## **Seven Men Who Rule The World From The Grave:**

**Seven Men Who Rule the World From the Grave** Dave Breese, 1992-03-09 Though their bodies lie cold and dormant the grave cannot contain the influence these seven men have had on today's world. They continue to rule because they have altered the thinking of society. They generated philosophies that have been ardently grasped by masses of people but are erroneous and antisciptural. Today these ideas pervade our schools, businesses, homes, and even the church. As we continue to unknowingly subscribe to their philosophies, we keep the grave open for Charles Darwin, Karl Marx, Julius Wellhausen, John Dewey, Sigmund Freud, John Maynard Keynes, and Soren Kierkegaard. Dave Breese warns us of the dangers of believing unreservedly the ideas of these seven men. He also reminds us of the only man whose life and words we can trust completely: Jesus Christ.

*What Your Child Needs to Know When* Robin Sampson, 2009-05-20 Includes a summary of objectives and a scope and sequence for the five most commonly used national achievement tests to help home schoolers prepare their children.

**America-A Purpose-Driven Nation** Philip Michael Pantana (Sr.), 2007-11 Pantana focuses on 95 essential themes of conservatism and presents a plan for reversing the current secular trends in force today. Christian *The Reformation Manifesto* Cindy Jacobs, C. Wagner, 2009-02 Bestselling author Cindy Jacobs calls individuals and the church to a new reformation that will transform communities and the nations.

Emerging Towards Apostasy Russ McCullough, 2013-10 There's nothing new under the sun; the wise King Solomon once said. How true! Nineteen centuries after the Gnostics drove the early church into apostasy, history is repeating itself. As was the case in the second century, many in the Lord's body in the twenty-first century are trading reason for speculation, conviction for opinion, facts for narrative, rationality for imagination, and linear truth for allegory. *Emerging Towards Apostasy* takes you back to the distant past, discovering what drives and motivates the so-called emerging church among departing churches of Christ in America today. Along the way, you will come to discern how apostasy is once again being driven by post-modern philosophy, denominationalism, and an infatuation with the church fathers, the patristics.

A Definition and Critique of Postmodernism Bruce Proctor, 2012 Bruce A. Proctor is a native of Dallas, Texas, but spent most of his youth growing up in Los Angeles, California. He graduated from Oklahoma Christian College, B.A. in 1973, from Dallas Theological Seminary, Th.M. in 1981, and Louisiana Baptist University, Ph.D. in 2011. Bruce has held various ministerial positions, including pastor, youth counselor, and pastor/prison ministry leader, and college professor. Bruce has taught Bible Exposition, Theology, Old and New Testament history, and Church History at various Christian schools: Southern Bible Institute, D. Edwin Johnson Bible Institute, both in Dallas, TX; True Vine Baptist Bible Institute in Spencer, OK; and at the Ministry Training Institute, an extension of Oklahoma Baptist University in Shawnee, OK. Bruce and his wife, Patricia, reside in San Antonio, Texas. They have eight adult children. Postmodernism is difficult to define because it rejects absolute meaning. However, I found it worth trying to define it by looking at other authors' attempts to define it. It was easier for me to describe than to define it. Much discussion is also given to the definition of the emergent church movement, including its

fundamental tenets and marks along with signs of drifting toward it Next the idea of postmodernism is weaved into the description of condemned mankind according to Romans 1 18 32 The description given is clearly relevant to the postmodern mindset as men who suppress the truth in unrighteousness verse 18 In my conclusion I discuss the power of truth and the loss of truth due primarily to a loss of focus However in the Person of Jesus Christ Truth arose from the dead and marches on victoriously despite the postmodern spirits of delusions      *Turning the Ship* Dustin Guidry, 2009-02 *Turning the Ship* is not for the faint of heart Dr Voddie Baucham Elder Grace Family Baptist Church Houston Texas The Church today desperately needs prophets to challenge us on how we do church Dustin Guidry is certainly a prophet His prophetic voice will be fully understood when reading *Turning the Ship* While you may not always agree with him he will challenge the way we do church and how we raise our children along with living our lives as believers Hold on as you read because you may find you don't have a rudder that is directing your own course as you journey through life Jay McSwain PLACE Ministries Atlanta Georgia It has been a long time since I have been excited about a book that I have read other than the Bible Dustin Guidry has excellent insight into many of the problems facing today's Christian body of believers He also has a simple answer for these problems God's Word I agree with Dustin that our families and our churches must return to the sufficiency of scripture in all aspects of our lives Dr Travis Plumlee Family Ark Ministries Conway Arkansas Dustin Guidry is lead pastor of Ridgewood Church He and his wife Kerri reside in Port Arthur Texas with their three beautiful daughters      *"Not Afraid to Tell the Truth"* Ken M. Schmidt, 2011-07-22 This book was originally intended to be a 3 Volume set or Trilogy but has been shortened to a single volume and edited for publication as a single title *Not afraid To Tell The Truth* which could be subtitled *Exposing the conspiracy of silence in the Last Days* it is not a book about discipleship necessarily nor is it a book you could use as a guideline for counseling rather it is a book written with the intention of shedding light upon 13 contrasting themes running through the whole of God's Word which the author believes have become confused by Western Christian wrong thinking preaching and practice in the last days of the Church age False teachers and heretical teachings have crept into the Church unawares bringing with it a form of captivity similar to the captivity of the nation Israel but with far graver consequences

**The Blueprint for 2 Americas** Linda Nelson,2021-09-20 What VEHICLE did we climb aboard that carried us so far from our cultural roots How did the vast changes to society our social framework and our relationships come about Most importantly we must ask ourselves How could we become so divided Or are we The answers we hear in the public discourse are wholly inadequate to address the scope of the changes Could anyone in 1990 expected that ABC NBC or CBN would identify 53 Genders or that public policy law and educational principles would be altered to grant special rights to these created genders Could we have envisioned cities and businesses being destroyed by people claiming to be supportive of the people affected Many feel the world has been turned upside down the law is silent with regard to some egregious acts while being openly hostile to seemingly innocent citizens expressing their right of free speech We have heard over and over these six powerful words How did our nation get here This book is designed to explain EXACTLY how we got here You will become thoroughly aware of the plan that was set in motion who designed it when it began and the mechanisms used to move us to their desired end and finally where it will take us You will discover that the separation of Americans by race or wealth or gender is a myth and meet the groups responsible for those myths After reading The Blueprint for Two Americas every news report school board issue or city council agenda will be viewed with the perspective of the Humanist Manifestos in mind You will be awakened to the destruction that this plan has wrought Just as a building has a set of blueprints that direct each specialty worker to their part in bringing about the finished product this social re engineering has a set of blueprints and the new society it envisions is nearly complete This book reveals THE BLUEPRINT FOR THE TWO AMERICAS
