No Souvenirs Journal 1957 1969 1st Edition

Karin Barnaby, Pellegrino D'Acierno

No Souvenirs Journal 1957 1969 1st Edition:

The Myth of the Masters Revived Alexandre Andreyev, 2014-05-08 This book examines the lives of the famous Russian painter thinker and mystic Nikolai Roerich and his wife Elena Roerich the mother of Agni Yoga esoteric teaching Extensively researched it focuses on the couple s spiritual quest resulting in their gradual transformation under the influence of theosophy spiritualism and Elena s psychic fiery experience into mystics and gurus who fashioned their new version of the myth of the Masters the invisible guides of humanity Special attention is given to N Roerich s travels in Central Asia and Far East his cultural and public activities and particularly his Buddho Communist utopia The myth of the Masters revived will appeal to those interested in New Age esotericism mysticism and Russian thought in the first half of the 20th century

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1978 *Religious Books, 1876-1982*, 1983 **The Wreath of Wild Olive** Mihai Spariosu, 1997-01-01 Examines the concept of play in Western thought with special emphasis on the relationship between aesthetics and ethics and envisions literary discourse as contributing to an alternative mentality based on peace rather than power Library of Congress Catalogs Library of Congress, 1979 **Changing Religious Worlds** Bryan Rennie, 2001-01-01 Assesses Mircea Eliade s contribution to the contemporary understanding of religion and the academic study of religion **The Birth of Modernism** Leon Surette, 1994 In *The Birth of Modernism* Leon Surette challenges our traditional understanding of modernism by situating the origins of modernist aesthetics in the occult Kabbalah and Eros Moshe Idel, 2005-01-01 In this book the world s foremost scholar of Kabbalah explores the understanding of erotic love in Jewish mystical thought Encompassing Jewish mystical literatures from those of late antiquity to works of Polish Hasidism Moshe Idel highlights the diversity of Kabbalistic views on eros and distinguishes between the major forms of eroticism The author traces the main developments of a religious formula that reflects the union between a masculine divine attribute and a feminine divine attribute and he asks why such an erotic formula was incorporated into the Jewish prayer book Idel shows how Kabbalistic literature was influenced not only by rabbinic literature but also by Greek thought that helped introduce a wider understanding of eros Addressing topics ranging from cosmic eros and androgyny to the affinity between C J Jung and Kabbalah to feminist thought Idel s deeply learned study will be of consuming interest to scholars of religion Judaism and feminism *American Book Publishing Record*, 1977

C.G. Jung and the Humanities Karin Barnaby, Pellegrino D'Acierno, 2017-03-14 C G Jung has been and continues to be a pervasive yet often unacknowledged presence in twentieth century art and intellectual life This timely volume is the first comprehensive attempt to assess this presence and to demonstrate Jung s far reaching cultural impact The distinguished contributors represent a number of views from traditional Jungian to the most contemporary post Jungian stances including feminist non Jungian and anti Jungian positions Jung as seen in this volume addresses a wide range of contemporary issues related to creativity gender religion popular culture and hermeneutics The essays reveal dimensions of his work that extend

far beyond psychoanalytical theory and that show his hermeneutics to be a much more subtle and sophisticated methodology than previously allowed by his critics This methodology appears in fact to have anticipated significant aspects of contemporary critical principles and practice The contributors to the volume were among the participants in a major international conference sponsored by Hofstra University and the C G Jung Foundation of New York held in 1986 at Hofstra University They include Thomas Belmonte Robert Bly Joseph Campbell Edward S Casey Stanley Diamond Jean Erdman Leslie Fiedler James Hillman Paul Kugler Ibram Lassaw Neil Levine David L Miller Lucio Pozzi Gilles Quispel Robert Richenburg Carol Schreier Rupprecht Andrew Samuels Harold Schechter and June Singer Originally published in 1990 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Philosophy, Religious Studies, and Myth Robert A. Segal, 2014-07-16 Much of the theorizing about myth in philosophy and religious studies grows out of efforts to understand the classics and the Bible In the case of the classics the presence of myth has been taken for granted and conclusions reached about Greek and Roman mythology have spurred generalizations about myth In the case of the Bible however the existence of myth has been contested In fact Judaism and Christianity are regularly praised for their nonmythic outlook Conclusions reached about the presence or absence of myth in either the Hebrew Bible or the New Testament have led to generalizations about myth per se Many of the essays in this volume apply theories of myth to classical biblical and ancient Near Eastern cases but in so doing they draw conclusions about the nature of myth itself Those essays that criticize past applications make generalizations as well By no means has all theorizing about myth from philosophy and religious studies centered on the ancient world and this volume contains selections from theories in both disciplines that stem from reflections on the nature of science language knowledge and reality

