**Friendly Fireside Meditations** Don Fholer Shank, Deni Anne Fholer, 2011-11 One year our pastor gave us twenty five scriptures one a week for twenty five weeks urging us to memorize one each week Frankly my friend I laughed when the pastor advanced such a frightening thought at my age of seventy six I was doing good as a youth to memorize John 3 16 and the twenty third Psalm No chance at my age and IQ level Then the laughing ended abruptly when in a most alarming voice God let me know he wanted me to memorize every one of those assigned scriptures Although memorizing a verse a week might seem as intimidating you will find it surprisingly easy when you allow God to guide you In *Friendly Fireside Meditations* Don outlines twenty five verses that will help you draw nearer to God as you write His word upon your heart The conversational and moving daily meditations that accompany each week s memory verse will help further encourage you in your new undertaking Don t stand out in the cold come warm yourself with the word of God This book is dedicated to the hungry ill clothed and ill housed children and their families wherever they are Note that after printing costs the money from this book will go to missions such as Deni s Isaiah 58 In His Service Ministry and to all the others she and I know to be so helpful to hurting children and adults *The Gospel Messenger* J. S. Roth, 1911 [Heavenly Journeys, Earthly Concerns](#) Brooke Olson Vuckovic, 2004-03 This book examines how an elite group of traditionists historians and theologians shaped Muslims perceptions of their prophet their community and their behavior by retelling and interpreting the story of Muhammad s ascent to heaven the mi raj **Christ of the Creation Days** Gregory J. Girard, 2017-08-02 *Christ of the Creation Days* by Greg Girard I have long been fascinated by the great types of Scripture not clever connections invented by over ingenious preachers but the patterns that underlie the way God repeatedly works both in the people and the events of the Bible Some of them are quite explicit Others you dont see till they are pointed out to you and then you wonder how you could have missed them The more we see one part of Scripture underlining another in what I think of as the repeat of patterns the greater its integrity is seen to be and the clearer its message Greg Girard opens our eyes to a set of correspondences that could not be more basic to the biblical revelation of God Should it surprise us that the sequence of his creative action in the making of the world should be the same shape as the sequence of his redemptive action in revealing himself to his people Yet I for one had never made the connection The creation of light the separation of land and sea the stars of heaven the man appointed to rule all that lives of course these images reappear elsewhere but had you noticed where and at what crucial points in the Bible story The author deserves our thanks for this illuminating and inspiring study Michael Wilcock author of five titles in the Bible Speaks Today series InterVarsity Press and other books of Bible exposition

**The Time of Christ's Return Revealed - Revised Edition** Charles P. Pierce,2009-08-31 This is the real thing If you want to know when Jesus Christ will return to reign as LORD over all the earth this book will tell you The book is controversial because it is unique The time given directly from the Bible is distant unlike the majority of current views expounding the theory that the time of Christ s return is imminent in their lifetime Multiple witnesses of scripture are used to provide Biblical evidence for definite timing of events The book of Daniel gives the number of years between when the second Temple was destroyed in 70 AD until the Lord builds the Millennial Temple Daniel also tells us the number of days it will take the Lord to replace the third Temple with the Millennial Temple In the Gospel of John Jesus tells us when He will build the Millennial Temple Many witnesses throughout the Bible including the book of Joshua each confirm the same timing of events The Church is given truth with the goal of increasing The Kingdom of God The cause of problems and their effects are revealed along with a solution Those who have ears to hear will do more than just listen 523 page count 37 black and white images
