Safe Book Paul E. Lingel,2025-09-18 Safe Book is the story of an aspiring writer and the obstacles and struggles he encountered in his quest for recognition His journey took many turns and detours from the dangers of working the night shift in a convenience store in a crime infested neighborhood to a security guard in a hospital where the trauma unit was always filled His journey mirrors those of many who are trying to make ends meet while still pursuing their creative endeavors always hoping that the next mail delivery will bring the long awaited letter that his stories will be published After many rejections one day that letter did indeed arrive His many disappointments faded into the background whenever he stepped off the train and onto the platform at Penn Station On those days he was rejuvenated by the excitement of New York City and found peace wandering through the Metropolitan Museum of Art At the end of the day he was able to head back to his life across the Hudson River Share the joy he felt when his long awaited vacation arrived each year and he would rent a car and

roam the shores of Long Island finding the waves of the ocean a tranquil quiet for his soul Follow his search for a soulmate after his wife gets on a bus over Christmas and never returns home leaving him with many unanswered questions This is a story of an unfulfilled dream to be able to support a home and a family with his writings A dream never realized in his lifetime

Egypt in the Eastern Mediterranean During the Old Kingdom Karin Sowada, 2009 This study presents a revised view of Egyptian foreign relations in the eastern Mediterranean during the Old Kingdom 3rd 6th Dynasties based on an extensive analysis of old and new archaeological data and its relationship to the well known textual sources The material demonstrates that while Egypt s most important relationships were with Byblos and the Lebanese coast generally it was an active participant in the geo political and economic affairs of the Levant throughout much of the third millennium BCE The

archaeological data shows that the foundation of these relationships was established at the beginning of the Early Dynastic Period and essentially continued until the end of the 6th Dynasty with ebbs flows and changes of geographical and political emphasis It is argued that despite the paucity of textual data the 4th Dynasty represents the apogee of Egypt s engagement in the region a time when the centralised state was at the height of its power and control of human and economic capital More broadly this study shows that Egyptian interaction in the eastern Mediterranean fits the pattern of state to state contact between ruling elites which was underpinned by official expeditions engaged in gift and commodity exchange diplomatic endeavours and military incursions Records & Briefs New York State Appellate Division , **In Re Timpone**

Deitche,2022-06-15 From the author of the star reviewed Garden State Gangland comes an in depth expos on East Harlem s notorious Purple Gang whose murderous exploits became a media obsession and Mafia lynchpin In the late 1970s a string of seemingly unconnected murders had Harlem police and federal authorities at their wits end until they realized several commonalities The victims were all either Mafia members or potential witnesses of Mafia activity and they d all been shot from 22 pistols traced back to a single private sale in Florida From these details the FBI and police were able to build a profile of a rogue sect of Mafia hitmen known as the East Harlem Purple Gang Starting on the fringes of Mafia families the Purple Gang members became indispensable and installed members in the highest ranks of the Genovese Bonanno and Lucchese families Often serving as freelance hitmen kidnappers and drug traffickers the Purple Gang s exploits quickly crossed into mythology as media outlets scrambled to keep up with new murders and the law s crusade to bring the gang members to justice Sifting through the mystery and mythos author Scott M Deitche brings readers into Harlem s gritty streets to experience the Purple Gang s reign of terror the investigators who tried to bring them down and the gang members who either suffered violent ends or are still at large today
