## **Sensuous Summer:**

**New York Magazine** ,1971-07-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      **The Celebration of the Flesh** Arthur C. McGill,2008-02-12 An enjoyment of the poet s art as seen in the words of T S Eliot Robert Frost and Wallace Stevens As a Protestant theologian writes McGill in his preface I have always been puzzled that within the Christian community poetry is often used for its insight into our modern miseries but that it is rarely enjoyed as poetry This book seeks to redress the balance McGill focuses on three American poets Eliot Frost and Stevens all of whom belong to the same poetic generation and thus provide a microcosm of poetry from this era Influenced by Owen Barfield John Crowe Ransom and Cleanth Brooks he identifies poetry with the fleshly aspect of experience yet never as distinct from a spiritual aspect In the kingdom of God people are created with flesh reconciled through flesh and glorified as flesh To hide from the flesh for the sake of the spirit is to miss the Christian life It is this danger which gives special meaning to the enjoyment of poetry This experience of poetry according to McGill is always a healthy antidote to spiritual pride

Lippincott's Monthly Magazine ,1891      **Thunder at Dawn** Jill Gregory,2005-07-26 TWO LONG AGO LOVERS ONE UNFORGETTABLE PASSION Prosecutor Faith Barclay has made a successful career putting bad guys behind bars But the work is starting to get to her Haunted by the one misstep that set a stalker free Faith escapes to her family s cabin in Thunder Creek far from the big city and the recent menacing calls that have her spooked When she arrives she encounters another kind of danger Zach McCallum the sexy wild hearted cowboy who walked out on her ten years before A SECOND CHANCE IN THE TOWN WHERE IT ALL BEGAN Zach will never forget those hot lazy nights in Faith s arms he prayed would never end Now the beautiful attorney is back in the Wyoming town where they first tasted passion and this time Zach is determined not to let her get away But someone else is watching over Faith leaving threatening messages someone who has tracked Faith all the way to Thunder Creek And as passion and danger ignite it s up to Zach to protect the fiercely independent woman he never stopped loving no matter what the risk      Ainslee's ,1913      The Chap-book ,1894      **The Journals of Spalding Gray** Spalding Gray,2012-10-02 Riveting funny heartbreaking at once raw and lyrical these journals reveal the extraordinary inner life of the actor writer who invented the autobiographical monologue and perfected the form in such celebrated works as *Swimming to Cambodia* Begun when he was twenty five Spalding Gray s journals reflect on his childhood his craving for success the downtown New York arts scene of the 1970s his love affairs marriages and fatherhood his travels in Europe and Asia and throughout his passion for the theater where he worked to balance his compulsion to tell all with his fear of having his deepest secrets exposed The Journals of Spalding Gray gives us a haunting portrait of a creative

genius who we thought had told us everything about himself until now      **The Australian Journal** ,1894      **New York Magazine** ,1989-06-05 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea      *Gates of Twilight* Henry Elliot Harman,1910      **Made in Italy** Maria J. Ardizzi,1999 This is a tough and poignant novel that tells us the uncompromising story of an immigrant woman struggling to find freedom and happiness in Canada only to have them snatched away by a series of tragedies Ardizzi uses a powerful and poetic language to capture the deepest sentiments of a woman with imagination and courage      *From My Lips to God's Ears* M A. Walker,2012-03-09 This autobiographical novel is a fusion of the author s heritage and a recollection of the life altering event that potentially could have destroyed her life From the outset of the story which takes us back to the depression years and her father s exploits during World War II the reader gets the impression that this is not the real message there is something much deeper going on This curiosity about what really happened keeps the reader turning the pages only to discover the heart breaking story of cruelty and total disregard for a young girl s life Many times people feel isolated and alone while being surrounded by the family and friends who think they know them best The main character of this novel is such a person Her sense of worthlessness and self loathing lead to many acts of self destruction as she desperately tries to terminate her tortured life Such stories have become all too common and have the potential to destroy the hopes and dreams of their victims Fortunately for the readers of this book the story does not stop at that point It offers an understanding of how victims can find a way out of the hell in which they have been placed and become restored to wholeness once again It is the story of a second chance to have a normal life filled with all the happiness and endless blessings God intended all people to enjoy From My Lips to God s Ears has stirred up many emotions within me To open up and tell aspects of your life takes great courage It has made me realize that we are quick to judge when we really don t know what has gone on in a person s life I also believe that we have at least one good book in us but are probably not prepared to bare our souls as M A Walker has The bottom line is that God knows each book that is in us and He alone will judge the story we have to tell Great book please read Fred Myers
