Serial Murderers Their Victims 4th:

Serial Murderers and Their Victims Eric W. Hickey, 2006 The author examines the lives of over 400 serial murderers analyzing the cultural historical and religious factors that influence our myths and stereotypes of these individuals He then describes the biological psychological and sociological reasons for serial murder offering his own Trauma Control model for explaining serial murder behaviour This new edition includes new case profiles of Canada's two most prolific serial killers Robert Willy Picton and Clifford Olsen

Serial and Mass Murder Elizabeth A. Gurian, 2021-09-30 This book reframes the study of multicide that is serial and mass murder to use objective measures and aims to expand our understanding of multicide offending through descriptive and inferential statistical analyses of different homicide patterns of the offenders Criminal homicide and multiple murders are rare occurrences that typically account for a very small percentage of all violent crimes in most countries Despite this low occurrence homicide continues to be an area of intense study with a focus on subjective measures and classifications The research and analysis based on a database of over 1 300 cases contributes to the criminological study of violence and draws distinctions between the types of offenders partnered and solo serial and mass male and female etc from a range of different countries and across decades Traditionally studies of homicide focus on male offenders and theories of offending are then applied to females and co offenders The research presented in this book reveals that women and partnered offenders have very different homicide patterns from men Looking at the history of multicide offending this book uses descriptive and inferential statistical analyses to directly compare differences in offending and outcome patterns across multicide offender types This exploration of the multidimensionality of homicide at an international level is useful for scholars and students interested in criminal justice criminology psychology sociology or law

Forever Loved: Exposing the hidden Crisis of Missing and Murdered Indigenous Women and Girls in Canada Lavell Memee.D Harvard,2016-05-01

The hidden crisis of missing and murdered Indigenous women and girls in Canada is both a national tragedy and a national shame. In this ground breaking new volume as part of their larger efforts to draw attention to the shockingly high rates of violence against our sisters Jennifer Brant and D Memee Lavell Harvard have pulled together a variety of voices from the academic realms to the grassroots and front lines to speak on what has been identified by both the Inter American Commission on Human Rights and the United Nations as a grave violation of the basic human rights of Aboriginal women and girls. Linking colonial practices with genocide through their exploration of the current statistics root causes and structural components of the issue including conversations on policing media and education the contributing authors illustrate the resilience strength courage and spirit of Indigenous women and girls as they struggle to survive in a society shaped by racism and sexism patriarchy and misogyny. This book was created to honour our missing sisters their families their lives and their stories with the hope that it will offer lessons to non Indigenous allies and supporters so that we can all work together towards a nation that supports and promotes the safety and well being of all First Nation Métis and Inuit women and girls.

The Profiler Diaries Gérard Labuschagne, 2021-03-10. In this gripping and sometimes terrifying account former South African Police Service SAPS head profiler Dr Gérard Labuschagne successor to the legendary Micki Pistorius recalls some of the 110 murder series and countless other bizarre crimes he analysed during his career. An expert on serial murder and rape cases Labuschagne saw it all in his fourteen and a half years in the SAPS. He walks the reader through the first crime scene he ever attended his arrest of the Muldersdrift serial rapist his experience as the head of the task team mandated to catch the Quarry serial murderer his involvement with the Brighton Beach axe murders and more. Despite often being stymied by a lack of resources office politics and political interference Labuschagne and his team were always determined to get their man or woman as in the Womb Raider case. **The Profiler Diaries** is a fascinating and often hair raising glimpse into what it was like to be a profiler in the world's busiest profiling unit.
