community The questions most asked of today's pastors and pastoral counselors are answered by integrating psychological with biblical Christian perspectives Jesus' own questions from scripture are presented as a response to those difficult questions sparking a self-reflective personal dialogue that illuminates as well as inspires As each of us journeys through life urgent questions arise even for the most faithful Each chapter of *Ask Anything A Pastoral Theology of Inquiry* takes parishioners' most asked questions about the basic issues of life, death, and faith and connects them with Jesus' questions from scripture allowing a new depth of introspection and thought These questions open a free flow of ideas that refreshes personal perspectives and leads to a spiritual resolution for the issue at hand Jesus' teachings spring to life through the questions from the gospels and the probing thoughts of contemporary authors and scholars stimulating a productive inner dialogue and positive direction for reflection Each chapter is carefully referenced and includes helpful exercises and questions for group discussion, counseling conversations, or personal contemplation Appendixes are included with complete listings of Jesus' questions from the gospels as well as a complete bibliography to facilitate further research *Ask Anything A Pastoral Theology of Inquiry* discusses these questions often asked of pastors: Where do I find meaning in life? How can I succeed? What can I do to protect my children? How can I know which leaders to trust? What can I do about my battle with depression? What can I do about my burnout and fatigue? How can I know God loves me? What is prayer? What happens when I pray? Why is my prayer unanswered? Why is there suffering? Where do I find hope? What happens when I die? What can I do about the pain of grief? *Ask Anything A Pastoral Theology of Inquiry* is inspiring, eye-opening reading, perfect for pastoral and other Christian counselors, ministers with responsibility for preaching, and any layperson hoping to gather greater insight into Jesus' personal answers to their own questions

The World and the Word: Making Sense of Social Science in an Age of Conflict, Opposition, and Grace Dr. Herbert L. Green Jr., 2017-08-24 Jesus' very presence as the New Testament age unfolded 1st century A.D. engendered opposition, created conflict while ushering in grace His ideas were considered radical Why is this so? The NIV Archeological Study Bible 2005, NIV Student Bible et al. and corroborating Extra-Biblical evidence provide a context for the Word view about Jesus in Biblical history and supports aspects of the social and physical sciences in terms of cultural, socio-economic, political, historical, archeological, and philosophical apologetics evidence As the pages of this book unfold, there is an internal consistency with social science and The Bible However, where such consistency appeared to diverge, this author attempts to filter out the noise by applying critical thinking criteria to a Worldview that may not be consistent with the Word view The goal of this book, therefore, is to provide some exposition, Greek apologia of the Word, and see how the World fits Born-again Christians can be credible scientists and not compromise God's Word After thoughtful reading, please send reflective comments to Dr. Herb Green Jr. at docgreen48@outlook.com
