Path Illumined Fateful Day August 9 Who Were the Mysterious Builders True Names in White Stone Prophecies of the Mysterious Teleois Strange Phrases Seven Great Powers **The Existence and Attributes of God, Volume 7 of 50 Greatest Christian Classics, 2 Volumes in 1** Stephen Charnock, 2008-09 The Existence and Attributes of God comprises the first two volumes of the works of Stephen Charnock 1628-1680 an English puritan divine who was highly skilled in philosophy patristics Reformed theology and Biblical languages These volumes are his abiding monument They are worthy of being compared with the finest in theology When the existence and attributes of God are called into question to whom else can we better go than to Stephen Charnock those things revealed belong to us and to our children forever The material that Charnock discusses is firmly founded in the Word of God Both the Old Testament and the New emphasize these two things First we should study the whole revelation not just some easy or favorite parts of it secondly the study of God's attributes is not dry as dust theology but is practical that is it leads to righteousness Dr Gordon H Clark from a preface to this great work in a Sovereign Grace edition 1958 One of the greatest tragedies in these spiritually starved times is the sad fact that most Christians know so very little about their God It is often said that this is simply because these volumes are exhaustive on the subject Yet it is clearly filled with sublime expositions of the truth regarding God's existence and attributes Charnock displays God's attributes not as impersonal abstractions for the mind to juggle with but as qualities observable in the concrete actions of the living God of which the Bible speaks The technical terms and sometimes arguments of scholastic theology are employed but always with a Biblical orientation Charnock has no desire to speculate but only to declare the works and ways the nature and character of the God of the Bible The substance of his doctrine is characteristically Puritan and representatively Reformed Dr James I Packer in The Encyclopedia of Christianity Volume II p 410 The possessor of these rare volumes will be blessed by getting acquainted with the incomparable God and thereby will reach a higher plane of spiritual enjoyment never attained before To know Him better is to love Him more **A House Divided-7 Events Before Rapture & the Coming Christian Holocaust** Michael Johnson, 2004-11 Just as Jesus Christ promised a book that simplifies and clarifies the End Times prophecies is finally here A House Divided chronicles in easy to understand terms the ENTIRE End Times scenario including SEVEN easy to remember End Events After years of scouring numerous passages and gathering all the prophecies scattered throughout the Old and New Testaments of The Bible the author has been able to piece together the prophecies to form a single coherent picture of the End Times During the process of gathering together the prophecies the Author also discovered a profound prophecy concerning the emergence of a book in the End Times that outlines seven events In The Revelation Chapter 10 John witnesses a powerful Angel descending from Heaven who holds open a book while he utters seven thunders Although John heard the thunders and was about to write them down he was told to conceal them The author of A House Divided feels that he has uncovered what those seven thunders are By themselves the seven End Events only scratch the surface of all the new prophetic interpretations that are presented in this book There are

at least twenty COMPLETELY NEW interpretations of prophecy never before presented that are detailed in the book Many of the author s interpretations are as bold in its assertions as The Revelation is mysterious Jews also will find this work especially intriguing In rather blunt terms the author exalts Jews while diminishing the importance of many religious social and political organizations of our day including organized Christian hierarchy and the Catholic Church The book uses a minimum of scriptural quotes and explains in everyday language and terms what Christians must know to prepare themselves for a terrible Christian holocaust in the future And the book has been formatted to appeal to the less educated Christian Formerly most prophecy authors have ignored the larger portion of Christians who are not schooled in ancient text translations and scholarly jargon A House Divided dispenses with the scholarly chitchat that has inhibited understanding in past prophecy works It omits diplomacy and gets straight to the point Without a doubt A House Divided is as profound in fresh and new End Times understanding in this day as The Revelation was in the day of John Do not miss this opportunity to know understand and REMEMBER what has eluded all of us to this day the final revealing of the mystery of God and the WHOLE End Times Truth

Divided W.Alexander Wheeler, Ph.D.,2019-04-25 One need not hear the words of a prophet to know that we stand at the brink of explosive global change unparalleled in the history of the the world But if we are given the words of a prophet and fail to pay heed such change can now only lead to the final self destructive act in the human tragedy This book delivers to humanity a message commissioned by no less than the universal and unlimited Source of all knowledge wisdom and vision critical to the future survival of our world Like a topographical map that from a bird s eye view indicates to us the path of least resistance the Source points the way beyond war and violence greed and fear and toward a higher transcendental sanity to match the needs of the critical times in which we live The Way of One Given the ever increasing speed at which we are advancing toward our final destiny we can ill afford to defy or ignore the immortal and dramatic vision of truth that is contained within these pages

The Oxford Handbook of Millennialism Catherine Wessinger,2011-11-17 Christian Dispensationalism the Taiping Revolution cargo cults in Oceania the Baha i Faith and the Raelian Movement would seem to have little in common What they share however is a millennial orientation the audacious human hope for a collective salvation which may be heavenly or earthly or both Although many religions feature a belief in personal salvation millennial faiths are characterized by the expectation that salvation will be accomplished for an entire group by a superhuman agent with or without human collaboration The Oxford Handbook of Millennialism offers readers an in depth look at both the theoretical underpinnings of the study of millennialism and its many manifestations across history and cultures While the term millennialism is drawn from Christianity it is a category that is used to study religious expressions in diverse cultures religious traditions and historical periods Sometimes millennial expectations are expressed in peaceful ways Other times millennialists become involved in violence The Oxford Handbook of Millennialism begins with a section that examines four primary types of millennialism Chapters in the next section examine key issues such as charismatic leadership use of scripture prophetic failure gender roles children tension with society and violence The rest of the book explores millennialism in a wide variety of places and times from ancient Near Eastern movements to contemporary apocalyptic and new age movements including the roles played by millennialism in national and international conflicts This handbook will be a valuable resource for scholars of religious studies sociology psychology history and new religious movements

The Man of Sin Kim

Riddlebarger,2006-06-01 The doctrine of the Antichrist is one of the most interesting doctrines found in Scripture says author Kim Riddlebarger Unfortunately it s also one which has been subject to far more speculation than sound biblical exegesis Until now Unlike other resources available on the Antichrist The Man of Sin focuses on Scripture not contemporary events to uncover the truth about this mysterious entity With skilled exegesis Riddlebarger asserts that contrary to popular speculation the Antichrist is not a singular individual but a series of beings that will arise to challenge Christ throughout the inter advental age before culminating in an end times Antichrist Backing this claim first in Scripture Riddlebarger also draws from historical teachings including those of the church fathers the Reformation and historic Protestantism before contrasting this evidence to the sensational interpretations of many contemporary writers Pastors teachers and study groups wanting to understand the doctrine of the Antichrist will find The Man of Sin to be a unique and comprehensive study *Masonic Standard* ,1914 *An Introduction to the Critical Study and Knowledge of the Holy Scriptures* Thomas Hartwell Horne,1860
