Subversive Meals Streett R Alan, 2016-11-24 In Subversive Meals Alan Streett follows on from James C Scott's idea of a hidden transcript to argue that the Lord's Supper was a subversive non violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord's Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE Subversive Meals analyses how the structure of the Lord's Supper followed that of a Roman banquet by having a deipnon and a symposium the latter being the time when anti resistance discussions would take place Streett examines several aspects of the history context and theological significance of the Lord's Supper He discusses such topics as the identification of Passover as an anti imperial meal against the Pharaoh's rule the Roman domination system the meal practices of Jesus the eschatological meaning of the Last Supper the practice of this anti imperial work ethic in the early church and the gift of prophecy as a symposium activity By seeing the Lord's Supper as a political act readers will be able to study Scriptural passages more closely and precisely

Mission and Development Matthew Clarke, 2012-01-26 This book considers the implications consequences opportunities and constraints faced when mission and development endeavours coincide This is explored from various perspectives including that of history theology and those involved in mission work and missionary organizations Despite eighty per cent of the world's population professing religious belief religion has been largely excluded from consideration of those seeking to achieve development in poorer countries Moreover the work of missionaries has often involved the provision of basic welfare services that in many parts of the world predate the interventions undertaken by professional secular aid workers Are missionaries doing development work or is development a critical aspect of mission

Methodism and American Empire David William Scott, Filipe Fernandes R. Maia, 2024-01-31 Living into a less colonial way of being together Methodism and American Empire investigates historical trajectories and theological developments that connect American imperialism since World War II to the Methodist tradition as a global movement The volume asks to what extent is United Methodists vision of the globe marred by American imperialism Through historical analyses and theological reflections this volume chronicles the formation of an understanding of The United Methodist Church since the mid 20th century that is both global and at the same time dominated by American interests and concerns Methodism and American Empire provides a historical and theological

perspective to understand the current context of The United Methodist Church while also raising ecclesiological questions about the impact of imperialism on how Methodists have understood the nature and mission of the church over the last century Gathering voices and perspectives from around the world this volume suggests that the project of global Methodism and the tensions one witnesses therein ought to be understood in the context of American imperialism and that such an understanding is critical to the task of continuing to be a global denomination The volume tells a tale of complex negotiations happening between United Methodists across different national cultural and ecclesial contexts and sets up the historical backdrop for the imminent schism of The United Methodist Church **A History of the Ecumenical Movement, Volume**

2 Harold C. Fey, 2009-12-01 Volume 2 1948 1968 first appeared in 1970 It covers the history of the World Council of Churches from its first assembly at Amsterdam to its fourth assembly at Uppsala Sweden analyzes the development of regional ecumenical organizations and recounts the impact of the Second Vatican Council on the ecumenical witness of the Roman Catholic Church **The Ecumenical Movement** Thomas E. FitzGerald, 2004-04-30 What is Ecumenism How and

when did it start What are its goals and how will they affect the future of the Christian churches This book answers these questions and examines the remarkable story of new encounters between Orthodox Roman Catholic Anglican Old Catholic and most Protestant churches Most of these churches have been divided for centuries over issues of theology faith and practice Ecumenism seeks to reconcile these differences and to bring the churches together into a new unity based on their commonalities and their understanding of Christian faith Here FitzGerald traces the history of the churches and their divisions and focuses on the ways in which the Ecumenical movement began and the efforts that have been made to assist the churches in overcoming age old strife animosity and misunderstanding For centuries Christian churches have remained divided over their doctrinal differences but beginning in the late nineteenth century churches and their members slowly began to emerge from their isolation They began to abandon competition mistrust and misunderstanding in an effort to seek out their common interests and faith through meetings and organizations meant to bring them together The encounters between the churches led to proposals for common prayers for unity and for common witness in society While not without difficulty these encounters have fostered a renewal in Christian theology worship and witness affecting all levels of church life The process has touched Christians all over the world in various ways FitzGerald carefully traces the history of the movement and its impact on the churches themselves as well as the believers who attend them making this important reading for all Christians and anyone interested in learning more about church division and efforts to restore unity **The**

