After a week I discovered that he knew many people from different social classes. When they _____ in our flat, Holmes asked me kindly to leave the sitting room and I went to my bedroom. He always apologised afterwards. "I sometimes need the room for business," he explained. "These people are my clients."

I remember that on the 4th March I got up very early and he was in the sitting room having breakfast. While I _____ for my own breakfast, I read a very strange article in the newspaper. It said
