project adumbrates a number of specifically intellectual themes namely philosophical and theological in character which pertain to the Catholic Christian tradition These themes include a study of the following the interrelationship of philosophy and theology theological method and pluralism the interpretation of scripture and its underlying hermeneutical principles Christian anthropology in relation to philosophy of the human person the Christological mystery and soteriology as well as the nature of Christian Philosophy all of which are representative themes proper to fundamental philosophical theology This work serves as an introductory text to the above cited questions while also providing more specific points of study for those interested in a more comprehensive reflection on contemporary philosophical and theological perspectives *Berkeley and Percival* George Berkeley, Earl John Perceval, Benjamin Rand, 1914
