More Things In Heaven And Earth:

More Things in Heaven and Earth Paul Comeau, 2016-11-30 When young Danny Crawford's father and a priest conspire to subject him to conversion therapy Danny only sees one way out But little does Danny know he'll soon have a sentinel watching from the darkness a guardian angel in the most unlikely form imaginable Damien a vampire is inexplicably moved by Danny's plight He takes it upon himself to make sure Danny's father and the priest can never hurt him again giving Danny a chance at a normal life As Danny grows up Damien struggles to keep the boy and later the young man from harm He does not dare go any further no matter how much he wants to To do so would ruin everything he's tried to do for Danny He doesn't realize that as Danny embarks on a successful modeling career and begins dating Danny feels empty longing for something or someone just beyond his reach a shadow a presence he despairingly believes forever lost to him When brutality and violence threaten Danny again Damien must make a decision risk revealing himself to Danny or leave Danny to his fate

More Things in Heaven and Earth Kiran Manral, 2022-12-29 When Kamla Malik's husband dies of a heart attack in Goa she's devastated Haunted by the lack of closure she tries mediums'ances and Ouija boards to help her establish contact All she wants is a final goodbye She tries to find him in the twisted labyrinthine worlds that he now inhabits but does she really want him back and worse if she finds him will he let her go Or is she as the doctors believe living in the tunnels of her mind making it impossible for her to distinguish hallucination from reality Serendipitously her eccentric and ailing maternal aunt invites her to visit at her splendidly isolated and crumbling villa in Goa Here Kamla meets Victor her aunt's stepson He stakes his claim over the villa and with it over Kamla While she accepts that Victor is her here and now why does Nihar continue to torment her Is she doomed to be forever haunted by him An exquisitely sinister tale of bereavement and the grey lands between the dead and the living both within the mind and outside of it **More Things in Heaven and Earth** is the horror of what happens when love obsession and betrayal collide **More Things in Heaven and Earth** Jeff High, 2013-10-01

FIRST IN A NEW SERIES Tucked away in the rolling Tennessee countryside is the charming community of Watervalley whose inhabitants are quirky and captivating and more surprising than you might expect As an ambitious young doctor with a penchant for research Luke Bradford never wanted to set up practice in a remote rural town But to pay back his student loans and to fulfill a promise from his past he heads for Watervalley Tennessee and immediately stumbles into one disaster after another Will he be labeled the town idiot before he's even introduced as the new doctor Very quickly he faces some big challenges from resuscitating a three hundred pound farmer who goes into cardiac arrest to not getting shot by a local misanthrope for trespassing He expects the people of Watervalley to be simple but finds his relationships with them are complicated whether he's interacting with his bossy but devout housekeeper the attractive schoolteacher he consistently alienates or the mysterious kid next door who climbs trees while wearing a bike helmet When a baffling flu epidemic hits Watervalley Luke faces his ultimate test Whether the community embraces him or not it's his responsibility to save them And

he ll soon discover that while living in a small town may not be what he wants it may be just what he needs READERS GUIDE INCLUDED For stories recipes and anecdotes from your favorite Watervalley characters visit watervalleybooks.com *More Things in Heaven and Earth* Paul S. Fiddes,2022-04-29 Shakespeare s plays are filled with religious references and spiritual concerns His characters like Hamlet in this book s title speak the language of belief Theology can enable the modern reader to see more clearly the ways in which Shakespeare draws on the Bible doctrine and the religious controversies of the long English Reformation But as Oxford don Paul Fiddes shows in his intertextual approach the theological thought of our own time can in turn be shaped by the reading of Shakespeare s texts and the viewing of his plays In *More Things in Heaven and Earth* Fiddes argues that Hamlet s famous phrase not only underscores the blurred boundaries between the warring Protestantism and Catholicism of Shakespeare s time it is also an appeal for basic spirituality free from any particular doctrinal scheme This spirituality is characterized by the belief in prioritizing loving relations over institutions and social organization And while it also implies a constant awareness of mortality it seeks a transcendence in which love outlasts even death In such a spiritual vision forgiveness is essential human justice is always imperfect communal values overcome political supremacy and one is on a quest to find the story of one s own life It is in this context that Fiddes considers not only the texts behind Shakespeare s plays but also what can be the impact of his plays on the writing of doctrinal texts by theologians today Fiddes ultimately shows how this more expansive conception of Shakespeare is grounded in the trinitarian relations of God in which all the texts of the world are held and shaped **More Things in Heaven and Earth** Kurt Brown,2002 Kurt Brown muses acerbically on nostalgia for a prior pop culture as well as on the new fixations of aging Americans gods have names like Metamucil Zantac Rogaine Viagra and Perhaps it s our irrepressible American spirit the soul of P T Barnum invading our chests heart attacks as huge as the Rockies or the heads at Mount Rushmore This book is also gently infused with outlandish parables Is it the ocean or the little puddle of his tears Is this his dinghy or the frayed boards of his ego scoured by storm

Perspectives on the Age of the Earth and Why They Matter Francis Ö. Dudás, 2020-02-13 Polls show almost half of US adults believe that Earth is only 10 000 years old whereas scientists consider our planet to be 4 56 billion years old Examining these conflicting views illuminates aspects of the perceived conflict between religion and science and helps us understand the battles between evolutionist and creationist advocates This book examines how we approach knowledge and how we look at certainty It disentangles the threads of the traditional knowledge we are taught from the knowledge we gain from our own investigation of truth It argues that nature the basis of science and scripture the basis of religion derive from a single source Because of their shared origins religious and scientific perspectives grounded in verifiable truths must be in harmony The book presents the science behind the reliability of isotopic dates and critiques young earth creationist attacks on isotopic studies Though the nature of time is a philosophical issue its measurement is a scientific venture that has affirmed that Earth is 4 56 billion years old The harmony of science and religion based on recognition of their single source is a prerequisite for the progress of humanity as a whole *There are More Things in Heaven and Earth...* Helen Roberts, 2002-11
