Seven Jersey Murders:

Seven Jersey Murders Gerald Tomlinson, 2003 *Seven Jersey Murders* covers seven highly publicized homicide cases in New Jersey between the years 1900 and 1921. It begins with the tragic death of a seventeen year old Paterson mill girl Jennie Bosschieter who was drugged and raped by four young men about town. It then describes the shooting of Mary Bevans a farmer's wife in Peters Valley in 1903 and next the bathtub drowning of beautiful Ocey Snead in East Orange in 1909. The last two cases the slayings of John V Piper in 1917 in New Brunswick and Janette Lawrence in 1921 in Madison are officially unsolved. Taken together the seven cases comprise a vivid part of the social history of New Jersey in the early 20th century.

Mysticism in Newburyport Peter James Ford, 2022-10-05 *SHADOW RIDERS* is the third book in this seven book series under the title *MYSTICISM IN NEWBURYPORT*. It is the continuing unfolding story of just another soul's reawakening in this lifetime to the truth of his divinity. After Peter's younger wild years growing up in Lynn Massachusetts with heavy alcohol use and abusing all the drugs of the sixties along with his love of riding motorcycles and physical training he found himself crawling into the 12 step recovery program for alcoholics. Peter abused alcohol for seven years and he drank alcoholically right from his first drink. He used all the drugs of the sixties and combined both alcohol and drugs which brought him to his knees at a very young age. He was to be involved in endless trouble with police car and motorcycle crashes, high speed chases, arrests and many broken bones. Peter's journey in the recovery program began with a spiritual awakening and he began his education about the spiritual principles and the ancient wisdom from the past. While Peter was living in the Newburyport area and reading ancient writings from meditation masters Peter was to have a profound spiritual experience and his journey back to his true self really began. Through the grace of a meditation master Peter's own inner spiritual energy called kundalini burst wide open and this energy flowed up his spine and chakras and caused incredible insights and experiences. It was later that Peter learned about Kundalini Yoga and what had happened to him. Peter was to have profound experiences in long nights of meditation down by the Merrimac River and to have numerous past life experiences. To honor his spiritual awakening while in this historic seaport he decided to use the name *MYSTICISM IN NEWBURYPORT* for the title. Peter's first book was introduced at the Miami International Book Fair as a modern day version of the Herman Hesse classic novel *SIDDHARTHA*. These tales are about all the great people from this time in Peter's life and all the gifts and blessings that have flowed and continue to flow to this silly Irish seeker. Peter hopes that his writings will be of some use to others or at least bring a smile to the reader's face about the unique life of just another seeker. This book is dedicated to Barbara Eleanor Parton. She is in the below pictures on our bikes. *The Selected Papers of Elizabeth Cady Stanton and Susan B. Anthony* Ann D. Gordon, 2013-01-10 The hush of the title comes suddenly when first Elizabeth Cady Stanton dies on October 26, 1902 and three years later Susan B. Anthony dies on March 13, 1906. It is sudden because Stanton despite near blindness and immobility wrote so intently right to the end that editors had supplies of her articles on hand to publish several months after

her death It is sudden because Anthony at the age of eighty five set off for one more transcontinental trip telling a friend on the Pacific Coast it will be just as well if I come to the end on the cars or anywhere as to be at home Volume VI of this extraordinary series of selected papers is inescapably about endings death and silence But death happens here to women still in the fight An Awful Hush is about reformers trained in the school of anti slavery trying to practice their craft in the age of Jim Crow and a new American Empire It recounts new challenges to an aristocracy of sex whether among the bishops of the Episcopal church the voters of California or the trustees of the University of Rochester And it sends last messages about woman suffrage As Stanton wrote to Theodore Roosevelt on the day before she died Surely there is no greater monopoly than that of all men in denying to all women a voice in the laws they are compelled to obey With the publication of Volume VI this series is now complete

Mystic Peter James Ford,2023-10-19 Mysticism in Newburyport is a seven book series revealing ancient secrets from masters of all cultures along with modern day breakthroughs by scientists and quantum physicists of our times These tales began flowing after Peter s powerful spiritual awakening in Newburyport Massachusetts Newburyport is a quaint little historic seaport on the coast of Massachusetts heading toward New Hampshire Peter had been sober in the 12 step recovery program for many years and had recovered from his alcoholism Peter s love of Nature had brought him to the Newburyport area This area is rich with Nature s treasures Native American Heritage and many tales from the tall cargo ships of olden days High Street was lined with homes of these Sea Captains Peter s awakening had given him new eyes and new highly evolved senses Peter was to have powerful past life experiences with his Mystery Woman guide named Layne Layne was a mystic who would tell people things about themselves that there was no way she could know She would look you in the eyes and tell you your deepest secrets She also knew about the Earth s electromagnetic grids and helped Peter understand what he was experiencing in Newburyport Peter s new heightened senses could feel the electromagnet flow of energy and the convergence right below Market Square in Newburyport Market Square was one of the crossroads for these powerful electromagnet energies that give life to our planet Peter was to share the secrets that were revealed to him in his writings

experienced the good the bad the ugly and then an awakening and redemption His younger years found him struggling with alcoholism and the drugs of the sixties with having learning disabilities including attention deficit disorder and growing up in a violent environment Peter turned to physical training and motorcycles and found much satisfaction in both At an early age Peter crawled into the 12 step recovery program a broken man This was the beginning of Peter s spiritual journey Over the years Peter attained the promises of the program and began living a great life Many years later Peter was initiated into a yogic path that had begun thousands of years ago by an ancient lineage of Masters Peter did not realize that his profound spiritual experience at that time was actually a powerful Kundalini Awakening within him Shortly after his awakening these mystic tales of past lives and powerful wisdom truths began flowing Peter has just completed his seventh book about his life adventures and spiritual journey Peter hopes people find something useful in his writings or at least that they will bring a smile to your face when thinking about Peter this Unlikely Messenger [Vision Quest](#) Peter James Ford,2023-12-13 VISION QUEST is a book recording the continual soul expansion of the seeker Peter James Ford Peter s journey began after a powerful spiritual experience in the little historic seaport in Newburyport Massachusetts In Peter s late night meditations which were along the Merrimac River the boardwalk the Salisbury Reservation on the Atlantic Ocean Plum Island Maudsley Estate State Park Pow Wow Hill Native American Burial Grounds and Old Hill Burial Grounds he was having vivid explosions in his mind of seemingly past life experiences and powerful insights Peter began seeing the hidden secrets of this quaint little seaport that people never take the time to see Peter s intuition and senses increased in an almost scary powerful way giving Peter wisdom from unseen sources The source may be the Akashic Records Library that is not a physical library but a place in the ethers that contains all the wisdom and knowledge ever known to anyone over the eons We can access this power through ancient spiritual practices and apparently Peter has done just that Stories and Tales began flowing from Peter and he wrote his first book In the last three years Peter has written eight more books and shares everything he has found from his journeys to the inner worlds Peter wrote a seven book series under the title MYSTICISM IN NEWBURYPORT with an eighth bonus companion book called MYSTIC Now you are holding his new writings in your hands Peter laughingly calls himself An Unlikely Messenger as his younger years were nothing resembling anything spiritual So here is the story of just another seeker realizing his divinity and returning to his own heart [Murder and Its Consequences](#) Leigh B.
