Servant Messiah A Study Of The Public Ministry Of Jesus:

The Servant-messiah Thomas Walter Manson,1956 **The servant Messiah : a study of the public ministry of Jesus** T. W. Manson,1943 THE SERVANT MESSIAH William Manson,1953 *Life of Jesus research* Evans,2019-07-01

Life of Jesus Research offers students and scholars annotated bibliographies for all of the major areas of critical scholarship in the historical Jesus providing complete bibliographical information annotations and brief introductions to the various subjects The work is an indispensable tool for research in this important field of study *Life of Jesus Research* Craig A. Evans,1996 This volume offers annotated bibliographies for all the major areas of critical scholarship in the historical Jesus It is an indispensable tool for research in this important field of the study Isaiah's Christ in Matthew's Gospel Richard Beaton,2002-11-14 Matthew's Jesus is typically described as the humble compassionate messiah This 2002 book argues that this is however only half the story Matthew's theologically rich quotation of Isaiah 42 1 4 traditionally considered one of the four servant songs underscores that manifest in Jesus powerful message and deeds particularly his healings and inclusion of the marginalized is the justice that was thought to accompany the arrival of the kingdom of God The study explores modifications to the text form of the Isaianic citations their relationship to the surrounding context and the rhetorical force of the final form It argues that the quotations are bi referential functioning on both a narrative and theological level and also explores the issues surrounding the troublesome extraneous content It arrives at the conclusion that this citation was central to Matthew's understanding of Jesus life and mission All totalled this study offers a refreshing exploration of Matthew's high ethical Christology **The Contemporary Quest for Jesus** N. T. Wright, One of the most prominent voices in New Testament research today concisely explores what he sees as the six major questions historical Jesus research must address including How does Jesus fit into Judaism What were Jesus aims and Why did Jesus die **Bart Ehrman Interpreted** Robert M. Price,2018-04-24 Arguably no scholar in the 21st century has had more of an impact on public discussion and debate over the historical Jesus and the development of early Christianity than distinguished professor of religious studies Bart D Ehrman He has introduced many new readers to crucial questions of biblical criticism in a series of bestselling books In *Bart Ehrman Interpreted* theologian and writer Robert M Price evaluates Ehrman's body of work Taking a collegial approach and rejecting polemics Price defends Ehrman's writing against conservative attacks but also suggests a number of points at which Ehrman may be insufficiently or inconsistently critical No matter one's views toward Ehrman *Bart Ehrman Interpreted* will prompt much fruitful and positive discussion of his important work and of the popular and scholarly debates that surround it *The Body of Creation* James B. Pendleton,2020-05-15 In the modern period space has predominately been conceived of as a mere setting for human action ontologically separate from the body In Markan studies the result has been the multiplication of textual geographies that hide the spatiality of Jesus's narrativized and thus living body Rather than representing Jesus's body as replicating the spatial configurations of dominant scribal cartographic practice including

imperial practice James B Pendleton shows that Mark portrays Jesus's body as a living production of space that troubles dominant maps Against readings of Mark that argue that Jesus is either an imperial or an anti imperial figure Pendleton argues that Mark presents Jesus's body and thus his spatiality as both inside as an insider and outside as an outsider simultaneously in what has more commonly been theorized recently as third spatiality or thirdspace Rather than an imperial or anti imperial economy of spatial production Pendleton argues Mark presents Jesus's body within a both and and more economy that is kenotic revealing God's own royal yet emptying body

The Expression Son of Man and the Development of Christology Mogens Mueller, 2014-10-20 Son of Man is practically the only self designation employed by Jesus himself in the gospels but is used in such a way that no hint is left of any particular theological significance Still during the first many centuries of the church the expression as it was reused was given content first literally as signifying Christ's human nature Later Son of Man was thought to be a christological title in its own right Today many scholars are inclined to think that in an original Aramaic of an historical Jesus it was little more than a rhetorical circumlocution referring to the one speaking Mogens Mueller's *The Expression Son of Man and the Development of Christology A History of Interpretation* is the first study of the Son of Man trope which traces the history of interpretation from the Apostolic Fathers to the present concluding that the various interpretations of this phrase reflect little more than the various doctrinal assumptions held by its interpreters over centuries

The Origin of Divine Christology Andrew Ter Ern Loke, 2017-07-03 In recent years there has been considerable debate concerning the origin of divine Christology Nevertheless the proposed theories are beset with problems such as failing to address the evidence of widespread agreement among the earliest Christians concerning divine Christology and the issues related to whether Jesus' intention was falsified This book offers a new contribution by addressing these issues using transdisciplinary tools It proposes that the earliest Christians regarded Jesus as divine because a sizeable group of them perceived that Jesus claimed and showed himself to be divine and thought that God vindicated this claim by raising Jesus from the dead It also provides a comprehensive critique of alternative proposals and synthesizes their strengths It defends the appropriateness and merits of utilizing philosophical distinctions e.g. between ontology and function and Trinitarian concepts for explaining early Christology and incorporates comparative religion by examining cases of deification in other contexts

