abandoned on the beach It is rescued by a group of black musicians who repair it and move it to a club where it has to learn the new music Jazz The saga of the French piano continues in America eventually leading to piano s vainglorious participation in the cruelest sport of the Great Depression Marathon Dancing The piano survives it all Finally when it ends up among the props at the MGM Movie Studio and is sold at the famous MGM auction in 1970 piano is an old and wise instrument which views its history with a touch of nostalgia It still wants to serve Apollo the god of light and music but it has a secret desire to work with young musicians on the threshold of their fame as it did once with Debussy at the start of his life And at last the great piano s desire is fulfilled When a Piano Falls Darin L.
