Compassion Fatigue and Burnout in Nursing, Second Edition Vidette Todaro-Franceschi, 2019-03-18 Dr. Todaro-Franceschi calls us to look with open eyes, open hearts, and open minds at the good, the bad, the ugly, and the ugliest in health care so that together we can cultivate a healthcare world in which compassion prevails and our shared humanity is embraced. It is up to all of us to hold and safeguard each other in this sacred work. Dr. Todaro-Franceschi helps us in this mission through this extraordinary book. Mary Koloroutis, RN, MSN, CEO, Creative Health Care Management, Minneapolis, Minnesota, Co-Creator of the Relationship Based Care Model. In this second edition of her seminal text, Dr. Todaro-Franceschi offers new insights on professional quality of life, incorporating current practice, research, literature, and examples to show how contentment and happiness of the nursing workforce is related to quality of care. The book provides practical strategies for dealing with a myriad of issues, including compassion fatigue, burnout, moral distress, caring for the dying, PTSD, and workplace violence. This resource will help empower nurses so they can create a more compassionate work environment. Written by an acknowledged expert in end-of-life education, professional quality of life, and clinical leadership, the text addresses the complex nature of well-being in the nursing workforce. Supported by research but written from a holistic and personal perspective, the text includes case studies and exercises that will help the reader to identify negative patterns and explore ways to find purpose in one's life. New to the Second Edition: Expanded emphasis on how workforce well-being contributes to care quality; Updated resources and information on national nursing initiatives related to professional quality of life; New chapter on workplace violence, incivility, bullying, and mobbing; New chapter on education related to improving PQOL and work environment; Provides a Nurse Leaders Resource Toolkit to guide staff education. Key Features: Articulates an ethic of care developed from a transdisciplinary perspective; Increases nurse awareness of issues that might be hindering their PQOL; Provides strategies for enhancing staff contentment and productivity, thereby promoting a healthy work environment; Includes real-life examples from critical care, end-of-life care, hospice, oncology, and more; Assists nurses with grief healing.

The Compromise Trap Elizabeth Doty, 2009-11-09 A detailed and inspiring strategy for staying true to yourself at work while contributing to your organization s effectiveness and integrity Based on over fifty candid interviews with businesspeople at all levels including vivid firsthand accounts of compromise and courage Eminently practical and constructive with exercises and strategies you can apply wherever you work Healthy compromise is a fact of organizational life part of accomplishing any meaningful goal with other people But when it involves betraying your word your principles or other important commitments it takes a bite out of your passion and vitality trapping you in a web of nagging doubts and regrets or even dread and remorse Sadly certain common misconceptions about compromise mean we can fall into this trap unknowingly making a sort of devil s bargain by degrees Even worse this can happen while working for companies and leaders we otherwise respect and admire So what can you do short of sacrificing your career In this unflinching but consistently constructive and timely look at concessions double binds and contradictions of organizational life Doty suggests the antidote is to redefine the game expand your ability to be a positive force regardless of the setting At the core of this strategy are six personal foundations that she illuminates with practical exercises and examples including Reconnect to Your Strengths See the Larger Playing Field Define a Worthy Enough Win Find Your Real Team Make Positive Plays and Keep Your Own Score Full of candid firsthand stories from Doty s interviews with over fifty businesspeople as well as her own experiences as a consultant and manager The Compromise Trap offers sympathetic guidance for individuals striving to live with greater integrity courage and purpose at work as well as the executives coaches consultants and loved ones who support them and senior leaders who want to expand what it means for organizations to act with integrity in the world

Teaching for Aesthetic Experience Gene Diaz, Martha McKenna, 2004 The artist educators in this book invite you to come with them on a journey of discovery into the meaning of teaching for aesthetic experience With learning as their art they create educational encounters with passion and feeling and leave their students with vivid impressions growth and change Each author engages in aesthetic experience from an individual perspective as poet dancer visual artist or musician and each of them engages as an educator who brings art

into his or her classroom no matter what the subject Inspired by the words of philosopher Maxine Greene the contributors transform the theoretical into the practical urging students to look to the arts and nature for simple beauty and awaken their minds to new possibilities of creative learning

