Alberts,2008-06-17 Historical documentation and perspectives on jazz music the social and political music environment of the period of the 1960 s in San Francisco told by local musicians with their stories and interviews Back cover **Stan Getz**

Nicholas Churchill,2004-12-29 Some may only know the jazz legend Stan Getz tenor saxophonist for his bossa nova hits Desafinado and The Girl from Ipanema However Getz born in 1927 began to play professionally at age 15 and his rich musical career lasted until shortly before his death on June 6 1991 He played in a wide variety of musical settings such as big band orchestral quartet and duo The incredible beauty of his sound sparked the late jazz great John Coltrane to say We would all play like Stan Getz if we could When Getz died jazz trumpeter Dizzy Gillespie said He was sheer genius And there s one thing about this man he was the most melodic player on the jazz scene This bibliography the first of its kind contains a total of 2 576 bibliographic citations with 2 292 of them annotated It includes references to periodical literature articles from news wire services books dissertations films videos television programs radio broadcasts and Web sites The citations are primarily from English language sources Materials in English and French as well as a handful of items from other languages are annotated This work includes a preface that contains the scope of the work a user s guide and a list of more than 340

periodicals cited The main body of the work is divided into the following sections album reviews performance reviews discographies and discographical information transcriptions biographical and critical works filmography and appendix Album reviews are provided for 240 albums along with the discographical details for each of these albums The appendix contains unannotated citations to materials in Danish Dutch German Italian Norwegian Spanish and Swedish **Sax Expat** Con Chapman,2025-04-15 Don Byas 1913 1972 may be lesser known than the counterparts he played with Count Basie Duke Ellington and Dizzy Gillespie among others but he was an enigma He never stayed with a band for long and eventually went solo partly to make more money and partly due to his inability to work with bandleaders Often drinking to excess alcohol fueled his sometimes erratic behavior on and off the bandstand He went through at least thirteen different groups in fifteen years of professional play before leaving for Europe in 1946 Despite his fractious personality in Europe he found peace and contentment as a family man in the Netherlands where he lived out his days with his second wife and their four children He learned at least seven languages during his years in Europe and on traveling to a new country could pick up a few phrases in short order soon speaking to the locals and even composing songs in their native tongue In Sax Expat Don Byas author Con Chapman argues that Byas s relative obscurity arises from his choice to live in Europe where he missed out on recording opportunities and exposure in the US that would have made him renowned and wealthier His numerous achievements including his solo on Count Basie s Harvard Blues which is a model of restrained invention his interpretation of the sentimental movie theme Laura and his duets with bassist Slam Stewart were included in the Smithsonian Collection of Classic Jazz and secured Byas s place in jazz history This biography brings to life an amazing jazz story Portable Prairie M. J. Andersen,2025-09-23 In a moving and bittersweet story M J Andersen chronicles her childhood and adolescence in South Dakota her departure to forge her own life and her persistent longing for the landscape she left behind Her hometown given the fictional name of Plainville is so quiet that one local family regularly parks by the tracks to watch the train pass through Yet small town life and especially the prairie prove to be fertile ground for Andersen s imagination Exploring subjects as seemingly unrelated as Roy Rogers and Tolstoy s beloved Anna Karenina she repeatedly locates a transcendent connection with South Dakota s broad horizon Andersen introduces us to her hardworking newspaper family which produces one of Plainville s two competing weeklies to Job s Daughters a Christian association intended to prepare young women for adversity Plainville s chapter assumes the added responsibility of throwing the town s best teen dances and even to a local variety of hardy alfalfa to which her best friend has a surprising kinship Leaving behind her physical home Andersen travels East for college remaining to begin a journalism career With her husband she eventually settles into her first house a beautiful Victorian that though loved somehow does not feel like home in the way she had anticipated Through subsequent travels memories and a meditation on Tolstoy s complex relationship to his ancestral home she arrives at a new idea of what home is one that should resonate with every American who has ever had to pull up stakes **Jazz & Blues** Graham

Concerto for Cootie Steven C. Bowie,2025-10-24 Jazz legend Cootie Williams left home to start his career as a professional musician at the age of fifteen In 1940 after eleven years as one of the major soloists with the Duke Ellington orchestra Williams was lured away to the band of Benny Goodman one of the most popular bands in the country At the time it was a controversial move it was still taboo for African Americans to share the bandstand with white people Current references reduce it to a song written by Raymond Scott When Cootie Left the Duke In reality it was a seismic event The Black press predicted Black bands would collapse from raids on their ranks White musicians were afraid they would be put out of work And the white press stirred up visions of Black musicians mixing with white women in the new landscape of integrated orchestras The twenty years trumpeter Williams spent as a band leader 1942 1962 have been covered in only the barest of details His involvement in politics and the civil rights movement have not been detailed before An astute talent scout Williams and his band launched the careers of Eddie Cleanhead Vinson Earl Bud Powell Eddie Lockjaw Davis and Pearl Bailey He also was the first to record the music of a young Thelonious Monk using two of Monk s compositions Epistrophy and Round Midnight as theme songs for his band Steven C Bowie respectfully tells Williams s story from his Alabama ancestry onward including many new details rediscovered from the historical archives of the African American press and those gleaned from the author s interviews with his friends and colleagues
