discovered that Ira had been shielding her from the truth that he was a campy sex writer who'd sold millions of books in multiple languages including the wildly popular *Games You Can Play with Your Pussy*. Which was to the naïve Sara's horror not a book about cats. For decades the books remained an unspoken family secret until Ira developed early-onset Alzheimer's disease and announced he'd be reviving his writing career. With Sara's help. In this cringeworthy, hilarious and moving memoir, Sara shares the profound experience of discovering new facets of her father, once as a child and again as an adult. *Let's Never Talk About This Again* is a must-read confessional from a woman who spent years trying to find humor in the perverse and optimism in the darkness and succeeded.

Sesame Street: Ready for School! Rosemarie T. Truglio, Pamela Thomas, 2019-09-10

Sesame Street, the most trusted name in preschool education, offers a complete user-friendly guide to help parents prepare their children, ages 2-5, for academic, physical, and social success. For the past 50 years, Sesame Street has stood at the forefront of child development, stimulating and nurturing the minds of preschoolers not only through the iconic TV show but also through books, games, mobile apps, and community engagement initiatives. With *Ready for School*, Senior VP of Curriculum and Content at Sesame Workshop, Dr. Rosemarie Truglio shares all the research-based curriculum-directed school readiness skills that have made Sesame Street the preeminent children's TV program and that every parent needs in order to get their preschooler ready for lifelong learning. Each of the book's eight chapters focuses on a key area: language, literacy, math, science, logic, reasoning, social-emotional development, healthy habits, and the arts. An essential dynamic of *Ready for School* is its emphasis on the importance of play in a child's learning process. To respond to that need, dozens of Play-Learn activities are included to aid parents in educating their children at the kitchen table, on the bus, in the park, or in the preschool classroom while playing together. In addition, the book recommends scores of hints, tips, ideas, for useful products, and deep dives on more complex topics for parents, all designed to make preparing young kids for school easy and joyful.
