

The sexual-spiritual aspect...

When a man enters your womb, what type of energy and consciousness does he have? Is he bitter, is he happy, does he love himself, does he love you? Is he a positive or negative thinker?

When a woman makes love to you, is she blessing you or cursing you? Is she bitter, is she happy, does she love herself, does she love you?

Sex is a ritual of exchanging energies, thoughts, emotions, and spirits. During sex, you become a spiritual sponge for the consciousness and energy of the other person.

Each thrust is an affirmation. Are they draining your life force and energy, or are they recharging, healing, and re-fueling your spirit?

Be mindful of the power of sacred energy exchange.