Navigating the Complexity Across the Peace-Sustainability-Climate Security Nexus Bernard Amadei, 2023-11-28 Promoting peace and sustainability in human development while accounting for the risks associated with the impact of climate change on society has become more imperative than ever when addressing humanity's challenges of the twenty first century There is enough evidence that peace sustainability and climate security are entangled with multiple complex interactions and cannot be dealt with in isolation and independently from the environment and the numerous systems with which they interact Yet the intersection of peace sustainability and climate security or their opposites i.e. conflict unsustainability and climate vulnerability is rarely articulated with a systemic mindset A multi solving nexus approach is more appropriate to capture the complexity and uncertainty of how the three sectors of peace sustainability and climate security play a role in community development the nature of their causal chains and the feedback on how community development affects the three sectors Navigating the Complexity Across the Peace Sustainability Climate Security Nexus explores the value proposition of using a systems approach methodology and tools to comprehend and model that dynamic Features of the book Explores the interaction between the different components of peace and the relationship between peace sustainability and climate security using semi qualitative and quantitative tools Explains how climate adaptation and mitigation are related to peace or conflict Presents generic system dynamics modeling that can be used in different contexts

Leadership Unplugged J. Moore, S. Sonsino, 2003-05-23 For managers talk is action This ground breaking book argues that what senior executives do should rest squarely on what they say The logical conclusion is that organizations are a network of conversations between employees employers suppliers and customers the only thing executives can influence is the debate discussion or dialogue they happen to be in at the moment The authors explore how twelve global firms have tackled the art and science of strategic conversations and the book contains a range of new tools and techniques for leading effective change and implementing strategy using this philosophy

Transgressing Feminist Theory and Discourse Jennifer Dunn, Jimmie Manning, 2018-05-23 Despite decades of activism resistance and education both feminists and gender rebels continue to experience personal political institutional and cultural resistance to rights recognition and respect In the face of these inequalities and disparities Transgressing Feminist Theory and Discourse seeks to engage with and disrupt the long standing debates unquestioned conceptual formations and taboo topics in contemporary feminist studies The first half of the book challenges key concepts and theories related to feminist scholarship by advocating new approaches for theorizing interdisciplinarity intersectionality critical race theory trans studies and genetics The second half of the book offers feminist critiques or explorations of timely topics such as the 2017 Women's March and Donald Trump's election as well as non Western perspectives of family and the absence of women's perspectives in healthcare Contributors

comprise of leading scholars and activists from disciplines including gender and sexuality studies African American studies communication studies sociology political science and media Transgressing Feminist Theory and Discourse is a compelling examination of some of the most high profile feminist issues today It hopes to infuse future and current debates and conversations around feminism and feminist theory with intersectional imaginative provocative and evocative ideas inspiring bold cross fertilizations of concepts principles and practices China and the West at the Crossroads Daiyun

Yue,2016-06-23 Beginning with a retrospective of the past century this book offers a panoramic picture of Chinese comparative literature from its nascence in the early 1920s through its evolution in the 1980s to the new development at the turn of the century ending with a prospective look at the future of comparative literature in the 21st century The articles presented here reveal the author s deep understandings of the literature and culture of her own country and those of other countries A rich array of case studies and in depth theorizing make it an extremely interesting and enlightening read Prof Daiyun Yue is a prominent professor at Peking University and a leading figure in Chinese comparative literature She has served as Head of the Institute for Comparative Literature and Cultural Studies PKU 1984 1998 and the third president of the Chinese Comparative Literature Association 1989 2014 Further she is the founder of Dialogue Transcultural a much acclaimed journal of comparative literature Prof Yue approaches outstanding literature as a bridge to link people of different cultural traditions The reason why interdisciplinary literary research between two alien cultures is possible is because dialog between alien cultures along with exchange and understanding is more readily realized through literature Herein lies the value of comparative literature **Rethinking Social Studies Teacher Education in the Twenty-First Century** Alicia R.
