Navajo Country, Dine Bikeyan Richard F. Van Valkenburgh, A. Richard Van Valkenburgh, 1999-05 **The Navajo Country** Herbert E. Gregory, 1915 **An Illustrated Dictionary of Navajo Landscape Terms** David M. Mark, David Stea, Carmelita Topaha, 2019 The Navajo language Din bizaad has a vocabulary of landscape terms that allows speakers to communicate about their environment This book documents that vocabulary and provides photographic illustration of many of the terms The meanings of these terms seldom match the English language terms one to one Terms include explicit reference to earth materials such as water or rock stone Rather than alphabetically this book is organized by material and form categories This dictionary is a valuable resource for language preservation in schools and elsewhere and for linguists anthropologists geographers and earth scientists interested in indigenous conceptualization of landscape and environment

animals Environmental historian Marsha Weisiger examines the factors that led to the poor condition of the range and explains how the Bureau of Indian Affairs the Navajos and climate change contributed to it Using archival sources and oral accounts she describes the importance of land and stock animals in Navajo culture By positioning women at the center of the story she demonstrates the place they hold as significant actors in Native American and environmental history *Dreaming of Sheep in Navajo Country* is a compelling and important story that looks at the people and conditions that contributed to a botched policy whose legacy is still felt by the Navajos and their lands today *The Navajo* Donna Janell Bowman,2017-12-11 The Long Walk to forced imprisonment in eastern New Mexico still haunts the Navajo people But after years of suffering they were allowed to return to their traditional lands where they prospered Today the Navajo celebrate their strengths and proudly maintain their cultural traditions in modern America **The Navajo Atlas** James M. Goodman,1982 **Navajo Country** Donald L. Baars,1995 This book sketches the long geological history and explores the many physical landscapes of this rocky colorful region bound by the Four Sacred Mountains and settled by the Navajo Indians 500 years ago *Navajo-English Dictionary* C. Leon Wall,1994 **Navajo Place Names** ,1995 [Navajo History to 1846](#) Bill P.