Judaism and Christianity Alan Avery-Peck, Jacob Neusner, 2009-11-30 This volume treats the interrelationship between Judaism and Christianity from the first centuries and into modern times paying particular attention to these faiths' social cultural and theological interactions The issues covered range from the formation of Jewish and Christian ideology in the context of Roman paganism to the ways in which Christian culture and theology of the medieval and modern periods form a backdrop to the creation of Jewish identity While the historical periods and issues discussed are diverse the result is to suggest the importance of our recognizing the close development of Judaism and Christianity Written by top scholars in Judaic and Christian studies these essays reflect on how the two faiths related to and were shaped by each

other as they evolved in shared historical and cultural contexts even as each maintained its own distinctive ideologies and beliefs

The New Testament and the People of God N. T. Wright, 1992-01-01 Provides a historical theological and literary study of first century Judaism and Christianity offering a preliminary discussion of the meaning of the word god within those cultures and explores the ways in which developing an understanding of those first century cultures are of relevance for the modern world Original

The New Testament and the People of God Nicholas Thomas Wright, 1992-01-01 Provides a historical theological and literary study of first century Judaism and Christianity offering a preliminary discussion of the meaning of the word god within those cultures and explores the ways in which developing an understanding of those first century cultures are of relevance for the modern world Original

The Point of It All J.C. O'Neill, 2019-05-21 The atheism of modern thought is based on irrational assumptions First century Jews expected a suffering Messiah Jesus knew it was he Jesus birth and resurrection in history The point of the parables The point of Christology The historical grounds for scepticism about Christian claims concerning Jesus Christ rely on misreadings of the Bible In a series of original essays the author issues a formidable challenge to many of the presuppositions of modern theology

The Dead Sea Scrolls and the New Testament George J. Brooke, Brooke illuminates the first century world shared by the Qumran community and the writers of the New Testament The Dead Sea Scrolls have provided Old Testament scholars with an enormous wealth of data for textual criticism as well as theology But as Brooke skillfully demonstrates New Testament scholars can use the Scrolls to learn more about the linguistic historical religious and social contexts of Palestine in the first century A wide range of topics and themes is discussed including Matthew's Beatitudes the lost song of Miriam Levi and the Levites women's authority and the use of scripture in the parable of the vineyard

The Branch Preston T. Massey, 2018-07-24 The thesis of the book may be stated simply it is an argument based upon the four prophetic texts of Jer 23 5 Zech 3 8 6 12 and Isa 4 2 as a foundational pattern for the four Gospels These four prophetic texts it will be argued mention a King Branch a Servant Branch a Man Priest Branch and a Lord God Branch This study seeks to show how Matthew presents Jesus as the King Branch Mark as the Servant Branch Luke as the Priest Man Branch and John as the Lord God Branch Consideration will also be given to explore the ramification of the four living Beings as described in Rev 4 6 7 Given the sum total of this sequence of literary facts the conclusion of this book will raise a number of possible implications One of these implications will offer the conclusion that the four evangelists could not have written their four Gospels solely on their own human unaided efforts

Exegetical Essays, 3rd Edition Don Garlington, 2003-10-13 Exegetical Essays is a collection of thirteen biblical studies The purpose of each is to fill a gap in New Testament research or to offer alternate understandings of familiar passages The second edition of these Essays incorporates corrections and updated documentation and presents three new studies The order of the articles follows as closely as possible the canonical biblical text The book commences with a consideration of the biblical theological method followed by an Old Testament essay and then proceeds through the Gospels Paul and Revelation and concludes with review

articles of two recent notable books *Memory and Manuscript* Birger Gerhardsson, 1998 Here in one volume are two of Birger Gerhardsson's much debated works on the transmission of tradition in Rabbinic Judaism and early Christianity In *Memory and Manuscript* 1961 Gerhardsson explores the way in which Jewish rabbis during the first Christian centuries preserved and passed on their sacred tradition and he shows how early Christianity is better understood in light of how that tradition developed in Rabbinic Judaism In *Tradition and Transmission in Early Christianity* 1964 Gerhardsson further clarifies the discussion and answers criticism of his earlier book This Biblical Resource Series combined edition corrects and expands Gerhardsson's original works and includes a new preface by the author and a lengthy new foreword by Jacob Neusner that summarizes the work's importance and subsequent influence **Vital Christology Issues** Roy Check B.
