The Dynamics of Changing Higher Education in the Global South Busani Mporu, Sabelo Ndlovu-Gatsheni, 2020-06-29 Today there are generally universities in Africa rather than African universities The legitimacy of the university in Africa is under serious questions now because of its complicity in racism patriarchy sexism colonialism capitalism genocide epistemicide linguicide culturecide and alienation In other words the university in Africa as we know it today is elitist and exclusionary Therefore rethinking the idea of the university is fundamental to overcoming its current deficiencies in the Global South This volume bringing together a number of national case studies and macro analyses on the dynamics of changing higher education in the Global South gestures towards the desired imagined decolonial African university which should be a site of multilingualism where African indigenous languages cosmologies and ontologies become a central part of its identity and soul intolerant of epistemicides linguicides and cultural imperialism but a site of cognitive and social justice that fully embraces the idea that all human beings are born into valid useful relevant and legitimate knowledge systems

Handbook of Research on Student-Centered Strategies in Online Adult Learning Environments Fitzgerald, Carlton J., Laurian-Fitzgerald,

Simona,Popa, Carmen,2018-06-08 As traditional classroom settings are transitioning to online environments teachers now face the challenge of using this medium to promote effective learning strategies especially when teaching older age groups Because adult learners bring a different set of understandings and skills to education than younger students such as more job and life experiences the one size fits all approach to teaching does not work thus pushing educators to create a student centered approach for each learner The Handbook of Research on Student Centered Strategies in Online Adult Learning Environments is an important resource providing readers with multiple perspectives to approach issues often associated with adult learners in an online environment This publication highlights current research on topics including but not limited to online competency based education nontraditional adult learners virtual classrooms in public universities and teacher training for online education This book is a vital reference for online trainers adult educators university administrators researchers and other academic professionals looking for emerging information on utilizing online classrooms and environments in student centered adult education [MCSA Microsoft Windows 10 Study Guide](#) William Panek,2016-05-26
