Jackson,2020-06-03 There has never been a more powerful time in our history for women to come forward and share their voice than now Women are amazing powerful and divine gifts to our human existence Dr Anita and the co authors of this book believe that women are so much more than our past our stories our pain our credentials our resources and the disguises we often wear to help us merely survive We believe foremost that the essence of a woman living and operating from her feminine power and truth is a crucial element to humankind s spiritual healing and restoration balance and harmony wealth

and abundance growth and overall success Despite the amazing contributions women have already made to society we believe there is so much more for women to contribute and offer Never before have women had more power and rights than they do now in shaping the future of our families communities and world Women have heard the message of empowerment and feminism for years yet women today still struggle with fully allowing themselves to truly be seen heard valued and influential as we make an impact to all those around us True empowerment we believe is a spiritual mental emotional physical and social experience that activates power within a woman to truly be her divine authentic self HER Global Voice shares the voices of up and coming feminine empowerment leaders who have decided to share MORE of their voice their stories their pain and the wisdom they have gained from finally speaking their truth unapologetically Each coauthor will inspire and empower you to say YES to your own story while giving you all the permission you need to yell your story from the rooftop Share your global voice sister we want to hear you

Cooking in Other Women's Kitchens, Enhanced Ebook Rebecca Sharpless, 2013-02-01 As African American women left the plantation economy behind many entered domestic service in southern cities and towns Cooking was one of the primary jobs they performed feeding generations of white families and in the process profoundly shaping southern foodways and culture In *Cooking in Other Women's Kitchens* Domestic Workers in the South 1865-1960 Rebecca Sharpless argues that in the face of discrimination long workdays and low wages African American cooks worked to assert measures of control over their own lives As employment opportunities expanded in the twentieth century most African American women chose to leave cooking for more lucrative and less oppressive manufacturing clerical or professional positions Through letters autobiography and oral history Sharpless evokes African American women's voices from slavery to the open economy examining their lives at work and at home The enhanced electronic version of the book includes twenty letters photographs first person narratives and other documents each embedded in the text where it will be most meaningful Featuring nearly 100 pages of new material the enhanced ebook offers readers an intimate view into the lives of domestic workers while also illuminating the journey a historian takes in uncovering these stories
