Wise,2018-01-14 Excerpt from Seven Decades of the Union The Humanities and Materialism To the rector board of visitors faculty alumni and students of the College of William and Mary I dedicate this memoir of her late rector and chancellor John Tyler the tenth President of the United States of America prepared for the archives of his Alma Mater in obedience to her resolves and orders at intervals snatched from professional business and from household hindrances and cares since the meeting of the rector board and faculty in the year 1868 It has been to me a task of tears dashed with some sacred joy a tale of sadness cheered and lightened by some exultant songs of triumphant reminiscence Mr Tyler s life ran through seven decades from 1790 to 1862 it is full of the themes of many and mighty events and thoughts it has a divine moral in its teachings and lessons for the deepest study of mankind Humbled by attempting the performance of this task I profess only a joy of grief no talents for the volume of its labors To bring that volume within readable compass I have sketched a memoir not altogether a biography and not at all a history an outline not wholly filled up a drawing somewhat colored and shaded but foreshortened to delineate salient points and parts in the important and impressive life and action of a good and great man About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Seven Decades of the Union Henry Alexander Wise,1881 **Seven Decades of the Union. the Humanities and Materialism** Henry A.
