Naledi Raspberry, 2009-10-16 How to Plan A Beautiful Wedding in Three Months or Less for

Under 10 000 is a comprehensive handbook for people who would like to have beautiful weddings that won't jeopardize the marriage because of debt or complications and who don't have the typical 12-18 months to plan the ceremony. It's in an easy to use format. Tips from newlyweds, worksheets for 1) prioritizing goals and results, 2) organizing time and effort, and 3) adhering to a budget are included, as well as stories from nine couples whose weddings can serve as examples. The featured weddings represent a variety of faiths including Protestant, Russian orthodox, Muslim, Bahá'í, and Roman Catholic, as well as secular ceremonies. The bride and groom's ages range from 17 to 72. Each couple's story is divided into four categories: the situation, the schedule, a description of the ceremony, and the budget.

They want a unique wedding but they can't afford to spend that kind of money. They want to please their families but not at the expense of pleasing themselves. They have questions upon questions but they don't want a rehash of the same old information. They expect and deserve inside advice from brides who have been there. Enter **The Unofficial Guide to Planning Your Wedding**. By teaching readers to sit down and focus on the kind of wedding they want, it allows them to come through the event with their sanity and their pocketbooks intact. The practical tools and checklists detail what to expect to spend on the caterer, the florist, the photographer, etc., as well as how to handle such sticky situations as intermarriages, divorced parents, and family feuds. And best of all, it reminds readers about the elements of a truly unique wedding.

A Christ-Centered Wedding Catherine Parks, Linda Strode, 2014-05-01 Wedding planning has spawned a major industry. The average cost of the occasion now exceeds 25 000, and societal pressure to create the perfect day is so strong that even Christian couples forget what God originally intended for the sacred marriage ceremony. While paying attention to the good fun that follows—the special proposal, the dress, the flowers, the cake, the gatherings, etc.—**A Christ-Centered Wedding** first serves as a guide to believers who want their wedding to portray the relationship of Christ with the church and to reflect the gospel to all in attendance. From the start, this thoughtful book looks to the Creator of weddings for guidance in planning, by emphasizing the sacrificial love of the Savior more than the modern world's idealistic view of romantic love. There are chapters filled with practical information about everything from pre-marital counseling and choosing a wedding location to other resources like a planning checklist and timeline, music suggestions, guidance on potential issues of conflict, a listing of traditional financial responsibilities, sample vows, and other great ideas from couples who have successfully put together a Christ-centered wedding.
