The Wit of Seventeenth-century Poetry Claude J. Summers, Ted-Larry Pebworth, 1995 As the twelve original essays collected in this volume demonstrate to study the wit of seventeenth century poetry is necessarily to address concerns at the very heart of the period's shifting literary culture It is a topic that raises persistent questions of thematics and authorial intent even as it interrogates a wide spectrum of cultural practices These essays by some of the most renowned scholars in seventeenth century studies illuminate important authors and engage issues of politics and religion of secular and sacred love of literary theory and poetic technique of gender relations and historical consciousness of literary history and social change as well as larger concerns of literary production and smaller ones of local effects Collectively they illustrate the vitality of the topic both in its own right and as a means of understanding the complexity and range of seventeenth century English poetry

A Book of Seventeenth-century Prose Robert Peter Tristram Coffin, Alexander Maclaren Witherspoon, 1929

English Prose of the Seventeenth Century 1590-1700 Roger Pooley, 2014-06-06 This is the first book length history of the range of seventeenth century English prose writing Roger Pooley's study begins with narrative ranging from the fiction of Bunyan and Aphra Behn to the biographical and autobiographical work of Aubrey and Pepys Further sections consider religious prose from the hugely influential Authorised Version to Donne's sermons the political writing of figures as diverse as Milton Hobbes Locke and Marvell cornucopian texts and the writings of the new scientists from Bacon to Newton At a time when the boundaries of the canon are being increasingly revised this is not only a major survey of a

series of great works of literature but also a fascinating social history and a guide to understanding the literature of the period as a whole **The Two Harmonies** K. G. Hamilton,1978 **The Two Harmonies** Kenneth Gordon Hamilton,1963

The New Oxford Book of Seventeenth Century Verse Alastair Fowler,1991 From Shakespeare to Milton to Donne to Dryden the poets of the seventeenth century produced great triumphs of English verse Now The New Oxford Book of Seventeenth Century Verse casts a wider net than ever before collecting both classic works from the literary canon and the verse of many women minor poets and Americans who have been ignored for far too long Edited by the eminent scholar Alastair Fowler this is the finest anthology of its kind **The Broadview Anthology of Seventeenth-Century Verse** Alan Rudrum,Joseph Black,Holly Faith Nelson,2020-12-24 The publication of The Broadview Anthology of Seventeenth Century Verse and Prose is a literary event this comprehensive volume is the first anthology of the period to reflect the breadth of seventeenth century studies in recent decades Over one hundred writers are included from John Chamberlain at the beginning of the century to Elisabeth Singer Rowe at its end There are generous selections from the work of all major writers and a representation of the work of virtually every writer of significance The work of women writers figures prominently with extensive selections not only from canonical writers such as Behn and Bradstreet but also from other writers such as Katherine Philips and Margaret Cavendish who have been receiving considerable scholarly attention in recent years The anthology is broadly inclusive with writing from America as well as from the British Isles Memoirs letters political texts travel writing prophetic literature street ballads and pamphlet literature are all here as is a full representation of the literary poetry and prose of the period including the poetry of Jonson the prose of Bacon the metaphysical poetry of Donne Herbert Marvell and others the lyric verse of Herrick and substantial selections from the poetry and prose of Milton and Dryden While Samson Agonistes is included in its entirety Milton's epic poems have been excluded in order to allow space for other works not so readily accessible elsewhere The editors have included complete works wherever possible A headnote by the editors introduces each author and each selection has been newly annotated **The Golden Age: Prose and Poetry** Royston Oscar Jones,1971 *The New Cambridge Bibliography of English Literature* George Watson,Ian Roy Willison,1974

English Poetry of the Seventeenth Century George Parfitt,2014-09-19 Provides a comprehensive and entertaining account of the vitality and variety of achievement in seventeenth century English poetry Revised and up dated throughout Dr Parfitt has added new material on poets as varied as Marvell and Traherne There is also a completely new chapter on women poets of the seventeenth century which considers the significant contributions of writers such as Katherine Philips and Margaret Cavendish The proven quality and success of Dr Parfitt's survey makes this the essential companion for the teacher and student of seventeenth century verse **The Broadview Anthology of Seventeenth-Century Verse** Alan Rudrum,Joseph Black,Holly Faith Nelson,2001-03-21 The publication of The Broadview Anthology of Seventeenth Century Verse and Prose is a literary event this comprehensive volume is the first anthology of the period to reflect the breadth of

 References and Suggestions for Further Reading Index *The Retrospective Review (1820-1828) and the Revival of
 Seventeenth Century Poetry* Jane Campbell, 2006-01-01 This essay had its beginning in an investigation of changing attitudes
 to seventeenth century Pre Restoration poetry during the English Romantic period In the course of that research Jane
 Campbell discovered that a relatively little known periodical the Retrospective Review which was published in London from
 1820 to 1828 appeared to have played an interesting part in the rehabilitation of the poets of the earlier period This book
 then is an attempt to outline the history of this review to place it against its literary background and to assess its role in the
 critical re evaluation of the poets of the earlier seventeenth century an age to which the Retrospective s contributors and
 their contemporaries looked with fascination as well as with an affectionate feeling of kinship **The New Cambridge
 Bibliography of English Literature: Volume 2, 1660-1800** George Watson, Ian R. Willison, 1971-07-02 More than fifty
 specialists have contributed to this new edition of volume 2 of The Cambridge Bibliography of English Literature The design
 of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation
 and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been
 to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the
 bibliographical details already available and to re shape the whole according to a new series of conventions devised to give
 greater clarity and consistency to the entries *The Ludic Self in Seventeenth-Century English Literature* Anna K.
 Nardo, 1991-09-03 This book argues that play offered Hamlet John Donne George Herbert Andrew Marvell Robert Burton and
 Sir Thomas Browne a way to live within the contradictions and conflicts of late Renaissance life by providing a new stance for
 the self Grounding its argument in recent theories of play and in a historical analysis that sees the seventeenth century as a
 point of crisis in the formation of the western self the author demonstrates how play helped mediate this crisis and how
 central texts of the period enact this mediation

Seventeenth Century Prose Poetry Introduction

In the digital age, access to information has become easier than ever before. The ability to download Seventeenth Century Prose Poetry has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Seventeenth Century Prose Poetry has opened up a world of possibilities. Downloading Seventeenth Century Prose Poetry provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Seventeenth Century Prose Poetry has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Seventeenth Century Prose Poetry. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Seventeenth Century Prose Poetry. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Seventeenth Century Prose Poetry, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Seventeenth Century Prose Poetry has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
