Prophecies, Visions, Occurrences, and Dreams Raymond Aguilera, 2000-06. *Prophecies, Visions, Occurrences, and Dreams* is an apocalyptic book. Since 1990, Raymond Aguilera began to receive prophecies, visions, and warnings from God about the end of our world as we know it. These messages range from abortion to the New Age movement to Pastors who have misled the flock. They reveal things to come, things that now are, and things that should not be. From hope to love to doom to a new beginning, herein lies a broad range of insight from a whole new perspective. The prophecies are simple and straightforward, written from a first-hand perspective. They fly in the face of orthodox tradition and are a thorn in the side to everyone who has already made up his mind and heart on how the end is to come and who God is. This has the potential of being one of the most controversial books of the year. [American Journal of Syphilis and Neurology](#), 1926.
