The Seven Last Words of Christ Judith Mattison, 1991-01-31 Meditations on each of Jesus s seven last words accompanied by hymns and poetry **Seven Last Words** Timothy Radcliffe, 2005-03-04 The Seven Words from the Cross are the focus of Christian meditation through the ages Set to music by Haydn they epitomise the depth of Jesus s human expereience and thus speak most profoundly to the human condition Each meditation is illustrated with a picture of Christ on the Cross Many are old masters some more modern The object is to lead the reader deeply into prayer and contemplation But there is nothing fusty about Radcliffe's text Whatever he writes is a breath of fresh air and these meditations are modern and contemporary in their reference There are also many autobiographical touches which make these meditations more personal This is perfect Lent reading by a spiritual master and one of the few Christian prophets in our time The Seven Last Words from the Cross Fleming Rutledge, 2004-11-22 For at least a century at special three hour services on Good Friday it has been the custom in many churches to reflect on the Seven Last Words of Jesus from the Cross In this tradition Fleming Rutledge here presents seven eloquent meditations on these final sayings of Jesus Rutledge links the sayings from the cross with contemporary events and concerns but also incorporates recent biblical scholarship and modern questions about the death of Christ particularly in light of Mel Gibson's film The Passion of the Christ Rutledge shows how each word or saying from the Cross affords an opportunity for readers to gain a deeper understanding of the horrific death suffered by Jesus Intending for this book to lead readers into a genuine devotional experience Rutledge has made every effort to evoke and preserve the contemplative atmosphere of the three hour Good Friday memorial The book includes frequent references to hymns associated with this special day and each meditation ends with an appropriate hymn text for personal prayer and reflection
