Moretas Ride:

Moreta: Dragonlady of Pern Anne McCaffrey, 2002-02-26 Anne McCaffrey draws the reader back in time to an earlier Pern to tell the story of one of Pern's great and true heroines. An air of pleasant anticipation hung so thickly over the Halls Holds and Weyrs of Pern that it had affected even the businesslike ways of Moreta, the Weyrwoman of Fort Weyr where her dragon Queen Orloth would soon clutch. Then, without warning, a runnerbeast fell ill. Soon, myriads of holders, craftsmen, and dragonriders were dying, and the mysterious ailment had spread to all but the most inaccessible holds. Pern was in mortal danger. For if dragonriders did not rise to challenge the parasite, it would devour any and all organic life it encountered. The future of the planet rested in the hands of Moreta and the other dedicated, selfless Pernese leaders. But of all their problems, the most difficult to overcome was time.

Nerilka's Story Anne McCaffrey, 2002-02-26 A deadly epidemic was sweeping across Pern. Everyone, holder and dragonrider alike, pitched in to help, except Nerilka's father, who refused to share Fort Hold's bounty with the other Holds. So ashamed of her family and determined to do her part, Nerilka packed up medicines and supplies and sneaked off to aid her people. Her quest to help wherever she was most needed led her finally to Ruatha Hold, where Lord Alessan was frantically preparing the precious serum needed for mass inoculations against the dread plague. Nerilka had long ago abandoned her hope of marriage and a home of her own. Now she found happiness in being useful and appreciated. First the Healers, and then Alessan, made very clear that they were grateful for her help. She had no idea that her new path would change the course of her life forever.

On Dragonwings Anne McCaffrey, 2011-12-07 Perfect for diehard fans as well as readers discovering McCaffrey for the first time, this dazzling new volume features three classic novels from the early years of Pern: *Dragonsdawn*, *Dragonseye*, and *Moreta*. The spectacular planet Pern seems a paradise to its new colonists until unimaginable terror turns it into hell. Suddenly, deadly spores are falling like silver threads from the sky, destroying everyone and everything they touch. Pern is in mortal danger. The only thing that can stop the Thread is the fire from Pern's flying dragons. Now the colonists must join forces with the dragons to burn the Thread before the parasite devours any and all organic life and turns lush Pern into a barren wasteland. *On Dragonwings* traces the story of the early generations on Pern. From the colonists who first created the fire-breathing dragons for protection through the rise of the dragonriders, these three novels set readers on a daring quest to protect a beautiful and extraordinary planet.