Ecumenical Movement Michael Kinnamon, Brian E. Cope, 1996-12-31 Included in this collection of documents from the twentieth century ecumenical movement are passages from texts produced by assemblies conferences and studies of the World Council of Churches and similar bodies covering three areas of historical concern within modern ecumenism faith and order life and work and mission and evangelism *God's Mission in Asia* Ken Christoph Miyamoto, 2007-06-15 Ecumenism in

postwar Asia institutionalized in the Christian Conference of Asia displayed a remarkable this worldliness from its inception in the 1940s This tendency was in contrast to the tension between the church centric and world centric approaches to Christian mission that marked conciliar mission thinking in the West This work examines the development of such this worldly holiness in Asian ecumenism focusing on M M Thomas of India and C S Song from Taiwan Special attention is drawn to the idea of God s this worldly presence that considers God as redemptively at work in world history apart from the church The study first compares the development of this worldly holiness in the West and Asia and then examines the thinking of Thomas and Song The chapters on these two theologians discuss their backgrounds the basic concerns motivating their intellectual searches and responses to the questions arising from such concerns These chapters also try to understand how these theologians view the relationship between God and the world In so doing the study highlights the significance of the idea of God s this worldly presence shared by Thomas and Song in spite of differences in their backgrounds approaches and theological formulations Having compared Thomas and Song the study concludes that the idea of God s this worldly presence became central to Asian ecumenism because it offered a common unifying vision to Asian Christians who come from a region characterized by tremendous diversity The idea helped them to see the diverse peoples cultures and religions in Asia under one God who transcends the diversity and still takes it seriously

T&T Clark Handbook of Ecclesiology Kimlyn J. Bender,D. Stephen Long,2020-10-15 Divided into 3 parts this handbook provides a wide ranging survey and analysis of the Christian Church The first section addresses the scriptural foundations of ecclesiology the second section outlines the historical and confessional aspects of the topic and the final part discusses a variety of contemporary and topical themes in ecclesiology Compiled and written by leading scholars in the field the T T Clark Handbook of Ecclesiology covers a range of key topics in the context of their development and importance in each stream of historic Christianity and the confessional traditions The contributors cover traditional matters such as creedal notes but also tackle questions of ordination orders of ministry and sacraments This handbook is extensive enough to provide a true overview of the field but the essays are also concise enough to be read as reference selections

Footprints of God Charles E. Van Engen,Nancy Thomas,Robert Gallagher,2011-07-27 Twenty five doctoral students from around the world recently set out to

forge a new path toward a theology of mission As they blazed a new trail they discovered the footprints of God evidence that God was their trial guide Charles Van Engen led this group of mission practitioners pastors teachers and mission executives as they set out to discover answers to important questions such as What is theology of mission and What is missiology The team used a new approach to answer these questions employing narrative to integrate personal story community stories cultural stories and biblical stories Each writer brings his or her own unique context to bear on these important questions through personal story and by highlighting the work of a major missiologist who has impacted their life and work By drawing from personal stories the authors show how human factors affect missiology All of the chapters are set within a unique theological framework created by Charles Van Engen that focuses on mission of the way mission in the way and mission on the way This framework reveals that mission must be of the way Christ centered in the way happening among the peoples and cultures of the world and on the way moving forward over time through God s people as they anticipate Christ s present and coming kingdom If you are concerned about connecting the Bible theology and ministry with the complexity and variety of contexts facing Christians today then you will want to join this journey to discover the footprints of God As Van Engen says you will be encouraged to think theologically about mission and missiologically about theology T&T Clark Companion to Methodism Charles Yrigoyen Jr,2014-09-25 The first volume in the T T Clark Companions series this volume is a handbook on Methodism containing an introduction dictionary of key terms and concentrates on key themes methodology and research problems for those interested in studying the origins and development of the history and theology of world Methodism The literature describing the history and development of Methodism has been growing as scholars and general readers have become aware of its importance as a world church with approximately 40 million members in 300 Methodist denominations in 140 nations The tercentenary celebrations of the births of its founders John and Charles Wesley in 2003 and 2007 provided an additional focus on the evolution of the movement which became a church This book researches questions problems and resources for further study **The People Called Metodista** Edgardo A. Colon-Emeric,2022-06-21 I am not afraid that the people called Methodists should ever cease to exist either in Europe or America But I am afraid lest they should only exist as a dead sect having the form of religion without the power John Wesley 1786 Church renewal is widely discussed across Methodism today and yet such renewal will not happen apart from serious engagement with and from the margins of society Through a series of new and previously published essays this book looks to the experiences of Methodists in Latin American pueblos and Hispanic barrios to open new scholarly conversations about doctrine worship and mission for the sake of social renewal The flames of renewal do not confine themselves to Methodism But from the people called metodista they can spread sharing in the Wesleyan movement s fundamental calling to revitalize the church universal in its mission to the world Praise for The People Called Metodista What is the future of Methodism Col n Emeric offers a deep meditation on this difficult question and suggests an answer we find its future in the margins of the church Nashville and London must learn to sing
