

An abstract painting with swirling, organic forms in shades of orange, yellow, green, and red. The colors blend and flow together, creating a sense of movement and depth. The overall effect is reminiscent of a nebula or a turbulent sea.

*The Sevenfold Work* J. G. Bennett, 1979      *Revelation* Grant R. Osborne, 2023-10-17 The Book of Revelation contains some of the most difficult passages in Scripture Grant Osborne's commentary on Revelation interprets the text while also introducing readers to the perspectives of contemporary scholarship in a clear and accessible manner Osborne begins with a thorough introduction to Revelation and the many difficulties involved in its interpretation He discusses authorship date of writing and the social and cultural setting of the work He also examines elements that complicate the interpretation of apocalyptic literature including the use of symbols and figures of speech Old Testament allusions and the role of prophetic prediction Osborne surveys various approaches commentators have taken on whether Revelation refers primarily to the past or to events that are yet future Rather than exegeting the text narrowly in a verse by verse manner Osborne examines larger sections in order to locate and emphasize the writer's central message and the theology found therein Throughout he presents his conclusions in an accessible manner When dealing with particularly problematic sections he considers the full range of suggested interpretations and introduces the reader to a broad spectrum of commentators Revelation seeks to reach a broad audience with scholarly research from a decidedly evangelical perspective      *The Collected Works of Witness Lee, 1984, volume 3* Witness Lee, *The Collected Works of Witness Lee* 1984 volume 3 contains messages given by Brother Witness Lee from March 3 through December 16 1984 At the beginning of March Brother Lee traveled to Brazil and spent most of March ministering there At the end of March he returned from Brazil to Anaheim California and remained there until the middle of April During the last two weeks in April Brother Lee traveled to Stuttgart Germany and on his return to the United States he visited New York City Washington D C and Newton Massachusetts during the month of May At the end of May he ministered in Irving Texas and in the first few days in June he visited Denver Colorado At the end of June Brother Lee returned to Anaheim and remained there until the first week in October From the middle of October until the middle of November Brother Lee traveled to the Far East and ministered in Tokyo Japan Seoul South Korea Taipei Taiwan and Quezon City Philippines He returned to Anaheim for a few days in the middle of November and near the end of November he traveled to Irving where he remained until the end of the year The contents of this volume are divided into two sections as follows 1 Seventeen messages given in Brazil on March 3 through 10 These messages were previously published in a fifteen chapter book entitled *The Divine Economy* and are included in this volume under the same title 2 Fifty one messages given in Stuttgart Germany Washington D C Irving Texas Newton Massachusetts New York City and Anaheim California on April 20 through December 16 These messages were previously published in a forty four chapter book entitled *God's New Testament Economy* and are included in this volume under the same title      *Heritage of the Saints* Herbert Lockyer, 2016-01-18 The heritage of the saints is the presence of the Holy Spirit The *Heritage of Saints* delves into Jesus Christ's mighty gift to mankind the Holy Spirit As Lockyer eloquently explains every believer is rich with the abundance of the Spirit in His

sevenfold manifestation the baptism the gift the indwelling the anointing the sealing the pledge and the in filling Although an understanding of the Spirit and His work is essential for spiritual growth His presence throughout the Scripture can be overlooked by the believer To remedy that Lockyer traces the Spirit's presence role and activity in the Bible and practically guides the reader in how to do the same Believers who are eager to learn more about their inheritance will appreciate Lockyer's timeless insights on the presence and power of the Holy Spirit

The Pressure's Off Larry Crabb, 2012-06-20 This book makes a very important statement about how to live the Christian life It takes the Christian beyond the obstacles and disappointments and above all beyond the age old enemy of self straight into the arms of grace Once there the pressure is off A real worthwhile read FRANK RETIEF Presiding Bishop Church of England in South Africa You can stop trying to get everything right Is the pressure getting to you Do you try to make everything work only to find that your best efforts are largely ineffective Christians have unknowingly embraced two errors that following the rules guarantees a good life and that God is important because He dispenses blessings When God's blessings seem to taper off and when life doesn't work out people take it upon themselves to make things work And that creates pressure that we are all too familiar with In The Pressure's Off best selling author and counselor Larry Crabb introduces you to the New Way of living God does not guarantee ease or convenience or even a good outcome as the result of your obedience But he does promise himself no matter what the circumstances of your life When you seek God and nothing else the pressure truly is off you

