**Ordinary Saints** Stuart C. Devenish, 2017-03-08 How does God manifest himself in the world Through the righteous lives of his holy people the saints As a religion of witnesses Christianity is dependent upon its saints defined as activated disciples to testify to the grace of Christ and the kingdom of God Their lives are walking billboards of the value of Jesus teaching and authenticity of Christianity as an ancient spiritual pathway This is a book about saints who are alive now and whose everyday acts of kindness and goodness announce that God is at work in the world Like Jesus their Master they are the message the messenger and the working model of the kingdom of God in a lesser key In following Jesus ordinary saints are willing to give away their lives in order to convey the substance of their faith to a watching world If ever there was a time when saints need to live courageously for Christ in the world it is now But it will take conviction credibility and a great deal of audacity *Ordinary Saints* explores what it means to be a saint in the twenty first century by exploring the depth dimensions of saints lives bodies emotions values and relationships *The Bonhoeffer Phenomenon* Stephen R. Haynes, 2004 Stephen Haynes s provocative study articulates the many motives and agendas that readers and scholars have brought to their study of Bonhoeffer making it difficult to assess objectively the relationship of his political and religious commitments the real meaning of his theology and his words and actions on behalf of Jews Reading Haynes s book helps us learn not only what Bonhoeffer has to teach us but also what it is we most desire to learn *The Power of a Focused Heart* Mary Lou Redding, 2017-09-15 Looking to simplify your life quiet your mind find your unique spiritual gift s and make a difference Turn to the Beatitudes Sometimes teachings from well known biblical passages are so obvious and preached so often that we

overlook other helpful not so obvious lessons The Beatitudes are celebrated as being the template for humble Christian living Dig deeper and you ll also find practical applications for living a simpler yet more spiritually engaged life especially in this distraction heavy and frenzied world the Beatitudes are not easy sayings we can glibly incorporate in our way of life writes Redding Like so much of what Jesus said they invite us to move beyond first impressions and surface meanings They challenge us to explore Using Jesus teachings about the kingdom of heaven and how that message spurs us to critically evaluate our priorities Redding says we must learn to say no to some things to say yes to God The book s brief chapters are just right for today s busy schedules and can be read in minutes Daily exercises following each chapter will help you consider and practice lessons learned and respond to scripture in a self guided study Also included are meeting plans for an 8 session small group study of the book **Will Willimon's Lectionary Sermon Resource: Year A Part 2** William H.

Willimon,2019-12-03 Will Willimon is widely acclaimed as one of the top ten preachers in the world For each Sunday of the Christian year Will provides just what you need to begin the journey toward a sermon This guide will stoke fund and fuel your imagination while leaving plenty of room to insert your own illustrations make connections within your congregational context and speak the Word in your distinctive voice Guidance from Will Willimon is like sitting down with a trusted clergy friend and asking What will you preach next Sunday Year A Part 2 is part of a six volume set that includes years A B and C 2 volumes per year in the Revised Common Lectionary Part 1 includes the Pentecost through the end of the church year Christ the King Reign of Christ Sunday Each week of sermon resources includes 1 Readings 2 Theme title 3 Introduction to the Readings 4 Encountering the Text 5 Proclaiming the Text 6 Relating the Text *Living on Hope While Living in Babylon* Tripp York,2009-04-23 Though Christendom has come to an end it appears that old habits die hard Jesus promised his followers neither safety nor affluence but rather that those who come after him should expect persecution Christian discipleship and tribal nationalism however despite the legal separation of church and state continue to be co opted into the nation state project of prosperity and security This co option has made it difficult for the church to recognize her task to be a prophetic witness both for and against the state That only a small pocket of Christians bear witness against such an accommodation of Christian practice is disconcerting and yet it breeds hope In *Living on Hope While Living in Babylon* Tripp York examines a few twentieth century Christians who lived such a witness including the Berrigan brothers Dorothy Day and Eberhard Arnold These witnesses can be viewed as anarchical in the sense that their loyalty to Christ undermines the pseudo soteriological myth employed by the state While these Christians have been labeled pilgrims revolutionaries nomads subversives agitators and now anarchists they are more importantly seekers of the peace of the city whose chief desire is for those belonging to the temporal cities to be able to participate in the eternal city the city of God By examining their ideas and their actions this book will attempt to understand how the politics of the church an apocalyptic politic is necessary for the church to understand her mission as bearer of the gospel *The Battle for Bonhoeffer* Stephen R. Haynes,2018-09-13 The

figure of Dietrich Bonhoeffer 1906-1945 has become a clay puppet in modern American politics. Secular radical liberal and evangelical interpreters variously shape and mold the martyr's legacy to suit their own pet agendas. Stephen Haynes offers an incisive and clarifying perspective. A recognized Bonhoeffer expert, Haynes examines populist readings of Bonhoeffer including the acclaimed biography by Eric Metaxas, *Bonhoeffer: Pastor, Martyr, Prophet, Spy*. In his analysis, Haynes treats among other things the November 2016 election of Donald Trump and the Bonhoeffer moment announced by evangelicals in response to the US Supreme Court's 2015 decision to legalize same-sex marriage. *The Battle for Bonhoeffer* includes an open letter from Haynes pointedly addressing Christians who still support Trump. Bonhoeffer's legacy matters, Haynes redeems the life and the man.

*The Beatitudes for Today* James C. Howell, In this volume of the For Today series, author and pastor James Howell takes us on an engaging exploration of the Beatitudes. Howell considers each of the well-known phrases in these passages from Matthew and creatively applies Jesus' teachings to our contemporary world and Christian lives. The For Today series was designed to provide reliable and accessible resources for the study and real-life application of important biblical texts, theological documents, and Christian practices. The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past but also on their value in the present for today. Thought-provoking questions are included at the end of each chapter, making the books ideal for personal study and group use.

**Struck from Behind** James C. Howell, 2012-11-29 *Struck from Behind* is a memoir but not the usual narrative of events. James Howell tells intriguing stories from childhood, romantic life, travel, friendships, tragedies, and wonders, and how God was there, although unnoticed or uninvited at the time. By sharing in retrospect, how he now understands God's presence in seemingly mundane moments, we begin to sense something of God's way in the world and in our own lives. Howell has been a successful pastor and published theologian. In *Struck from Behind*, he opens up his own private life as a window into God's hidden activity. When he remembers, then we too remember God and begin to notice and become grateful.

*The Life We Claim* Rev. James C. Howell, 2011-07-01 Using the Apostles' Creed as the primary text, this book explores what we believe as Christians and how those beliefs are relevant today. The author's goal is to help pastors educate and transform members of their congregations. He examines the Creed phrase by phrase in brief sections suitable for congregational study or for emailing to the congregation. For each phrase in the Creed, a deeper reflection provides material for preaching a 13-sermon series or for further congregational study. A detailed appendix includes recommendations of hymns and songs related to each phrase in the Creed; the suggestions are keyed to several hymnals and songbooks.
