Pandora's Box Kyle Weyburne, 2023-07-06 Pandora's Box is the story of Gilbert O Sullivan a middle aged man stuck in his monotonous existence at Leeds University After investigating an archaeological dig in Palestine he is befriended by an Israeli who tells him about another Bible one slightly different to the one we all know When Gilbert visits Bugenheim he finds him dying on the floor of his apartment His final words send him on a hunt for a copy of this legendary book Gilbert finds himself in the depths of Africa scaling a cliff to an ancient monastery Unbeknownst to him though an agent of the Church is hot on his heels and engineers a fall which sees Gilbert encased in plaster and confined to a wheel chair with a morphine drip His experiences now humorously coloured by the morphine seeping into his veins allow him to discover things which his academic brain would otherwise struggle to recognise As the revelations unfold his pursuer starts to question his own faith as the evidence mounts that someone other than his beloved Jesus is the Messiah The interesting thing about this book is that it is a real conspiracy theory The original Messiah was not Jesus but a man who lived 150 years before him who few today have heard of Pandora's Box is a fictional account of how this might have come to the world's attention The information in this book is accurate the maps are real the information in Enoch is real and the quotes from Judas are from the actual Gospel of Judas History is not always a reliable witness

In-Visible Simplicity James Scott Rollo, 2012-06 There is knowledge understanding and spiritual illumination in this book never seen or written ever in the recorded commentary of biblical history This is a phenomenon of the moment arising out of Words in Daniel's book that have been closed up and sealed till the time of the end The challenge confronting every Christian regardless of his spiritual age or position is in recognizing that there is much more to know about God than we know but to know more we must be willing to continually repent and change our minds when the Lord allows us to see a clearer vision of the Truth Those who set aside every influence outside of the simple literal Words of inspired scripture receive knowledge and understanding unavailable from any other source Theologians of every degree have never seen the thoughts and observations illuminated in the precept upon precept chapters of this book If we allow the theologian tradition or the worldly church to control our mind we will miss the blessing of simply believing the purity of the Word God gave us a good mind and He expects us to use it to His glory by
