Rawson, 2007-04-01 Through a true communion with God argues the author it is possible to treat any and all problems from loneliness to envy to gray hair and even bad investments But the prayer that Rawson speaks of is based not upon supplication to an omnipotent being who may or may not be listening but on a simple process of denial and affirmation Using an exhaustive list of examples Rawson shows how to first deny the problem then affirm what he calls the absolute good It is only by dwelling on God's perfect world that one can find true healing This is essential reading to the faithful and a work of genuine curiosity to everyone else British engineer businessman and author FREDERICK LAWRENCE RAWSON 1859 1923 also wrote How to Bring About Permanent Peace 1916 Secret of Divine Protection 1918 and Nature of True Prayer 1920

**The Advent** Grégoire de Kalbermatten, 2018-06-20. This book proposes and describes a new category of perception: vibratory awareness beyond thought, feelings, or instinct, by which all kinds of absolute questions are answered. This awareness itself thinks, organizes, and loves. It balances, neutralizes, and heals human problems and relates man to the Divine. In different scriptures, it has been named as divine breath or the flood of bliss. It is innate in every human being, though unconscious for most. Great prophets and founders of different world religions preached the lifestyle which would optimize man's awakening to its conscious knowledge, self-realization, second birth, mukti. Divine incarnations who came on this earth at different stages of man's evolution prepared the setting for its manifestation on a mass scale as the phenomenon of collective consciousness. Every reader is invited to verify personally the existence and the validity of this new awareness many already have.

Mystic Peter James Ford, 2023-10-19. Mysticism in Newburyport is a seven-book series revealing ancient secrets from masters of all cultures along with modern-day breakthroughs by scientists and quantum physicists of our times. These tales began flowing after Peter's powerful spiritual awakening in Newburyport, Massachusetts. Newburyport is a quaint little historic seaport on the coast of Massachusetts, heading toward New Hampshire. Peter had been sober in the 12-step recovery program for many years and had recovered from his alcoholism. Peter's love of Nature had brought him to the Newburyport area. This area is rich with Nature's treasures, Native American Heritage, and many tales from the tall cargo ships of olden days. High Street was lined with homes of these Sea Captains. Peter's awakening had given him new eyes and new, highly evolved senses. Peter was to have powerful past-life experiences with his Mystery Woman guide named Layne. Layne was a mystic who would tell people things about themselves that there was no way she could know. She would look you in the eyes and tell you your deepest secrets. She also knew about the Earth's electromagnetic grids and helped Peter understand what he was experiencing in Newburyport. Peter's new heightened senses could feel the electromagnetic flow of energy and the convergence right below Market Square in Newburyport. Market Square was one of the crossroads for these powerful electromagnetic energies that give life to our planet. Peter was to share the secrets that were revealed to him in his writings.
