100 Things I Learned in Heaven Karen Bauer,2014-11-10 While living in Singapore in 1996 Karen Bauer from Iowa became ill and felt darkness descend upon her family When the illness worsened and many frightening events began to occur she consistently prayed to God and all of heaven for help After she had a traumatic brain injury in 2003 her spiritual vision was opened and she felt as though she was living in a nightmare while being fully awake As a last resort in 2004 she sought help from a spiritual healer and hypnotherapist from Hong Kong named Mabel During her first meeting with her a huge powerful angel appeared From that moment on she was changed forever Hypnotherapy uncovered a near death experience and severe head trauma from her childhood that catapulted her into these spiritual realms at an early age The following years were saturated with many trips to heaven for lessons and healing and numerous angelic visitations She was healed and she discovered her true soul purpose

She longed to tell everyone she knew about what she experienced in heaven but fear kept her silent Now almost ten years after her first journey to heaven she feels called to share everything that she learned and experienced with all of mankind In 100 Things I learned in Heaven Karen shares all of the lessons she learned from God and the angels describes in full detail everything that she felt and saw while ascending to and in heaven and discloses what she learned about the darkness She believes that if everyone knew how much love and help they have in heaven and how all of heaven is just waiting for us to ask for assistance in every situation it would change their lives forever and they would be free to live with increased hope trust power and joy

Uncle Will of Wildwood Frances Jewell McVey, Robert Berry Jewell, 2021-12-14 Uncle Will of Wildwood is a warm and humorous memoir of the nineteenth century Bluegrass that recalls a defining period of Kentucky's past It was a time of self-sufficient country estates when as Thomas D Clark writes in his introduction every Bluegrass farm gate was the entryway into a ruggedly independent domain Wildwood was such a place ruled by the affable Uncle Will of this classic book Everything at Wildwood revolved around Will Goddard who was a cross between a hurricane and an electric fan Uncle Will with his mad dashes into Harrodsburg for mowing machine parts his habit of leaving his stallion Black Joe unhitched his irrepressible spirit and his uncanny perception of the potential of a horse became a family and community legend A celebration of Kentucky before the arrival of the modern age Uncle Will of Wildwood fondly remembers life before the automobile before radio and television and before growing cities eroded the quiet and grand way of country life Though Uncle Will's story is nearly two hundred years old his lessons of self-sufficiency community and eccentricity are still pertinent today In print for the first time since 1974 Uncle Will of Wildwood captures the riotous spirit of one Kentucky man and the flavor of country life