Cross Currents, 1988 Yearbook of Central European culture [Subject Catalog, 1977](#) Library of Congress, 1977 **The British Library General Catalogue of Printed Books 1976 to 1982** British Library, 1983

Eranos Hans Thomas Hakl, 2011-01-01 From 1933 and for a period of almost seventy years Italy's Lake Maggiore region was the gathering place for some of the world's foremost philosophers Once a year illustrious thinkers such as Carl Jung Erich Neumann Mircea Eliade D T Suzuki and Adolph Pormann gathered there for Eranos a meeting of the minds for elite intellectuals Hans Hakl presents the only complete study of what is arguably the single most important gathering of scholars in the twentieth century Eranos chronicles the golden years of Jung Corbin Eliade and Scholem tracing the roots of the Ascona movement in Theosophy its later branches and many lesser known but no less fascinating figures Distilling decades of archival research and interviews with Eranos participants Hakl illuminates the dialogue of religion esotericism and

scholarship that began with Eranos and continues to the present day This finely crafted history shows how Eranos played an important counterpart to the dominant spiritual and intellectual history of the twentieth century by encouraging freedom of thought and radicality Detailing the development and influence of a movement that set the course of contemporary philosophical thought Eranos is a landmark volume that will draw readers interested in the history of ideas psychology religious and cultural studies Jewish and Islamic studies the history of science mysticism and the development of new age religions *Parabola* ,1988 *Mircea Eliade* Douglas Allen,Dennis Doeing,1980 **Modernities** Joseph Masheck,1993 Joseph Masheck wants to take art historical and modern as a field of lively interrelations as if in random access memory retrieval rather than just second the motion that art history should be nonlinear and he takes the task of art criticism to be theory in practice Thus significant new art is represented in the thirty essays in Modernities besides already classic modern architecture sculpture and photography and contemporary painting by artists Alternating between a comprehensive sense of art history and engagement with the new and unplumbed contemporary arts he considers himself a kind of aesthetic double agent Because Masheck is concerned with the concrete standing of artworks he speculates on how works of art including Marcel Duchamp s ready mades relate to other things More general themes range from the origin of the modern sense of form in prehistoric art to the historical underpinnings of expressionism and on to latter day graffiti culture **Mircea Eliade: Autobiography** Mircea Eliade,2024-05-31 Here finally are Eliade s memoirs of the first thirty years of his life in Mac Linscott Rickett s crisp and lucid English translation They present a fascinating account of the early development of a Renaissance talent expressed in everything from daily and periodical journalism realistic and fantastic fiction and general nonfiction works to distinguished contributions to the history of religions Autobiography follows an apparently amazingly candid report of this remarkable man s progression from a mischievous street urchin and literary prodigy through his various love affairs a decisive and traumatic Indian sojourn and active brilliant participation in pre World War II Romanian cultural life Seymour Cain Religious Studies Review Youth Without Youth and Other Novellas Mircea Eliade,1988 Three novellas set in Romania In The Cape a saboteur prints phony copies of the Romanian party organ Scinteia antedating them by three years The secret police highly agitated deduce that a worldwide peace organization is sending coded messages through the paper derived from the beatitudes In Youth Without Youth an old man is struck by a bolt of lightning and becomes young again Now endowed with a fantastic memory and comprehension he receives thought messages from the supernatural Nineteen Roses concerns the secretary of a famous writer who finds himself reliving an experience that happened to his employer 30 years ago The writer disappears and is presumed dead but is he
