Davis, 2013-05-05 For most of us one of the most rewarding yet difficult tasks is preparing messages to preach and teach We are honored by God to stand before our congregation each week and we want to give them the very best but with the press of the many demands of ministry sometimes that is difficult to do And if you're like me you prefer writing your own sermons because you have a special connection with your congregation that is hard to reach through a message someone else has written In other words no one knows your people like you do Our new Pulpit Outline Series gives you a starting point a sermon title a deductive sermon

outline and a relevant illustration you can use however you like In this edition rather than an outline we have given you full manuscript messages that can be edited to suit your purposes We invite you to make these messages your own because only you know the people God has called you to preach to And we are so honored that you've invested in this unique third volume in the Pulpit Outline series 52 Funeral Sermons We have put together the most tasteful relevant and Biblical messages possible May God Bless You as You Share His Word Fifty Sermon Outlines on the Way of Salvation (Sermon Outline Series) Jeff D.
