Seven Days For Ruby:

Seven Days in November 1963 Edward J. Gibbons, 2013 Living in a Dallas boardinghouse separated from his wife Marina and their two children Lee Harvey Oswald feels completely powerless and desperate But on November 19 1963 he sees two articles in the Dallas Times Herald one on the front page in which President Kennedy calls for the overthrow of Castro in Cuba and the other announcing the president's visit to Dallas this coming Friday This Oswald believes is the opportunity for which he has been waiting In *Seven Days in November 1963* author Edward J. Gibbons presents a fictionalized account of Kennedy's assassination an event that has posed a tragic complex puzzle to most of the American public for five decades Gibbons fits the pieces of that puzzle into a plausible understandable story that takes place during the course of seven days in Dallas in late November 1963 a time of heightened Cold War tensions between the United States and the Soviet Union focusing on Cuba *Seven Days in November 1963* tells how Lee Harvey Oswald the president's assassin and Jack Ruby the man who would kill Oswald two days later on live national television both had their own twisted delusional motives for committing their acts of violence It also explores how the investigation into the assassination was compromised by American intelligence agencies that omitted vital information to protect themselves from responsibility or blame for the president's death thus leading to decades of confusion and conspiracy theories about what actually happened **The**

Seventh Day (Book #3 in the Vampire's Witch Saga) Jennifer Abrahams, *THE SEVENTH DAY* was inspired by actual events and their resulting recurring nightmares Skyla could not would not believe that she was meant to lead a mystical life The plane was taking off and leaving the imaginary world behind But the magical world had never been interested in leaving Skyla Jane Judge alone and would not start now Bound for her home in New England 21 year old Skyla Jane Judge is leaving behind the den where she found acceptance and the promise of eternal love and enlightenment in New Orleans Confused about who she really is she hopes that a return to her roots will provide her with some direction and help to ground her again But den leader Steve has other plans When he pays a call on her after a mysterious trip to the Louisiana Bayou he proposes a destiny far more grand than the simple one she's come home in search of Skyla ultimately must look deep into her soul for answers and what she finds opens the door to a fate that exceeds her wildest imaginings *THE SEVENTH DAY* 50 000 words is Book 3 of *The Vampire's Witch Saga* following Book 1 *THE DEN* and Book 2 *IN THE BLOOD* Book 4 in the series *SOMETHING WICKED* is now also available **Cincinnati Magazine**, 2008-03 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region

Edward J. Gibbons, 2010-02 The John F Kennedy assassination has been described as the ultimate Cold War crime And it is no wonder that more than eighty percent of the American public believe his death was the result of a complicated sinister conspiracy However *Seven Days in November 1963* is not a conspiracy book It is based on historical facts and offers a fresh in depth interpretation of what really happened during seven crucial days in late November of 1963 Lee Harvey Oswald

President John F Kennedy s cold blooded assassin and Jack Ruby the man who shot and killed Oswald two days later both had their own personal reasons for committing their crimes In Seven Days in November 1963 author Edward J Gibbons shows how blinding passion mixed with misinformation and disinformation led to the assassination and murder Told from three perspectives President Kennedy s Oswald s and Ruby s Seven Days in November 1963 details each man s actions during those seven days and provides crucial historical background information to better understand the tensions of the Cold War and the attitudes and hatreds that led to each man s tragic death **Bulletin** North Dakota Agricultural Experiment Station