The Collected Works of Edward Schillebeeckx Volume 1 Edward Schillebeeckx, 2014-09-25 This is a new edition of the 1963 classic which gave Christological thought a new direction As far back as his first major book Schillebeeckx propounded an anthropological approach to the sacraments In Christ the Sacrament of the Encounter with God he draws on theologically fruitful work by phenomenological anthropologists like Merleau Ponty Buytendijk and Binswanger That makes Schillebeeckx's distinctive idiom and modern approach appealing even today He rediscovers as it were from within the notions forged by scholastic theology and thus restores to us a theology of the sacraments rooted in the biblical and patristic soil from which they first sprang Schillebeeckx's speculative synthesis of this quest still has a fresh ring to it He describes Christ as the primordial sacrament in a reflection on his public ministry death and resurrection inspired by the universal

human search for such a sacrament He concludes that the church's sacraments have to be an earthly extension of the liberation brought by Christ's story Schillebeeckx ends by describing sacraments as grace made visible that gives crowning moments in Christian life a mystical quality Edward Schillebeeckx Collected Works bring together the most important and influential works of the Dutch Dominican and theologian Edward Schillebeeckx 1914 2009 in a reliable edition All translations have been carefully checked or revised some texts are presented in English for the first time The page numbers of earlier editions are included Each volume carries a foreword by an internationally renowned Schillebeeckx expert This edition makes Schillebeeckx available for a new generation of scholars and students *The Collected Works of Witness Lee, 1968, volume 1* Witness Lee, The Collected Works of Witness Lee 1968 volume 1 contains messages given by Brother Witness Lee from January through early August 1968 Brother Lee remained in Los Angeles until the end of January after which he visited Dallas Texas Birmingham Alabama and Orlando and Miami Florida on his way to Sao Paulo Brazil He returned to Los Angeles in late February There is no record of his speaking in the cities outside Los Angeles In the middle of March Brother Lee traveled to the eastern part of the United States visiting Lubbock Texas Greensboro and High Point North Carolina Birmingham Alabama New York City and Buffalo New York Toronto Canada Minneapolis Minnesota Mansfield and Cleveland Ohio Pittsburgh Pennsylvania and Indianapolis Indiana before returning to Los Angeles in the middle of May During this same trip he might also have visited Boston Massachusetts Montreal and Ottawa Canada and Louisville Kentucky The only record of Brother Lee's speaking on this trip was in High Point and New York City At the end of May Brother Lee visited Dinuba California for two days and returned to spend the next week in Los Angeles In the middle of June he traveled to Las Vegas Nevada San Francisco California and Corvallis Oregon before returning to Los Angeles where he remained until the end of July There is no record of his speaking in Las Vegas or Corvallis From late July through the middle of November Brother Lee visited the Far East From July 25 through August 22 he was in Taiwan where he was joined by over one hundred forty brothers and sisters from the United States and Canada along with some saints from Brazil Japan Korea Malaysia Singapore Indonesia Hong Kong Denmark and West Germany During those days he ministered in Taipei Taichung and Kaohsiung The contents of this volume are divided into eight sections as follows 1 Twenty three messages given in Los Angeles California from January 1 through July 7 These messages are included in this volume under the title Various Messages in Los Angeles Two pairs of messages were combined 2 One message given in High Point North Carolina on March 24 This message is included in this volume under the title Message Given in High Point North Carolina 3 Four messages given in New York City on March 30 and 31 They are included in this volume under the title Various Meetings in New York 4 Four messages given in Dinuba California on May 29 and 30 These messages are included in this volume under the title Knowing and Experiencing Christ as the Spirit by Exercising Our Spirit 5 Four messages given in San Francisco California from June 14 through 16 They are included in this volume under the title Life Principles for the Proper Practice of the Church Life 6 Ten
