The Greylands: Volume I Susan Skylark, 2013-01-20 A land of shadows of mystery of obfuscated Truth Welcome to the Greylands that strange world within the bounds of Time peopled by mortal men We cannot

see truly only as through a glass darkly There are things that move and have their being completely beyond our ability to perceive them There are things beyond our mortal ability to comprehend There are hints and glimmers hidden within the body of revealed Truth but there is much we do not know cannot yet understand and could never dare dream These stories are mere fancy with a seed of Truth at their core They play with the ideas of mortality and Eternity Time and things beyond it and of course the epic battle of Good against Evil Each stands alone and though there are common themes threads names and concepts each story is an entity unto itself and should not be seen as occurring in the same world or mistaken for installments of a series These are random musings not Gospel Truth and should not be taken as such Joy hope and encouragement are hopefully a byproduct but certainly not sound Theology If you would know more of the true world beyond these Greylands one must be a careful student of the Scriptures not of silly stories such as these

**The Sampler Platter:
A Little Bit of Everything** Susan Skylark, 2015-03-26 This disparate gathering of books and stories has as little in common as the varied contents of a sampler platter of appetizers at a restaurant and serves the same purpose if you don't know what exactly you are hungry for at least in a literary sense why not try a little of everything Within you will find a book of fairy tales and verse Over the Hills and Far Away two short and humorous tales The Foibles two volumes of longer tales The Greylands and several works from the Chronicles of the Brethren series including the starter volume The Serpent and the Unicorn Book I and II a collection of short stories Legends and the first of a trilogy within the series Shadow of the Unicorn Enjoy Over the Hills and Far Away Fairy tales like music and poetry are a language known to every soul no matter the culture time or place Travel over the hills and faraway with these varied tales of Faerie and for a little while reclaim the wonder and joy peculiar to a childlike heart The Foibles If you are looking for a serious tale with a redeeming moral find another book This is a foible not a fable thus it has no intrinsic value whatsoever save to make you smile These stories should be used with caution not taken internally and avoided by those who have a congenital lack of humor who take themselves and the world too seriously and those looking for something serious to read So take a detour through the fickle world of Foible where a sense of humor is your only weapon against incomprehension These stories are a silly and hopefully entertaining romp through the land of Faerie poking fun at everything you love about fairy tales geek culture and very possibly things that have very little to do with either The Greylands There are more things in heaven and earth Horatio than are dreamt of in your philosophy Hamlet William Shakespeare A land of shadows of mystery of obfuscated Truth Welcome to the Greylands that strange world within the bounds of Time peopled by mortal men We cannot see truly only as through a glass darkly There are things that move and have their being completely beyond our ability to perceive them There are things beyond our mortal ability to comprehend There are hints and glimmers hidden within the body of revealed Truth but there is much we do not know cannot yet understand and could never dare dream These stories are mere fancy with a seed of Truth at their core They play with the ideas of mortality and Eternity Time and things beyond it and of course the epic battle of Good against Evil

Each stands alone and though there are common themes threads names and concepts each story is an entity unto itself and should not be seen as occurring in the same world or mistaken for installments of a series These are random musings not Gospel Truth and should not be taken as such Joy hope and encouragement are hopefully a byproduct but certainly not sound Theology If you would know more of the true world beyond these Greylands one must be a careful student of the Scriptures not of silly stories such as these Chronicles of the Brethren What if the Myth were real and everything else mattered not What if your very soul hung in the balance Enter a land where the Myth is real but many have forgotten or scorn the Truth and those who fight to uphold it The adventure is about to begin for even those who fight for justice are about to rediscover why *Portrait and Biographical Record of Western Oregon* ,1904 **A Rogue by Night** Kelly Bowen,2019-05-28 2018
