Zionist Images David A. Wesley,2013-01-01 Although the Israeli state subscribes to the principles of administrative fairness and equality for Jews and Arabs before the law the reality looks very different Focusing on Arab land loss inside Israel proper and the struggle over development resources this study explores the interaction between Arab local authorities their Jewish neighbors and the agencies of the national government in regard to developing local and regional industrial areas The author

avoids reduction to simple models of binary domination revealing instead a complex multi dimensional field of relations and ever shifting lines of political maneuver and confrontation He examines the prevailing concept of ethnic traditionalism and argues that the image of Arab traditionalism erects imaginary boundaries around the Arab localities making government incursion disappear from view while underpinning and rationalizing the exclusion of the Arab towns from development planning Moreover he shows how images of environmental protection mesh with and support such exclusion The study includes a chronology of events tables maps and photographs This revised paperback edition with a new epilogue brings accounts of Arab land loss and struggles for economic development up to date The author also deals with the challenges of life and research in Israel and examines the possibilities of sharing the land as the homeland of both Jews and Palestinians

The Settlers Meyer Levin, 2014-08-13 From the acclaimed author of *Compulsion* comes the saga of a Jewish family that flees Russia to become settlers of the nascent state of Israel Proclaimed most significant American Jewish writer of his time by Los Angeles Times Meyer Levin turns his journalistic eye for character and detail to an epic tale of the founding of Israel At the turn of the twentieth century Feigel and Yankel Chaimovitch are among the many Russian Jews caught up in the burgeoning revolution To escape the pogroms they flee with their children to their ancient homeland Eretz Yisroel Though Eretz Yisroel is a place of unparalleled beauty these pioneers face innumerable hardships poverty disease grueling physical labor and violent tensions with their Arab neighbors There are even conflicts within their own ranks especially between new arrivals and established settlers And as World War I escalates each family member from second oldest son Gidon who struggles through the disastrous Gallipoli campaign to Leah who awaits the return of her fickle Moshe struggles to build their future
