Sex Secrets of Ancient Atlantis John Grant, 1985-09-01 *Sex Secrets of Ancient Atlantis* , **Sex Secrets of Ancient Atlantis** John Grant, 2004-10-01 Complete Critical Assembly David Langford, 2002-10-01 This new collection of essays commissioned from a range of scholars across the world takes as its theme the reception of Rome's greatest poet in a time of profound cultural change. Amid the rise of Christianity the changing status of the city of Rome and the emergence of new governing classes Vergil remained a bedrock of Roman education and identity. This volume considers the different ways in which Vergil was read, understood and appropriated by poets, commentators, Church fathers, orators and historians. The introduction outlines the cultural and historical contexts. Twelve chapters dedicated to individual writers or genres and the contributors make use of a wide range of approaches from contemporary reception theory. An epilogue concludes the volume.

Wynn, 2018-11-23 Cairo is a city obsessed with honor and respectability and love affairs. Sara, a working-class woman, has an affair with a married man and becomes pregnant, only to be abandoned by him. Ayah and Zeid, a respectably engaged couple, argue over whether Ayah's friend is a prostitute or a virgin. Malak, a European belly dancer who sometimes gets paid for sex, wants to be loved by a man who won't treat her like a whore just because she's a dancer. And Alia, a Christian banker whose abusive husband is the mistress of a wealthy Muslim man, Haroun, who encourages business by hosting risqué parties for other men and their mistresses. Set in transnational Cairo over two decades, *Love, Sex, and Desire in Modern Egypt* is an ethnography that explores female respectability, male honor and Western theories and fantasies about Arab society. L. L. Wynn uses stories of love affairs to interrogate three areas of classic anthropological theory: mimesis, kinship and gift. She develops a broad picture of how individuals love and desire within a cultural and political system that structures the possibilities of and penalties for going against sexual and gender norms. Wynn demonstrates that love is at once a moral horizon, an attribute that naturally inheres in particular social relations, a social phenomenon strengthened through cultural concepts of gift and

kinship and an emotion deeply felt and desired by individuals *The Secret Doctrines of the Rosicrucians (Ancient Mysteries Series)* William Walker Atkinson,2024-01-09 In *The Secret Doctrines of the Rosicrucians* William Walker Atkinson delves into the rich tapestry of mystical knowledge and esoteric traditions attributed to the Rosicrucian order Written in an engaging yet scholarly style Atkinson presents a comprehensive exploration of the principles underpinning this secretive society and its significant influence on modern spiritual movements The work intertwines historical analysis with spiritual philosophy offering insights into ancient mysteries alchemy and the quest for personal enlightenment This text is not only a guide for the curious but also serves as a pivotal reference for contemporary practitioners of mysticism William Walker Atkinson was a prominent figure in the early 20th century metaphysical movement known for his deep interest in the occult and spiritualism His extensive background in various philosophies including yoga and New Thought fueled his fascination with mystical traditions Atkinson often writing under pseudonyms sought to make esoteric knowledge accessible to the general public reflecting a broader cultural enthusiasm for spirituality during his time For readers intrigued by mysticism spirituality and the hidden teachings of influential societies Atkinson s *The Secret Doctrines of the Rosicrucians* is an indispensable volume It not only enriches the understanding of Rosicrucian thought but also encourages readers on their own spiritual journeys inviting them to uncover the secrets that lie within *The Mammoth Book of Comic Fantasy II* Michael Ashley,1999 Fantasy can be downright funny To prove it editor Mike Ashley has compiled 35 short stories for a second mammoth volume featuring fantasy s funniest wackiest writers **The Quest for Lost Ancient Secrets with Robert M. to even place them in a definitive category in this book Kimberly Hurd Hale identifies the thread in Bacon's body of work that links modern science and liberalism Hale provides a detailed analysis of New Atlantis examining Bacon's place in the founding of modern political philosophy and the ways he relates to Plato Machiavelli and Hobbes Hurd argues that Bacon's demonstration of scientific rule in the New Atlantis is not meant as a blueprint for modern society rather it shows us the dangers of a scientific society devoid of liberty By examining what is troubling about the New Atlantis this book explains what problems lead to the emergence of Atlantean societies i.e. societies that are prosperous ambitious and doomed It shows that Bacon's portrait of Bensalem may provide the light necessary to guide those of us living in a world shaped by modern science through the dangerous seas

Pyramids and Nightclubs L. L. Wynn, 2010-01-01 2008 Leeds Honor Book in Urban Anthropology Society for Urban National and Transnational Global Anthropology Living in Egypt at the turn of the millennium cultural anthropologist L. L. Wynn was struck by the juxtapositions of Western Gulf Arab and Egyptian viewpoints she encountered For some Egypt is the land of mummies and pharaohs For others it is a vortex of decadence where nightlife promises a chance to salivate over belly dancers and maybe even glimpse a movie star Offering a new approach to ethnography *Pyramids and Nightclubs* examines cross cultural encounters to bring to light the counterintuitive ways in which Egypt is defined Guiding readers on an armchair journey that introduces us to Russian and Australian belly dancers on Nile cruise ships Egyptian rumors about an Arab prince and his royal entourage Saudi girls looking for a less restrictive dating scene and other visitors to this antique land Wynn uses the lens of travel and tourism to depict a fascinating and often surprising version of Egypt while exploring the concept of stereotype itself Tracing the history of Western and Arab fascination with Egypt through spurious hunts for lost civilizations and the new economic disparities brought about by the oil industry *Pyramids and Nightclubs* ultimately describes the ways in which moments of cultural contact driven by tourism and labor migration become eye opening opportunities for defining self and other
